Scully's Grove Secured For Use of Baseball Club

Negotiations Successfully Carried out by Local Committee--N. B. and Maine League will be Recognized Organization This Season--League Meeting to be Held at St. John Monday--Local Organization Meeting Today

It is definitely announced that Scully's Grove is to be the spot on which the Fredericton team in the N. B. and Maine Baseball League will play its home games during season 1912. Negotiations between representatives of the local baseball committee and Mr. S. B. Hatheway of the New Brunswick and British Colonization Company which obtained control of Scully's Grove and other real estate in this city some weeks ago were successfully carried out yesterday the company showing every inclination to deal reasonably with the promoters of the baseball club. It would seem that the "false alarm," to use the phrase of an eminent sporting authority, which had it at the time of the purchase of Scully's Grove, that the historic old field would be used for some time longer as an athletic field, was right and the said eminent authority wrong.

COMMITTEE MEETING

The local baseball committee consisting of seven prominent men of the city is meeting this afternoon for the purpose of arranging details. After the meeting some important announcements will be made to the public and an appeal for some financial assistance from the public is probable. The securing of grounds was the most essential matter in connection with the organization of a baseball club and with that accomplished it is confidently expected that the public will respond to the request for financial support.

LEAGUE TO BE RECOGNIZED

This season the N. B. and Maine League, if present intentions are carried out, will be a recognized organization with an official classification, and will not be an independent league as in 1911.

LEAGUE MEETING

The organization meeting of the league is to be held at the Dufferin Hotel, St. John, on Monday night next. St. John, Fredericton, Houlton and Woodstock will be represented if it is expected. Joe Page the manager of the St. John team is the prime mover in the matter. He already has signed Riley, outfielder with last year's Marathon team.

WOODSTOCK TO HAVE PRO TEAM

Woodstock, April 18--A large number of baseball fans met last night with Geo. E. Eglmain in the chair and C. M. Aughterson secretary. The outlook for a professional team here is very bright. Several of last summer's players will likely be here this summer, including Urquhart, Black, Polley, Wessinger, Haquet and McMahon. Delegates from Woodstock will attend the meeting to form a league to be called by Joe Page and if the 60 and 40 per cent. gate receipts proposition goes through upon the reports of the delegates the association will likely enter the league again. In the meantime the fans here are promoting a lottery on a piano and making arrangements for a ball match between local teams, and a horse trot on May 24th when the lottery will be drawn. An excursion will be run to Grand Falls for the benefit of the ball team.

YOUNG TOGO-CAMPI BOUT OFF

San Francisco, April 18--Efforts to match Young Togo, the highly touted Japanese boxer, and Eddie Campi, king of the four-round bantams failed today, because Eddie Robinson, the Jap's manager insisted that Campi agree to stop his fighter within ten rounds. Campi refused to listen to this proposition, but agreed to allow the referee to call the bout a draw should both fighters be on their feet at the end of twenty rounds.

OLD PLAYER LEAD

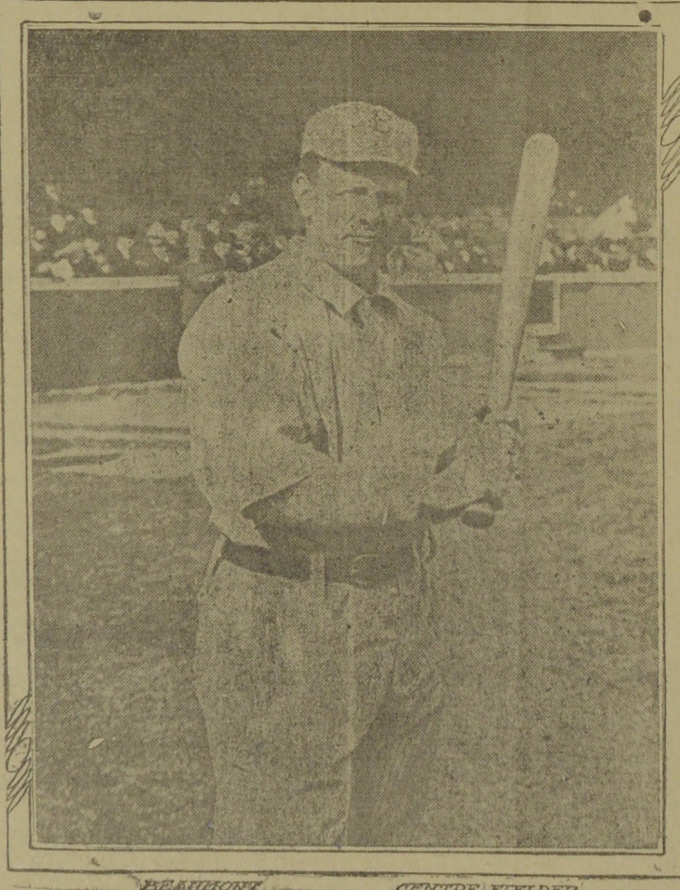

Terre Haute, April 18--"Ace" Stewart, once a member of the Chicago National baseball club and a native of Terre Haute died here today aged 43.

HOOF BEATS.

The Fellows Driving Club will hold matinees at Combination Park every holiday and Saturday during the season. Charles Lockwood has been elected chairman of the racing committee.

St. Klotz will manage the New York and Parkway Driving Clubs' professional race meeting over the Brooklyn half-mile track July 30, Aug. 2, and announces six \$1000 early closing events.

Charley Dean has entered his former stake trotter, Henry H. 2-074, in the C. of C. This gelding convinced Dean last summer that he could pace in 2:05 or better, but an injury threw him out of training before he was searched to his limit.
