HALIFAX HORSE BARING PURCHASED BY WALTER COX

R. H. Edwards Sells Baden's Blood-Brother for Largest Price Ever Paid in Maritime Provinces

(Acadian Recorder)

The despatches a few days ago announced the sale of Baden, 2.05½ to go to Russia at one of the largest prices ever paid for a trotter for export, and now the Recorder announces the sale of his brother in blood, the Halifax trotter Baring, 2.10½, at a private figure, but for the largest ever paid for a trotter cwa in the Maritime Provinces.

Baring has been purchased by Walter Cox, of Dover, N. H., one of the most noted trainers in America, who recently visited Halifax and inspected Baring, and was so well pleased with him that he has secured him for a well known Massachusetts horseman, who is now racing horses on the Grand Circuit.

Baring was owned by R. H. Edwards, who purchased him at the Allen Farm, Pittsfield, Mass., as a two-year-old. He is sired by Bingara, a son of Bingen, dam Kalevala, by Kremlin. He was developed by Frank Boutillier, who gave him a record of 2.36½ as a three year old, 2.30 as a four year old, 2.19½ as a five year old, and the past season, though he only was required to go in 2.18½, to win his races, he showed his ability to go several seconds faster than his record.

Mr. Boutillier is to be congratulated on his development of this horse, and Mr. Edwards on bringing to this country a trotter which should attract attention of the most noted horsemen abroad. He was loath to part with him, but with the offer made for him, he had the natural amount of pride of being desirous of seeing him on the Grand Circuit, where in Walter Cox's stables he feels sure he will make a good showing, as he believed Baring is destined for a lower mark.

Baring, besides being a fast trotter gives a promise of being a prominent sire, as he is already the sire of Baring's Comet, 2.28½, the fastest two year old in the Maritime Provinces.

Baring will be shipped to his new home next week.

BRUCE RIDPATH HAS GOOD LOT OF PLAYERS

Toronto, Nov. 15—Allan (Scotty) Davidson, who used to play for Kingston, has been signed by the Toronto pro team. Davidson was the west last winter playing hockey for Calgary. Young players of the calibre of Davidson are the making of the game and play much better hockey than the old-timers, who have nothing but their reputations of years gone by to travel on. The Torontos have been awarded Cameron of Port Arthur, whom the Tecumsehs also claim.

Manager Ridpath's list to date follows:

- Allan Davidson of Calgary, formerly of Kingston.
- George Rogdon of Port Arthur.
- Sue McLean of New Westminster.
- Tobias of Winnipeg and Saskatoon.
- Cully Wilson of Winnipeg Monarchs.
- Randall of Saskatoon, and ex-Lindsay Midget.
- Percy Nixon of Port Hope.
- McDonald of Brooklyn, N.Y.
- Fournier of Ottawa.
- Dufort of Ottawa.
- Rahn of Preston.
- Bowman of Preston.
- Fred Doherty of the Ontario Pro League.
- Harry Holmes, the ex-Parkdale goal keeper.
- Gustin of Woodstock and Cleveland.
- Cameron of Port Arthur.
- Neighbor of Port Arthur.
- Marchand of Kingston.
- Frank Rankin of Eaton's.

RUBE MARQUARD SUED FOR ALIENATING AFFECTIONS

New York, Nov. 15—Suit for \$25,000 damages was filed against "Rube" Marquard, pitcher of the New York Giants, by Joseph Kane, husband of Blossom Seely, an actress, alleging that Marquard alienated her affections. The irate husband recently traced the pair to an Atlantic City hotel. They eluded him and escaped. The summons on Marquard was served in a New York restaurant while he was in the company of Miss Seely. For some time they have been appearing in avante- sketch together.

Acadia Shut out Wanderers at Halifax Saturday

Score was 15 to 0 No Try was Converted—U.N.B. Only Team to Score on Acadia this Year—Halifax Experts Highly Praise Team of the Wolfville College

Halifax, Nov. 17—Undeafated in their entire season's play and scored upon but once by the U.N.B. on the U.N.B. campus, Acadia wound up a brilliant series in Halifax on Saturday afternoon and well and ably sustained their splendid record at the expense of the Wanderers, trailing the Red and Black into camp on the fog end of a fifteen to zero score and this without a "try" converted throughout the entire game.

The Wanderers, minus the very valuable services of that tower of strength in their scrim, Desbrisay, and with its back division shaken up and re-arranged to a point of weakness, through the absence of Medcalfe and Jones, were an easy prey to the machine-like precision of the collegians rear ranks and their heavy, compact and trained phalanx of forwards and right here Acadia's great power lay. With a scrim that averaged 184 pounds of grit, backed up by a smoothness of play they totally demoralized the Red and Black's front ranks, getting the ball back to their ever alert quarters almost invariably.

Acadia put a forward division on the field on Saturday the like of which has rarely, if ever, been surpassed in these provinces.

"That's the best English Rugby team in Canada today," exclaimed an ardent enthusiast after the game.

Acadia, by defeating the Wanderers Saturday by a score so overwhelming, can claim the Maritime Provinces title.

PUNTS AND DROPS

The U.N.B. team has the honor of being the only XV which has scored on Acadia this year. That is something for the knoekers, local or otherwise, to think about. It is some honor for the Red and Black to have scored on what is probably the best Maritime Provinces team that ever was organized. It should also be remembered that U.N.B. got over Acadia's line for what many said was a second try in that 13 to 3 game here.

The New Bedford Driving Club held a matinee Wednesday, the feature being the hanging up of a record of 2.17 by Banner B, William G. Snell's little pacer. Banner B. raced at the Halifax exhibition.

Doherty, of last year's Moncton Victorias, has signed with Toronto.

The record attendance at a soccer game is 127,307 for the Scotland v. England game at Hampden Park last March. The receipts were approximately \$40,000.

The Vancouver Hockey League will consist of only three clubs—Rowing Club, Columbias and Bankers. The Vancouver A. C. will not have a team this winter. The games are played on Frank Patrick's artificial ice rink, and he has promised the league that if the clubs show sufficient class he advance \$500 towards the expenses of the winning team to Winnipeg on a jaunt after the Allan Cup representing the championship of Canada.

Acadia has been out after the Maritime Provinces Rugby title all season and by trimming the Halifax Wanderers 15 to 0 on their own grounds Saturday have gained the right to be called champions. The Wanderers were the best team in Halifax and Acadia held the inter-collegiate tittle. It is a pity Rugby is not more organized so that it could definitely be decided by the holding of semi-finals and finals just which is the best team of the three provinces.

Acadian Recorder—Should the Nova Scotia Amateur league be organized, there is little doubt that the Amherst Ramblers would want to be represented. A suggestion worth considering might be the formation of leagues throughout the province, with short railway journeys, both as to mileage and time of making the trips, and having the winners of each league play off to decide Nova Scotia championship.

MCGILL DEFEATED TORONTO 'VARSITY 14 TO 3 SATURDAY

Montreal College Qualified to Meet Argonauts of Toronto in Semi-Finals of Canadian Football Title and Grey Cups—Saturday's Match at Ottawa was a Great Struggle

Ottawa, Nov. 17—McGill defeated varsity by 14 to 3, at Lansdowne Park Saturday afternoon, after one of the greatest struggles in the history of football, and thus carried off the championship of the intercollegiate football union qualifying incidentally to meet the Toronto Argonauts in the semi-final for the Canadian title, and the Grey Cup.

ALERTS BEAT TORONTO

Toronto, Nov. 16—Alerts won from Toronto here today by 9 to 7. This gives the league championship to Alerts and is the final football game of consequence on the season.

YALE AND TIGERS TIE

Princeton, N. J., Nov. 16—Princeton and Yale in their annual football game on University Field today played each other to a six to six tie. So evenly were the teams matched that neither had the power to rush the ball to a touchdown. Each team put up a stonewall defense, and all the scoring was done on goals from the field and a goal from placement. The result of the struggle was unsatisfactory to both sides, and especially to the thousands of Princeton rooters who saw the game slip from their hands in the last few minutes of play.

The hero of the game in the eyes of Yale was H. A. Pumpelly, of Oswego, N. Y., who, coming into the game for the second time, when everybody expected to hear the time-keeper's whistle blow, giving Princeton a victory booted the ball for a field goal from the fifty yard line, tying the score.

It was one of the most remarkable goals from the field ever seen on the Princeton gridiron. No one expected that Yale would try for such a score with the ball in midfield. The team was short, and it was a case of do something heroic or lose the game. Yale took the chance and won.

When the thousands of Yale rooters realized that the daring back had tied the score a tremendous cheer went up and lasted several minutes. The Yale substitutes turned somersaults on the sidelines, and Pumpelly was almost carried to his position by his fellow players.

For Princeton the hero of the game was Hobert Baker of Philadelphia, who made both of the black and orange's field goals. Both came on the second period of play.

Outside of the stubbornness of the defense on each side, and Pumpelly's great field goal, there was nothing remarkable about the game. Yale because of the Harvard game next Saturday, evidently was not uncovering all the plays she had in her repertoire. The new tricks that were attempted were but slight variations of wing shifts and did not help either team to any extent.

CHICAGO THE WINNER

Champaign, Ill., Nov. 15—Second place honors in the "Big Nine" football race will be fought out between Chicago and Minnesota at Chicago next Saturday. Chicago's 10 to 0 victory over the University of Illinois here today put them in the running for second place and relegated the local eleven to fourth place in the final standing.

MICHIGAN DEFEATS CORNELL

Ann Arbor, Mich., Nov. 16—Suddenly shifting from the old fashion game to brilliant open play Michigan scored two touchdowns in rapid succession in the fourth period of today's football struggle with Cornell and closed the season with a 20 to 7 victory.

THE PEN'S BEAT INDIANS

Philadelphia, Nov. 16—Playing a fast game from the beginning the University of Pennsylvania football team gained a victory over the Carlisle Indians this afternoon by the score of 35 to 26.

HARVARD DEFEATS DARTMOUTH

Cambridge, Mass., Nov. 16—Harvard, using only a part of its re-

puted offensive tactics, defeated Dartmouth today by a score of 3 to 0. The crimson played a conservative game, its goal line was never threatened by the green jerseyed team and its principal batteries of attack to be used against Yale next Saturday are still uncovered.

The only score of the game was a field goal in the third period by Brickley, Harvard's kicking back.

WILLIAMS DOWN AMHERST

Amherst, Mass., Nov. 16—Amherst put up a strong game against Williams today but went down to defeat, 12 to 0.

BROWN TRIMMED LAFAYETTE

Providence, R. I., Nov. 16—Brown won from Lafayette today, 21 to 7, after the visitors had led 7 to 0 in the first period.

SMITH BEAT MANSFIELD

Paris, Nov. 16—Jeff Smith, an American middleweight fighter, defeated Harry Mansfield an Englishman, here tonight. Mansfield quit in the sixth round.

PENDLETON MAY JOIN NEW YORK NATIONALS

Princeton, N. J., Nov. 18—Captain Pendleton, the great Princeton half-back, may become a member of the New York National League Baseball Club when he finishes his work in college.

Two years ago, when a sophomore, Pendleton promised McGraw that, if he ever played professional baseball, it would be with the Giants. McGraw hopes to induce him to join the club for he has a warm spot in his baseball heart for college men.

"The main difference that I have found between college boys and town lot kids," said the Wily Jawn, "is that the college boy tries to find his faults and correct them, while the town lot boy tries to hide his. All of the managers of today realize the advantage of having college men on their teams."

McGraw is himself a college man. After joining the Baltimore Orioles, he and Hugh Jennings spent their winters at St. Bonaventure College.

OTTAWA HOLDING UP TORONTO FOR RIDPATH

Ottawa, Nov. 15—The Toronto Hockey Club will have to come forward with \$500 for the release of Bruce Ridpath, or the Ottawa Hockey Club will refuse to allow him to play in the N.H.A. This stand was definitely announced this morning by the local club.

From what can be learned it was the intention of the Ottawa Club to make Toronto a present of Ridpath, but the "double cross" on the six men proposition so incensed the local organization, they now intend to go the limit on their rights. The Ottawas are also endeavoring to hold Jack Fournier whom Bruce Ridpath claims to have signed and are after him hot foot today. Punch Broadbent, another one of Ridpath's string for a try-out, may be induced to stick in the capital.

SOUTH AFRICANS BEAT CAMBRIDGE 24 TO 0

London, Nov. 15—The Springbocks decisively defeated Cambridge University yesterday, holding the Cantabs scoreless, while they ran up twenty-four points. The feat is the more surprising in view of the excellent showing of the Light Blues to date.

In a county championship match, Surrey defeated Middlesex by thirteen to five.
