THE VALLEY RAILWAY BOND GUARANTEE

(St. John Times.)
The Standard, in black type on its first page, says:

"The bonds actually issued and sold are for \$5,000,000, or the equivalent of the subsidy of \$25,000 per mile for 200 miles of railway, not 169 miles as untruthfully stated by The Telegraph."

The Standard, in its leading editorial, says:

"All that has been done is to float the bonds necessary to proceed with the construction of the road already under construction. When the remainder of the railway has been placed under contract the bonds necessary for its construction will be floated."

Is The Standard telling a glaring falsehood on its first page, or on its editorial page? What confidence can the people place in a paper which thus contradicts itself?

This effort of the Tory organ to explain away the Valley Railway bond issue will but serve to deepen the suspicion in the public mind. In one sentence it says all the bonds for the whole road are issued and sold. In another it says that only part of them are issued, and the rest will come later.

Why should there be two bond issues? Especially why should there be one issue for over \$4,000,000 and another for less than \$1,000,000? Such a course would be ridiculous.

Taken along with the refusal of the government to provide for work on the Grand Falls section at the same time as that on the other sections, this exposure relative to the bond issue points very clearly to a determination on the part of Mr. Fleming to play into the hands of those who do not desire the people of the St. John valley to have a railway which would be part of a through line, giving competitive rates.

GOOD HEALTH FOR YOUNG GIRLS

They need the new blood Dr. Williams' Pink Pills Actually Makes

Perhaps you have noticed that your daughter in her "teens" has developed a fitful temper, is restless and excitable. That she complains of weakness and depression; feels tired out after a little exertion; appetite variable, complaints of headaches and is growing pale. In that case remember that the march of time is leading her on to womanhood and that at this period a great responsibility rests upon mothers. These are symptoms of anaemia—that is bloodlessness and no time should be lost in increasing and enriching the blood supply. Unhealthy girlhood always leads to unhealthy womanhood. All young girls in their teens need the help of Dr. Williams' Pink Pills, which enrich and increase the blood supply, and give sickly, drooping girls the brightness and charm of perfect health. In proof of this Miss Zola Gordier, Morrisburg, Ont., says: "I was pale and bloodless and suffered from many of the symptoms of anaemia. I would tire easily and suffered from frequent headaches. My appetite was poor and I was very pale and easily discouraged. The medicine I was taking did not seem to help me, and then one day I read the story of a young girl who suffered similarly and was cured through the use of Dr. Williams' Pink Pills. I got three boxes of the pills and started to use them. Before they were done I began to feel better and look better. Then I got half a dozen more boxes and before they were all used I was enjoying the best of health and have continued to do so since. My young brother was troubled with rheumatism and they completely cured him."

Dr. Williams' Pink Pills are sold by all medicine dealers or can be had by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

BACH FESTIVAL AT BETHLEHEM

Bethlehem, Pa., May 31—Bethlehem was today the Mecca for music lovers, large numbers of whom arrived on every train to attend the annual two days' Bach festival given under the auspices of Lehigh University. The soloists are: Soprano, Mrs. Mary Hissem de Moss; contralto Mrs. Gertrude May Stein-Bailey; tenor, Nicholas Douty, and bass, Frank Croxton. The soloists will be assisted by the Bach Choir of 200 voices, by members of the Philadelphia Orchestra. The orchestral parts will be played chetra.

WHERE FIRST MASS WAS CELEBRATED

New York, May 30—The Sabbath-like quiet that usually prevades the financial district on a holiday was interrupted this afternoon when a large crowd of Catholic clergy and laity gathered about the United States Custom House, in Bowling Green, for the unveiling of a tablet to mark the spot where the first mass was celebrated by a Catholic priest on Manhattan Island. Where the magnificent new Custom House now stands there stood in the early days Fort James, within the precincts of which the sacrifice of the mass was first offered up in 1683 by Rev. Thos. Garvey, a Jesuit priest who was chaplain to Governor Thomas Dongan. The tablet commemorating the event was erected by the Order of the Alhambra, which has for one of its primary objects the marking of places notable in the Catholic history of the United States.

They are the best medicine I have ever taken for heart trouble."
