THOMAS BEAT ATTELL.

New York, Sept. 13—Abe Attell, erstwhile featherweight champion, was forced to take second honors to Harry Thomas of England, in a ten-round bout that went the limit at the Garden A. C. tonight.

Attell's comeback was a weak one. He failed to show any of his old time skill and Thomas was the aggressor during the last nine rounds, landing many punches to Attell's face without a return. At the finish Attell's eyes and lips were damaged and cut. Thomas had a slight cut under his right eye.

After Kid Alberts of New Jersey, had cut a gash under the right eye of Herb Brock of California, and hammered him around the ring for three rounds in the first ten-round bout, Referee Billy Johnson stopped the bout to save Brock from being knocked out.

P. J. DUGGAN CONTINUING

GOOD WORK WITH PROVIDENCE

Accounts of the games that Providence played with Jersey City on Sunday show that P. J. Duggan is continuing his good work with the team. In the first game on Sunday Duggan made one of the hits and also scored one of the runs. In the afternoon game he made another hit. By the way that he has broken in so good with Providence it is doubtful if the fans down east will have the pleasure of seeing this gentlemanly player on a New Brunswick diamond next season.

U. N. B. Has Great Majority of Rugby Players of 1911 Again Available This Year

Capt. Hal Murray had Over Twenty Men out for Light Practice Yesterday---Coach "Babe" Church Failed to Arrive in Time---Is Expected Later---Prospects of Red and Black Seem Fairly Encouraging

With Capt. Hal Murray in charge, aspirants to the 1912 Rugby XV of the University of New Brunswick had their first work-out at College Field yesterday afternoon. More than a score of men were out in uniform but Murray made no attempt at hard practice, giving the squad some running up and down the field, some bouts of passing and finished with a run on the quarter-mile track.

Capt. Murray is of the opinion that the outlook for U.N.B. in intercollegiate Rugby is fairly encouraging. Of the team of 1911 a full but a few are again available. Members of previous teams are back at college and the new students include in their members some good football material.

"BABE" CHURCH NOT HERE.

Yesterday's practice was handled by Capt. Murray in the absence of Coach "Babe" Church, who is again to be the "man at the helm" as far as Rugby at the college on the hill is concerned. "Babe" wired that he would be on hand for yesterday's practice but failed to show up. He probably will be along later.

AVAILABLE PLAYERS OF 1911.

Of the team of 1911 the following players are available:

Forwards—Melrose, Sewett, Parker, Xavassour, Patterson, R. M. Murray, Duguay.

Quarters—McFadden, McGibbon, Bender.

Halves—Maimann, Murphy, H. B. Murrau, (Capt.); Balkam, Machum.

Full-backs—Laughlin, Barry.

OTHER MATERIAL.

In addition to those mentioned Joe Alexander and "Moose" Gilbert, who played in 1910 are again available for the forward line. Norman Cass, who played with Fredericton High School and Provincial Normal School some years ago, is in the Freshman Class, which contains also some material from Fredericton High and other schools. There is also talk of a member of last year's Mount Allison team coming to U.N.B. this year.

Of last year's team, Capt. Bruce Dixon, J. M. Duke and O'Halloran of the forward line, have been lost through graduation and Willis of the halves, and "Pete" Loggie of the quarters, the same way. Harry Lynch a forward, will not be back.

U.N.B. will have its usual intercollegiate fixtures with Mt. Allison and Acadia. The latter will send its team here this season and U.N.B. will play Mount A. in Sackville, Acadia and Mount Allison meeting in Wolfville. It is likely that other games in addition to the intercollegiate league match will be played by the Red and Black.

INTERESTED SPECTATOR

An interested spectator at yesterday's workout of the U.N.B. squad was Mr. George Dewe of Christchurch, New Zealand, who for thirty years has followed the Rugby game in the land where he makes his home which probably has been accountable for greater advancement in the game than has any other. Mr. Dewe was disappointed in the fact that the practice consisted entirely of preliminary work. He will remain here some three weeks longer and in that time may see some games played here. Mr. Dewe is personally acquainted with some of the players of the famous "All Blacks" the New Zealand XV which played in the British Isles and in California some years ago. Christchurch he says is a great Rugby city, ten, fifteen and twenty thousand people turning out to see the best clubs play. A few seasons since a team from California colleges toured New Zealand but showed up only fairly well. The English Rugby game has crowded American Football out entirely in the Pacific States.

Speaking of Rugby in New Zealand Mr. Dewe says that "rooting" is there termed "barracking." The playing formation of the best New Zealand teams is:—Full back (1), three-quarters (3), five-eighths (2), half (1), forward (8), under the system of naming in vogue here three-quarters are called halves and the five-eighths and half would be called quarters. Of the eight forwards the New Zealanders play one as a wing whose duty it is to put the ball in the scrum and play loose.

MEHEGAN GOT DECISION OVER WELLS YESTERDAY

London, Sept. 16—Hughie Mehegan, lightweight champion of Australia, won the decision in his fight tonight in the Blackfriars ring with Matt Wells, the English champion, on a foul. Wells was disqualified in the fourteenth round for knocking Mehegan down after the gong had sounded. The fight was fast and furious throughout.

LEAGUE OF AMERICAN MUNICIPALITIES

Buffalo, N. Y., Sept. 17—Delegates from nearly all of the principal cities of the United States and from Toronto, Ottawa, Winnipeg and several other Canadian cities have arrived in Buffalo to attend the sixteenth annual convention of the league of American Municipalities. The convention sessions will begin tomorrow and continue over Thursday and Friday.

ENGLISH RUGBY PRESSING CANADIAN GAME HARD

(Montreal Herald)

Is Canadian football soon to give way to English Rugby as the main inter-collegiate sports. This is a problem which is causing no small amount of discussion at McGill just now. "Rugger" has made big strides at the local university during the past year and its fans are looking for bigger fields to conquer than the present embryonic city league.

The situation is very much like that which preceded the substitution of the English game in the big California colleges five years ago. Since that time American football has been steadily losing ground in the Middle West and at the next meeting of the Western American Football League there promises to be a big struggle for supremacy.

In Canada too, recent years have seen a certain revulsion along similar lines, although not so effective or widespread. This is especially true of McGill, which recruits very largely from B.C., the Maritime Provinces and the British Isles, in all of which the English form is in vogue.

HUNDRED ENGLISH "FRESHIES"

Just yesterday it became known that no less than one hundred Englishmen would enter McGill as freshmen this fall. Of this number there are no less than a dozen who have distinguished themselves at English football. Two of them figured in the crack aggregation which represented Harrow last winter. Three others were members of county teams. Such prospects have sent English Rugby stock at McGill away up. Negotiations are under way to meet the best Maritime Province teams early in October. It is highly probable that Dalhousie University will visit McGill for a series of games and that if the showing of the Red and White is sufficiently good the local team will tour the "down Eastern" colleges for a return series.

If these games are successful it is hoped to form some sort of league in connection with the Maritime universities. This will be an absolutely new move in university athletics and will go far to link together the two main branches of Canadian colleges.

DOMINION D. AND BARING WINNERS AT RACES IN HALIFAX

Both Won in Straight Heats---Prince Wilkes Distanced in 2.15 After Taking One Heat

Halifax, N. S., Sept. 16—Three races came off at the provincial exhibition meeting today. The first was the 2:25 trot and pace, won in straight heats by Dominion D. of Charlottetown, the best time being 2:20 1/2.

The second was the 2:19 trot, won by Baring, a Halifax horse, also in straight heats. Best time, 2:19 1/2. The last race, the 2:15 trot and pace, was unfinished, four horses having a heat each. Prince Wilkes, on the last turn in the third heat, went to a break and collided with a post, smashing a wheel off the sulky, and he was distanced. At the time of the accident Wilkes was in the lead.

EDDIE RAMSEY'S RIB BROKEN BY PITCHED BALL

(St. John Telegraph)

The large crowd of people who were in attendance at the baseball game on the Marathon grounds, will remember in the last inning when a very fast ball pitched by Harrington of Lynn, struck Eddie Ramsay on the right side, Ramsay was seen to double up after receiving the blow and discovered that his side was badly bruised on examination after the game. The injury caused him much pain, and yesterday he was examined by a physician when it was found that he had sustained a broken rib as a result of the hit.

PHILADELPHIA ATHLETICS TO MAKE TOUR OF CUBA

Philadelphia, Sept. 15—The Philadelphia American League baseball team will leave here on October 26 for a trip to Cuba, under the management of Secretary John Shibe. En route games will be played in Jacksonville, Louisville and other southern cities. The games in Cuba will be divided into two series, six games each to be played with the Almendares and Havana teams.
