## Moncton Snowed under by Quebec Team Last Night

Score was 8 to 0—Total for two Stanley Cup Matches was 17 to 3 in Quebec's Favor—Maritime Provinces Challengers Completely Outclassed by Holders of N.H.A. Title

Quebec, March 13.—The Quebec team made hockey history tonight, when it defeated the Moncton challengers for the Stanley Cup by a score of 8 goals to 0, the first time that a dose of whitewash has been administered to any team which has made a bid for the much coveted mug. With its former score of 9 to 3, the final result shows a balance of 17 to 3 in favor of the N.H.A. team, and about shows the difference in quality of the hockey played by the big league teams and those outside its borders. With faster ice, but with a weakened team, Quebec tonight were at all times masters of the situation and although Moncton put up a very aggressive game for the first twenty minutes, they were never in the hunt afterwards.

Hague was the hero of the first period for he stopped shot after shot, and if Quebec only got one tally, it was almost entirely due to his splendid work. The second quarter was largely Quebec, and the final was all in favor of the locals, the Quebec team only playing with the visitors and seemingly more anxious to keep them from scoring than to score themselves.

Quebec was minus the services of Oatman, who was unable to play owing to an injured foot, while Joe Malone, the captain, was forced to retire in the second period. Tommy Smith also dropped out of the Moncton line up and was replaced by Doherty. The old penalty system was in vogue but this had little effect upon the play as there were only a few banishments meted out, and these for minor fouls. Quebec only had two while Moncton had four.

There was a large and enthusiastic

crowd present and the Quebec club received a tremendous ovation, being presented at the beginning of the third period by a crowd of supporters who were present with a band, with handsome lockets and stickpins.

## "ONE ROUND" HOGAN DISQUALIFIED

(Canadian Press)  
New York, March 14.—"One Round" Hogan of California was disqualified in the first round of his fight with Leach Cross, the local lightweight at the Madison A. C. last night by referee Charley White for hitting in the breakaways. Up to the time of Hogan's disqualification, which came after two minutes of fighting Cross was all over Hogan, staggering him with a vicious right swing and causing him to hold with a series of smashes to the face. Cross was the first to offend by hitting in the breakaways and referee White cautioned him. Immediately afterwards Hogan hit Cross over the referee's shoulder and was also cautioned. Then Hogan hit Cross five times in the breakaways and the referee disqualified the westerner. There were cries of "fake" and for a few minutes a riot seemed imminent but referee White quieted the crowd.

The powers that be in U.N.B. football already are looking over the material which the next Freshman class is expected to contain and it looks good. Frequently, however, a High School star does not pan out in college football.

**\$40,000 UP FOR KALAMAZOO RACES**  
Kalamazoo, Mich., Mar. 12.—See William P. Engleman of the Recreation Park Association today announced the early events and the purses which go with them for the Grand Circuit races here from July 15 to 20. The purses amount to \$29,000, which, with the late closing events, will bring the entire amount up to \$40,000. All races except the 2.07 pace and the 2.03 trot will be five-heat affairs. The entries will close April 9.

There are numerous changes in the early closing purses, the Paper Mills \$10,000 purse being for 2.11 trotters instead of for 2.14 trotters. It is to prevent R. T. C. and horses of his ability from taking the money in a walkaway that the change was made. The \$3000 stake has been lowered from 2.10 to 2.08, and the Burdick purse from 2.18 to 2.15. The Rickman purse is successful by the Celery City purse, and will be for 2.10 pacers, the same as last year. The Columbia Hotel purse will be for 2.14 pacers, instead of 2.15, as last year.

## O'TOOLE'S ARM BETTER

Marty O'Toole's Ring which was lame for a few days immediately after he began work with the Pirates, is now all right and the South Framington boy also has not been afflicted with the headaches which bothered him so much last season.

Jack Britton and Frankie Burns of California have been signed again for another match in Oakland, Calif. March 20.

**OWEN MORAN**  
FOUGHT PAL MOORE  
TO TEN-ROUND DRAW

Both Boxers Displayed Great Cleverness Particularly in Blocking—Moran did Aggressive Work

New York, Mar. 12.—Owen Moran of England and Pal Moore of Philadelphia fought 10 rounds to a draw at the fairmont A. C. tonight. Each gained the honors in three rounds with four rounds so evenly fought out that neither had an advantage. It was a good bout, but not a fast one. Each had blocked many blows, Moore being particularly effective in stopping Moran's hooks and uppercuts. Moran did not display his old-time skill and, in comparison to the work he showed in previous bouts, was slow and ineffective. Time and again Owen tried to knock Pal out with a right uppercut, his best punch but he was unable to break through Moore's guard.

Moran carried the fight to Moore in the greater number of the rounds. In the early sessions he drove his left and right with great force to Pal's body which robbed him of much of his strength. Pal was the better at long range and frequently shook Owen to his heels with straight lefts and swings. If Moore had been more aggressive he would have earned the decision, but he did not start his attack until the last round. This was a sizzling chapter, the best of the bout. They stood together and mixed it.

**BOSTON PAPERS HAND OUT KNOCKS TO RAMBLERS**

The Boston Journal, speaking of the defeat of the Amherst Ramblers by the Boston A. A., says:  
The miserable exhibition of the Ramblers, Saturday, is the talk of fandom, and it looks as if the team had paid its last visit to the city. From a corking, scrappy team of Thursday night, the Nova Scotians were about as bad as it was possible to be Saturday night. There have been various excuses offered for the poor showing. Dick Townsend, the referee, is held largely responsible by Canadians for the big score. Townsend did his work well. His penalties were severe, but the Ramblers deserved what they received. The men roughed it up and the B. A. A. played clean hockey. There times when the Ramblers had only four men on the ice, but if he had found it necessary to put three more off, Townsend would have done it. If hockey is to be played cleanly in this city a few men of the type of Townsend should be used. Referees are not playing any favorites here. They call what they see.

## ATTELL DENIES REPORT

San Francisco, March 12.—Charges that Abe Attell tried to fix his fight with "Harlem" Tommy Murphy here last Saturday were denied by Attell in an interview today.  
Attell explained having called James Buckley, Murphy's manager to his dressing room as follows:  
"Just before I entered the dressing room, I remembered I hadn't understood what kind of tape we were to bandage our hands with. I had Buckley called and he told me we were to use regular electrician's tape."

Dr. Jerry Laflamme's famous "poke check" was very much in evidence in the Saturday night game but the dentist was not as effective on attack as he has been. Eatons checked harder than Vics, and used their bodies in a manner seldom seen in the west.—Toronto Globe.  
The Boston Arena management is negotiating with N. H. A. teams to play exhibition games in that city.

## STANLEY CUP HAS MADE INTERESTING HOCKEY HISTORY

The Stanley Cup to which the Quebec Club now have the title, and defended it against the Moncton Vics on Monday, was in 1893 donated by Lord Stanley as a trophy cup to be representative of the best hockey played in the Dominion. On St. Patrick's Day, 1902, Montreal defeated Victoria of Winnipeg, and started home with the cup.

The cup has been played for since 1895, when Montreal defeated Queen's and then were obliged to hand over the cup to the Victorias, as the latter had won the championship of the old Amateur Hockey Association of Canada.

The Winnipeg Victorias flashed on Montrealers in February, 1892, as something new in the game, when they defeated the Montreal Victorias by a score of two to nil, and the cup went west for the first time.

The following December the Montreal Victorias went after the prize and captured it from Winnipeg, the score being six goals to Winnipeg's five.

The next match of interest was in 1898, when the Westerners tried again. The series of three games ended in a dispute. The Montreal Vics won the first, and in the second they had a

## HOOF BEATS

Sec. Gocher did not allow the statement that he kept hoppers in the National Association for the sake of increasing the membership to go unanswered for long.

Jim Tranter is wearing a broad smile these days and cannot tell whether he finds the prospects for the Indianapolis sale more pleasing than the outlook for a big entry in the Professional Drivers' Stake at Pittsburg.

The Connecticut circuit, made up of Rockville, Suffield and Stafford, will open four \$600 stakes, to close in April. Last year this circuit had some pretty soft races, so that trainers are apt to patronize well this fall.

St. Louis again leads Chicago as the largest horse market of the country, or the world, with receipts of 170,379 in 1911. The total at Chicago was 104,545, at Kansas City 81,861, at St. Joseph 42,023, at Fort Worth 37,361, at Omaha 31,771. Grand total for the six leading markets 470,940, as compared with 375,100 at these markets in 1910. The increase of 95,840 probably represents concentration for sale purposes rather than any such actual increase in the number of horses marketed last year.

## RING NOTES

Johnny Kling and his new catcher, Joe Crisp both came from Kansas City, where they played semiprofessional ball. Kling figures that Crisp will make a good change catcher for the Boston Nationals.

Paddy Lavin and Al Greenwood are booked for a bout at Niagara Falls March 18.

"Buck" Crouse who has been resting for several weeks, has signed to box Jack Pink at Altoona, Penn., next Monday night.

Bombardier Wells, the English heavyweight champion, who is matched to box Al Palmer in San Francisco July 4 will not sail for this country until May 11.

"Cork" Norman is generally picked by the Upper Canadian press as the most dangerous of the Moncton forwards.
