

arrived at Boston, on Wednesday, with a full cargo of tea, comprising 5,504 half-chests and 520 boxes. Another cargo from China will soon be due there. The importation of tea at that port direct from China has been on the increase of late years, the amount entered at the Custom House in 1868, being then double the quantity received in 1868. In that year the importation reached 1,154,591 pounds, in 1869, 2,390,281 pounds, and in 1870, 2,276,202 pounds. The tea trade has been very active since the opening of the year, and with the fresh arrivals coming to this market, there is no reason why Boston should not supply the trade of New England on as advantageous terms as New York.

POVERTY IS BAD, but the worst kind of poverty is poverty of the blood; this makes a man "poor indeed," for it takes away his strength, courage and energy; but enrich the blood with its vital element, Iron, by taking the Peruvian, Syrup (a protoxide of iron), and you will feel rich and as good as anybody. Consumption is a great destroyer of life in the northern part of this continent. Nine cases out of ten originate in Colds, which appear slight at first, and are neglected, until ulceration of the lungs takes place, and in many cases they are beyond the reach of medicine. Dr. Wilson's Pulmonary Cherry Balsam is a speedy and certain cure for all cases of a few weeks' or months' standing, and has cured hundreds of cases that had been pronounced hopeless cases of Consumption by experienced physicians. Try it, and you will certainly find relief. Any Cough that can be cured at all, this Balsam will assuredly cure.

Those who suffer from Bile and Liver Complaint should try the effect of Dr. Wilson's Anti-bilious and Preserving Pills, a few doses of which will make the sufferer feel elastic and vigorous, remove all impurities from the system, and give a healthy and strengthened Stomach. If bilious attacks are allowed to continue without using such a preventive, more serious casualties may arise. Dr. Wilson's Pills are a valuable remedy, acting immediately in the removal of Acidity in the Stomach, Indigestion, Debility, and Nausea, preparing the food thoroughly for assimilation, and rendering each tributary organ perfect in its functions.

Dr. Dow's Sturgeon Oil Liniment has stood the test of a series of years, and still stands unrivalled for its excellence. It is warranted to cure all cases of Rheumatism, Gout, Contracted Cords, and Muscles or Stiff Joints, strengthen Weak Limbs, and enable the crippled to walk again.

The question is often asked us, "Who is Professor Clark, the inventor of Clark's Derby Condition Powders?" He is one of the most eminent Veterinary Surgeons the world ever saw, and the author of several works treating on the diseases of the horse, &c., and now used as a text book in the several colleges in which a knowledge of the subject is taught. His Condition Powders have made him equally famous with those who were unacquainted with his writings.
