PRINCE EDWARD ISLAND.

The *Argus* of the 12th inst. anticipates hard times the coming season. The winter set in with unusual severity, and ships, that were expecting to carry the produce of the Island to market, are frozen up in the harbor. If these ships fail to reach their destination, there can be no exchange in the country. The Banks, seeing this, refuse to discount, and thereby add to the embarrassment of the people.

SUDDEN DEATH.

Hon. Samuel H. Dale, who visited this city at the late railway celebration as Mayor of Bangor, died suddenly of apoplexy in his own residence on Sabbath last. When his wife returned from church, to her amazement she found him on the floor in the arms of death. He was in the 61st year of his age.

AYER'S AMERICAN ALMANAC, for the new year, has arrived for delivery gratis by the Druggists to all who call for it. It contains the startling announcement of the *conflagration of a world*, or the combustion of one of the stars in the firmament with all its attendant planets.

Florenceville, Dec. 4, 1871. T. M. MUNRO.

Persons who have become thoroughly chilled from any cause, may have their circulation at once restored by taking into the stomach a tea-spoonful of *Johnson's Anodyne Liniment* mixed in a little cold water well sweetened.

Every farmer who owns a good stock of horses, cattle and sheep, and intends to keep them through the winter, should get at once a good stock of *Sheridan's Cavalry Condition Powders.* One dollars worth will save at least a half ton of hay.

CONTINUED COLDS.—Numerous and severe are the diseases arising from exposure to our rigorous winter climate. The chest becomes sore and disordered, and serious coughs set in unless it receives some timely assistance. Dr. Wilson's Pulmonary Cherry Balsam is an irresistible remedy. When the lungs have an irregular action, the balsam must be freely taken, and it will soon exert its curative power This noble medicament mutually assists nature. All disorders springing from neglected colds, are thus speedily and safely checked, and freed from pain and danger by the work of this famous remedy.

Dr. Dow's Sturgeon Oil Liniment does not remove diseases by mechanical force, but by exerting a powerful chemical influence on the morbid part, effecting a change, and thereby restoring healthy action: and numerous are the instances in which it has been known to effect perfect and radical cures in obstinate diseases which resisted the action of all other pretended remedies.

Dr. Wilson in his Anti-bilious and Preserving Pills has undertaken the preparation of them with a view to supplying a want that is constantly felt for a domestic medicine at once safe, mild, efficacious, and free from any injurious or other debilitating after affects. Composed of entirely vegetable extracts, without a trace of mineral, they are confidently recommended as possessing all the properties of some of the official pills so much relied upon by the profession, and which are objectionable on account of containing calomel. In biliousness jaundice, bilious fever, and the like, these pills have proved effectual and reliable, acting mildly, but surely, on the bowels, producing bilious stools, and comporting as a general alterative.

Rheumatism is more common and distressing in this country than almost any other, and at the same time it may safely be asserted that it is as little understood and as unsuccessfully treated. Physicians are unable to cure it even on their own persons; yet such is the virtue of Dr. Dow's Sturgeon Oil Liniment that the most obstinate cases at once yield to its application.

This remarkable remedy, Clark's Derby Condition Powders, is as highly appreciated and as much sought after here as it was in the Old Country on its first introduction, many years since, when by its astonishing cures such excitement prevailed in the veterinary world. The same results follow its use here, and so long as it is made from such pure materials it will retain its supremacy and commend itself to the world as the best remedial agent the most rapid in its operation, the most reliable in its results. It will long be prised among all owners of horses as the matchless remedy.

WHEN the body and brain are well balanced, the stomach is capable of restoring the waste; but when the brain is large in proportion, the stomach is incapable of supplying it: in other words, the expenditure is too large for the income. Here lies the cause of so much suffering from Diseases of the Heart, Liver, Stomach and Lungs, which produced by taxing the Nervous System too severely; and Fellows' Compound Syrup of Hypophosphites is the only preparation known which imparts this vitality directly, and consequently the power to overcome disease.

PRICE & SON'S STANDARD MEDICINES.—Paincuremata," "Compound Elder and Alder Salve." Vegetable Pills, Columbia Bitters, are on sale by all dealers in Medicines as also is PRICE & SON'S MAGIC CEMENT.
