## THE BABY'S LAMENT.

O mother, dear mother, no wonder I cry;  
More wonder by far that your baby don't die;  
No matter what ails me, no matter who's here,  
No matter how hungry the "Poor little dear!"  
No matter if full or all out of breath,  
She trots me, and trots me, and trots me to death!

I love my dear nurse, but I dread that great knee;  
I like all her talk, but woe unto me!  
She can't be contented with talking so pretty,  
And washing, and dressing, and doing her duty;  
All that's very well; I can bear soap and water,  
But, mother, she is an unmerciful trotter!

Pretty ladies, I want just to look at your faces;  
Pretty lamp, pretty fire, let me see how it blazes;  
How can I, my heart going bobbity bob?  
And she trots me the harder, the harder I sob.  
O! mother, do stop her, I'm inwardly sore,  
I hiccup and cry, and she trots me the more.  
And talks about "wind," when 'tis she makes me  
ache;  
Wish 'twould blow her away, for poor baby's sake.

Thank goodness, I'm still; O blessed be quiet!  
I'm glad my dear mother is willing to try it;  
Of foolish old customs my mother's no lover,  
And the wisdom of this she can never discover;  
I'll rest me a while, and just look about,  
And laugh up at Sally, who peeps in and out,  
And pick up some notions as soon as I can,  
To fill my small noddle before I'm a man.

O dear, is that she, is she coming so soon!  
She's bringing my dinner with tea-cup and spoon;  
She'll hold me in one hand, in 'tother the cup,  
And as fast as it's down she'll just shake it up;  
And thumpity-thump, with the greatest delight,  
Her heel it is going from morning till night,  
All over the house you may hear it, I'm sure,  
Trot, trotting! just think what I'm doomed to endure!

## HOLLOWAY'S PILLS.

## THE EARL OF ALDBOROUGH CURED OF A LIVER AND STOMACH COMPLAINT.

Extract of a letter from His Lordship, dated Villa  
Messina, Leghorn, 21st February, 1845.

To Professor HOLLOWAY.  
SIR,—Various circumstances prevented the pos-  
sibility of my thanking you before this time for your  
politeness in sending me your Pills as you did. I  
now take this opportunity of sending you an order  
for the amount, and, at the same time, to add that  
your Pills have effected a cure of a disorder in my  
Liver and Stomach, which all the most eminent of  
the Faculty at home, and all over the Continent,  
had not been able to effect; nay, not even the wa-  
ters of Carlsbad and Marienbad. I wish to have  
another Box and a Pot of the Ointment, in case any  
of my family should ever require either.

Your most obliged and obedient Servant,  
(Signed) ALDBOROUGH.

## A CURE OF ASTHMA AND SHORTNESS OF BREATH.

Extract of a Letter from the Rev. David Williams,  
Resident Wesleyan Minister at Beaumaris, Island  
of Anglesea, North Wales, January 14th, 1845.

To Professor HOLLOWAY.  
SIR,—The Pills which I requested you to send  
me were for a poor man of the name of Hugh Dav-  
is, who before he took them, was almost unable to  
walk for the want of breath! and had only taken  
them a few days when he appeared quite another  
man; his breath is now easy and natural, and he  
is increasing daily in strength.

(Signed) DAVID WILLIAMS.

## A DISORDER OF THE CHEST.

Extract of a Letter from Mr. William Browne, of  
21 South Main street, Bandon, Ireland, dated  
March 2nd, 1847.

To Professor HOLLOWAY.  
SIR,—A young lady who was suffering from a dis-  
order of the chest, with her lungs so exceedingly  
delicate, that she had the greatest difficulty of breath-  
ing if she took a little cold, which was generally ac-  
companied by nearly total loss of appetite, together  
with such general debility of body as to oblige her  
to rest herself when going up but one flight of stairs;  
she commenced taking your Pills about 6 months  
since, and I am happy to inform you they have re-  
stored her to perfect health.

(Signed) WILLIAM BROWNE.

## DISORDER OF THE LIVER AND KIDNEYS

Extract of a Letter from Mr. J. K. Heyden, dated 78  
King street, Sydney, New South Wales, the 30th  
September, 1847.

To Professor HOLLOWAY.  
SIR,—I have the pleasure to inform you that  
Stuart A. Donaldson, Esq., an eminent Merchant  
and Agriculturist, and also a Magistrate of this  
Town, called on me on the 18th inst. and purchas-  
ed your medicines to the amount of FOURTEEN  
POUNDS to be forwarded to his Sheep Stations in  
New England. He stated that one of his Overseers  
had come to Sydney some time previously for medi-  
cal aid, his disorder being an affection of the Liver  
and Kidneys—that he had placed the man for three  
months under the care of one of the best Surgeons  
without any good resulting from the treatment: the  
man then in despair used your Pills and Ointment,  
and much to his own and Mr. Donaldson's astonish-  
ment, was completely restored to his health by their means.  
Now this surprising cure was effected in about ten  
days. (Signed) J. K. HEYDEN.

## A CASE OF DROPSY.

Extract of a Letter from Mr. William Gardner, of  
Hanging Houghton, Northamptonshire, dated ep-  
tember 14, 1846.

been tapped three times for the Dropsy, but by the  
blessing of God upon your pills, and her persever-  
ance in taking them, the water has now been kept  
off 18 months by their means, which is a great mercy.

DR. TOWNSEND'S  
SARSAPARILLA.Great Spring and Summer Medicine.  
WONDER AND BLESSING OF THE AGE.

This Extract is put up in Quart Bottles; it is six times  
cheaper, pleasanter, and warranted superior to any  
sold. It cures disease without vomiting, purg-  
ing, sickening, or debilitating the Patient.

The great beauty and superiority of this Sarsaparilla  
over all other medicines is, while it eradicates disease, it  
invigorates the body. It is one of the very best

SPRING AND SUMMER MEDICINES  
Ever known; it not only purifies the whole system and  
strengthens the person, but it creates new, pure and rich  
blood: a power possessed by no other medicine. And in  
this lies the grand secret of its wonderful success. It has  
performed within the last five years, more than 100,000  
cures of severe cases of disease; at least 15,000 were  
considered incurable. It has saved the lives of more  
than 5,000 children the two past seasons.

## 10,000 cases of General Debility and want of Nervous Energy.

Dr. Townsend's Sarsaparilla invigorates the whole sys-  
tem permanently. To those who have lost their muscu-  
lar energy by the effects of medicine or indiscretion com-  
mitted in youth, or the excessive indulgence of the pas-  
sions, and brought on by a physical prostration of the ner-  
vous system, lassitude, want of ambition, fainting sensa-  
tions, premature decay and decline, hastening towards  
that fatal disease, Consumption, can be entirely restored by  
this pleasant remedy. This Sarsaparilla is far superior  
to any

Invigorating Cordial.  
As it renews and invigorates the system, gives activity  
to the limbs, and strength to the muscular system, in a  
most extraordinary degree.

Consumption Cured.  
Cleanse and Strengthen. Consumption can be cured.  
Bronchitis, Consumption, Liver Complaint, Colds,  
Catarrh, Coughs, Asthma, Spitting of Blood,  
Soreness in the Chest, Hectic Flush, Night  
Sweats, Difficult or Profuse Expecto-  
ration, Pain in the Side, &c., have  
been and can be cured.

Spitting Blood.  
New York, April 28, 1847.

DR. TOWNSEND.—I verily believe your Sarsaparilla  
has been the means, through Providence, of saving my  
life. I have for several years had a bad Cough. It be-  
came worse and worse. At last I raised large quantities  
of blood, had night sweats, and was greatly debilitated  
and reduced, and did not expect to live. I have only  
used your Sarsaparilla a short time, and there has been a  
wonderful change wrought in me. I am now able to  
walk all over the city. I raise no blood and my cough  
has left me. You can well imagine that I am thankful for  
these results. Your obedient servant,  
WM. RUSSELL, 65 Catharine-st.

## Female Medicine.

Dr. Townsend's Sarsaparilla is a sovereign and speedy  
cure for incipient Consumption, Barrenness, Protrusion of  
the Uterus, or Falling of the Womb, Costiveness, Piles, Leucorrhoea,  
or Whites, obstructed or difficult Menstruation, Inconti-  
nence of Urine, or involuntary discharge thereof, and for  
the general prostration of the system—no matter whether  
the result of inherent cause or causes produced by irregu-  
larity, illness or accident. Nothing can be more surpris-  
ing than its invigorating effects on the human frame. Per-  
sons of all weakness and lassitude, from taking it at once  
become robust and full of energy under its influence. It  
immediately counteracts the nervousness of the female  
frame, which is the great cause of Barrenness. It will not  
be expected of us, in cases of so delicate a nature, to ex-  
hibit certificates of cures performed but we can assure the  
afflicted, that hundreds of cases have been reported to us.  
Thousands of cases where families have been without  
children, after using a few bottles of this invaluable medi-  
cine, have been blessed with fine, healthy offspring.

## To Mothers and Married Ladies.

This Extract of Sarsaparilla has been expressly pre-  
pared in reference to female complaints. No female who  
has reason to suppose she is approaching that critical pe-  
riod, "The turn of life," should neglect to take it, as  
it is a certain preventive for any of the numerous and  
horrible diseases to which females are subject at this  
time of life. This period may be delayed for several  
years by using this medicine. Nor is it less valuable  
for those who are approaching womanhood; as it is cal-  
culated to assist nature by quickening the blood and in-  
vigorating the system. Indeed, this medicine is invalua-  
ble for all the delicate diseases to which women are sub-  
ject.

It braces the whole system, renews permanently the  
natural energies, by removing the impurities of the body,  
not so far stimulating as to produce subsequent relaxation,  
which is the case of most medicines taken for female weak-  
ness and disease. By using a few bottles of this medicine,  
many severe and painful surgical operations may be  
prevented.

## Great blessing to Mothers and Children.

It is the safest and most effectual medicine for puri-  
fying the system, and relieving the sufferings attendant  
upon child-birth ever discovered. It strengthens both the  
mother and child, prevents pain and disease, increases  
and enriches the food, those who have used it think  
it indispensable. It is highly useful both before and  
after confinement, as it prevents diseases attendant upon  
child-birth—Leucorrhoea, Piles, Cramps, Swelling of the  
Feet, Dysentery, Heartburn, Vomiting, Pain in the  
Back and Loins, False Pains, Hemorrhage, and in regulat-  
ing the secretions and equalizing the circulation it has  
no equal. The great beauty of this medicine is, it is al-  
ways safe, and the most delicate use it most successfully,  
very few cases require any other medicine, in some a  
little Castor Oil, or Magnesia is useful. Exercise in the  
open air, and light food with this medicine, will always  
ensure a safe and easy confinement.

## Beauty and Health.

Cosmetics, Chalk, and a variety of preparations gen-  
erally in use, when applied to the face, very soon spoil it  
of its beauty. They close the pores of the skin and  
check the circulation, which, when nature is not thwarted  
by disease or powder, or the skin inflamed by the alkali-  
ties used in soaps, beautifies its own production in the  
"human face Divine," as well as in the garden of rich and  
delicately tinted and variegated flowers. A free, active  
and healthy circulation of the fluids or the coursing of  
the pure, rich blood to the extremities, is that which  
paints the countenance in the most exquisite beauty.  
It is that which imparts the indescribable shades and  
flushes of loveliness that all admire, but none can de-  
scribe. This beauty is the offspring of nature—not of  
powder or soap. If there is not a free and healthy cir-  
culation, there is no beauty. If the lady is fair as driven snow,  
if she paint, and use cosmetics, and the blood is thick,  
cold and impure, she is not beautiful. If she be brown  
or yellow, and there is pure and active blood, it gives  
a rich bloom to the cheeks, and a brilliancy to their eyes  
that is fascinating.

This is why the southern, and especially the Spanish  
ladies, are so much admired. Ladies in the north who take

but little exercise or are confined in close rooms, or have  
spoiled their complexion by the application of delecta-  
ous mixtures, if they wish to regain elasticity of step,  
buoyant spirits, sparkling eyes and beautiful complexions  
they should use Dr. Townsend's Sarsaparilla. Thou-  
sands who have tried it are more than satisfied, are delig-  
ed. Ladies of every station crowd our office daily.

## Notice to the Ladies.

Those that initiate Dr. Townsend's Sarsaparilla, have  
invariably called their stuff a great Remedy for Females,  
&c., &c., and have copied our bills and circulars which  
relates to the complaints of women, word for word—other  
men who put up medicine, have, since the great success  
of Dr. Townsend's Sarsaparilla in complaints incident to  
females, recommended theirs although previously they did  
not. A number of these mixtures, Pills, &c., are inju-  
rious to females, as they aggravate disease, and under-  
mine the constitution. Dr. Townsend's is the only and  
best remedy for the numerous female complaints—it  
rarely, if ever fails of effecting a permanent cure. It  
can be taken by the most delicate females, in any case,  
or by those expecting to become mothers, with the  
greatest advantages, as it prepares the system and  
prevents pain or danger, and strengthens both mother  
and child. Be careful to get the genuine.

## Scrofula Cured.

This certificate conclusively proves that this Sarsapa-  
rilla has perfect control over the most obstinate diseases of  
the Blood. Three persons cured in one house is unprece-  
dented.

## Three Children.

Dr. Townsend—Dear Sir: I have the pleasure to in-  
form you that three of my children have been cured of the  
Scrofula by the use of your excellent medicine. They  
were afflicted very severely with bad sores; have taken  
four bottles; it took them away for which I feel myself  
under great obligation.

Yours, respectfully,  
ISAAC W. CHAIN, 100 Wooster-st.

## Opinions of Physicians.

Dr. Townsend is almost daily receiving orders from  
Physicians in different parts of the Union.

This is to certify that we, the undersigned, Physicians  
of the City of Albany, have in numerous cases prescribed  
Dr. Townsend's Sarsaparilla, and believe it to be one  
of the most valuable preparations in the market.

## CAUTION.

Owing to the great success and immense sale of Dr.  
Townsend's Sarsaparilla, a number of men who were  
formerly our Agents, have commenced making Sarsaparilla  
Extracts, Elixirs, Bitters, Extracts of Yellow Dock, &c.  
They generally put it up in the same shaped bottles,  
and some of them have stolen and copied our advertise-  
ments, they are only worthless imitations, and should  
be avoided.
