### History of the Baptist Denomination in America and other parts of the World.

BY **DAVID BENEDICT.**

This Work, the result of twenty-five years' labor on the part of the author, is the only complete history of the Denomination ever published. It consists of three general divisions, viz:  
1. FOREIGN BAPTIST.  
2. BAPTIST AUTHORS.  
3. AMERICAN BAPTISTS.  
It contains about 1,000 royal octavo pages of closely printed matter, and is embellished with fine steel Engravings.

**RECOMMENDATIONS.**—From William R. Williams, D. D. The new edition of the history of the Baptists, by the Rev. Mr. Benedict, is, to a great extent, independent of his earlier volumes, and seems to the subscriber a work of much value. He has made large extracts from the history of the Mennonite Martyrs. From the great variety of the work which furnished these, the extracts will, to our churches, have, besides their own great intrinsic interest, the additional charm of novelty. As to the Baptists of the United States, he has with laborious fidelity compiled a mass of historical and statistic intelligence, no where else to be found; and which would, in the judgment of the subscriber, make his volume almost indispensable to every one of our Pastors, and abundantly deserving of the patronage and study of our churches.

### HOLLOWAY'S OINTMENT.

**CURE OF ULCERS WHERE THERE EXISTED DISEASED BONE.**

Extract of a Letter from Mr. James Wetmore, Hampton, New Brunswick, dated Feb. 10, 1847.  
To Messrs. Peters & Tilley,

GENTLEMEN—I feel it is but due to Professor Holloway to inform you, as his Agents for this Province, of a remarkable cure performed upon my son. He had been afflicted with ulcers on his limbs and body for more than three years, from which small pieces of bone had been removed. I tried several medical men in St. John, but all to no purpose. I was then induced to try Holloway's Pills and Ointment, which made a complete cure; several months have since elapsed, but there is not the slightest appearance of the cure not being the most complete.  
[Signed] **JAMES WETMORE.**

**CURE OF A BAD LEG OF 30 YEARS STANDING.**

June 7, 1847.

"I, George Bourne, Butcher, of Stockton-upon-Tees, do hereby certify that my wife had a bad leg for thirty years, by the bursting of a vein, her sufferings were intense, she had been under the care of most of the eminent medical men in the neighbourhood, but to no purpose, and was afterwards perfectly cured in eight weeks by Holloway's Pills and Ointment." [Signed] **GEORGE BOURNE.**

**THE TESTIMONY OF A PHYSICIAN IN THE CURE OF SKIN DISEASES.**

Copy of a letter from W. E. Powell, M. D., 16, Blessington Street, Dublin, dated Feb. 9, 1847.  
To Professor Holloway.

DEAR SIR—Having devoted my attention for some years to cutaneous or skin diseases, I think it but right to inform you that I have in various cases recommended the use of your Pills and Ointment, and invariably found them to have the most perfect effect in removing those diseases.  
[Signed] **W. E. POWELL, M. D.**

The "Moffattite" Newspaper, published at Meerat has, on the 15th October, 1847, copied an article from the "Benares Recorder," of which the following is an extract:—

"The Prince of Maharajah Bissonath Singh, who was temporarily residing at Chittercote, was suddenly taken ill with Spasmodic Colic, and during his illness his Highness often asked for Holloway's Pill and Ointment, as he had heard much of their virtues, but none could be obtained in the neighbourhood, and Professor Holloway, no doubt, unfortunately loses a certificate which would have graced and dignified his list of cures."

The native Princes are now using Holloway's celebrated Pills and Ointment, in preference to every other medicine, they being so wonderfully efficacious in the cure of diseases in India.

### CURES OF FISTULOUS SORES AND PLEURISY.

Extract of a Letter from Mr. Robert Calvert, Chemist, Stokesley, dated Sept. 3, 1847.  
To Professor Holloway.

SIR—Mr. Thompson, National Schoolmaster of this town, desires me to send you the particulars of his son, who had been bad for three years and a half, and has received the greatest benefit by the use of your Pills and Ointment. He is of a scrofulous constitution: a pleurisy had left a large collection of matter in the chest; this eventually formed a passage through the walls of the chest, and ended in three fistulous sores, which discharged large quantities of pus, when he was induced to try your Pills and Ointment, at this date he was apparently in a dying condition—the stomach rejected every thing it took. Your Pills and Ointment had the effect of completely curing both the cough and stomach affections; his strength and flesh are also restored, his appetite keen, and digestion good.—There is every prospect that a little further continuance of your medicines will finish the cure.  
[Signed] **ROBERT CALVERT.**

The Pills should be used conjointly with the Ointment in most of the following cases:—Bad legs, bad breasts, burns, bunions, bite of Moschetoes and Sand-flies, Coco-bay, Chiego-foot, chilblains, chapped hands, corns (soft), cancers, contracted and stiff joints, elephantiasis, fistulas, gout, glandular swellings, lumbago, piles, rheumatism, scalds, sore hip ples, sore throats, skin diseases, scurvy, sore heads, tumours, ulcers, wounds, yaws.

Sold at the Establishment of Professor Holloway, 244, Strand, (near Temple Bar,) London, and by most all respectable Druggists, and Dealers in Medicines throughout the civilized world, at the following prices:—1s. 1jd., 2s. 9d., 4s. 6d., 11s. 2s., and 33s. each Box. There is a considerable saving by taking the larger sizes.

N.B.—Directions for the guidance of Patients in every Disorder are affixed to each Box.

Sold by S. L. TILLEY, late Peters & Tilley Provincial Agents, No. 2, King-Street, St. John, N. B.; James F. Gale, Fredericton; W. T. Baird Woodstock; Alex. Lockhart, Quaco; James Beck, Bend Pelitcodiac; O. R. Sayre, Dorchester; John Bell, Shediac; John Lewis, Hillsborough; John Curry, Canning; and James L. White, Bellefleur.
