HOLLOWAY'S PILLS.

THE EARL OF ALDBOROUGH CURED OF A LIVER AND STOMACH COMPLAINT.

Extract of a letter from His Lordship, dated Villa Messina, Leghorn, 21st February, 1845.

To Professor HOLLOWAY.

SIR,—Various circumstances prevented the possibility of my thanking you before this time for your politeness in sending me your Pills as you did. I now take this opportunity of sending you an order for the amount, and, at the same time, to add that your Pills have effected a cure of a disorder in my Liver and Stomach, which all the most eminent of the Faculty at home, and all over the Continent, had not been able to effect; nay, not even the waters of Carlsbad and Marienbad. I wish to have another Box and a Pot of the Ointment, in case any of my family should ever require either.

Your most obliged and obedient Servant, (Signed) ALDBOROUGH.

A CURE OF ASTHMA AND SHORTNESS OF BREATH.

Extract of a Letter from the Rev. David Williams, Resident Wesleyan Minister at Beauvoir, Island of Anglesea, North Wales, January 14th, 1845.

To Professor HOLLOWAY.

SIR,—The Pills which I requested you to send me were for a poor man of the name of Hugh Davis, who before he took them, was almost unable to walk for the want of breath; and had only taken them a few days when he appeared quite another man; his breath is now easy and natural, and he is increasing daily in strength.

(Signed) DAVID WILLIAMS.

A DISORDER OF THE CHEST.

Extract of a Letter from Mr. William Browne, of 21 South Main Street, Brandon, Ireland, dated March 2nd, 1847.

To Professor HOLLOWAY.

SIR,—A young lady who was suffering from a disorder of the chest, with her lungs so exceedingly delicate, that she had the greatest difficulty of breathing if she took a little cold, which was generally accompanied by nearly total loss of appetite, together with such general debility of body as to oblige her to rest herself when going up but one flight of stairs; she commenced taking your Pills about 6 months since, and I am happy to inform you they have restored her to perfect health.

(Signed) WILLIAM BROWNE.

DISORDER OF THE LIVER AND KIDNEYS.

Extract of a Letter from Mr. J. K. Heyden, dated 78, King Street, Sydney, New South Wales, the 30th September, 1847.

To Professor HOLLOWAY.

SIR,—I have the pleasure to inform you that, Stuart A. Donaldson, Esq., an eminent Merchant and Agriculturalist, and also a Magistrate of this Town, called on me on the 18th inst., and purchased your medicines to the amount of FOURTEEN POUNDS to be forwarded to his Sheep Stations in New England. He stated that one of his Overseers had come to Sydney some time previously for medical aid, his disorder being an affection of the Liver and Kidneys—that he had placed the man for three months under the care of one of the best Surgeons, without any good resulting from the treatment; the man then in despair used your Pills and Ointment, and much to his own and Mr. Donaldson's astonishment, was completely restored to his health by their means. Now this surprising cure was effected in about ten days.

(signed) J. K. HEYDEN.

A CASE OF DROPSY.

Extract of a Letter from Mr. William Gardner, of Hanging Houghton, Northamptonshire, dated September 14, 1847.

To Professor HOLLOWAY.

SIR,—I before informed you that my wife had been tapped three times for the Dropsy, but by the blessing of God upon your pills, and her perseverance in taking them, the water has now been kept off 18 months by their means, which is a great mercy.

(Signed) WILLIAM GARDNER.
