DR. TOWNSEND'S

COMPOUND EXTRACT OF

SARSAPARILLA.

Great Spring and Summer Medicine.

WONDER AND BLESSING OF THE AGE.

This Extract is put up in Quart Bottles; it is six times

cheaper, purgative, and warranted superior to any

other.

It cures disease without vomiting, pur-

ging, sickening or debilitating the Patient.

The great beauty and superiority of this Sarsaparilla

over all other medicines is, while it eradicates disease, it

invigorates the body. It is one of the very best

SPRING AND SUMMER MEDICINES

Ever known; it not only purifies the whole system and

strengthens the person, but it creates new, pure and rich

blood: a power possessed by no other medicine. (And in

this lies the grand secret of its wonderful success. It has

performed within the last five years, more than 100,000

cures of severe cases of disease; at least 15,000 were

considered incurable. It has saved the lives of more

than 5,000 children the two past seasons.

10,000 cases of General Debility and want

of Nervous Energy.

Dr. Townsend's Sarsaparilla invigorates the whole sys-

tem permanently. To those who have lost their muscular

energy by the effects of medicine or indiscretion com-

mitted in youth, or the excessive indulgence of the pas-

sions, and brought on by a physical prostration of the ner-

vous system, lassitude, want of ambition, fainting sensa-

tions, premature decay and decline, hastening towards

that fatal disease, Consumption, can be entirely restored by

this pleasant remedy. This Sarsaparilla is far superior

to any

Invigorating Cordial.

As it renews and invigorates
