### A CARD.

The Proprietors in introducing this establishment to the notice of the Clergy, Gentry, and the Public of Saint John and the Province of New Brunswick, feel that they have removed an inconvenience long and greatly felt in this part of America, namely, the want of a CLOTHING ESTABLISHMENT sufficiently extensive to meet the varied taste and wants of an opulent and respectable community. It has often been justly remarked that St. John, notwithstanding its increasing population and advancement in almost every branch of business, was far behind other cities and towns in America, in FASHIONABLE TAILORING, and Ready Made Clothing Establishments; and that to such an extent was this deficiency felt that a great number of Gentlemen, who, although anxious to encourage trade at home, were obliged to send to the Old Country in order to get fashionable well-made Clothes, which in Saint John were difficult to obtain. Under these circumstances, the Proprietors have been encouraged to commence this business, and have spared neither labour nor expense to make their establishment, in every department, commensurate with the want of the public, and worthy of their support, which shall be their constant study to merit.

The system upon which we conduct our business is exclusively, for Ready Money, being the only system upon which any establishment can offer decided advantages to the public; the truth of which is becoming more apparent every day.

The people will find the best means have been devised for promptly fulfilling their Orders—the people to pay for no more cloth than they consume. The earliest Fashions, the newest patterns, the best Workmen, the finest Fabrics, and most finished Modistes.

### HOLLOWAY'S PILLS.

THE EARL OF ALDBOROUGH CURED OF A LIVER AND STOMACH COMPLAINT.

Extract of a letter from His Lordship, dated Villa Messina, Leghorn, 21st February, 1845.

To Professor HOLLOWAY.

SIR,—Various circumstances prevented the possibility of my thanking you before this time for your politeness in sending me your Pills as you did. I now take this opportunity of sending you an order for the amount, and, at the same time, to add that your Pills have effected a cure of a disorder in my Liver and Stomach, which all the most eminent of the Faculty at home, and all over the Continent, had not been able to effect; nay, not even the waters of Carlsbad and Marienbad. I wish to have another Box and a Pot of the Ointment, in case any of my family should ever require either.

Your most obliged and obedient Servant,

(Signed) ALDBOROUGH.

A CURE OF ASTHMA AND SHORTNESS OF BREATH.

Extract of a Letter from the Rev. David Williams,

Resident Wesleyan Minister at Beaumaris, Island of Anglesea, North Wales, January 14th, 1845.

To Professor HOLLOWAY.

SIR,—The Pills which I requested you to send me were for a poor man of the name of Hugh Davis, who before he took them, was almost unable to walk for the want of breath; and had only taken them a few days when he appeared quite another man; his breath is now easy and natural, and he is increasing daily in strength.

(Signed) DAVID WILLIAMS.

A DISORDER OF THE CHEST.

Extract of a Letter from Mr. William Browne, of

21 South Main Street, Bandon, Ireland, dated March 2nd, 1847.

To Professor HOLLOWAY.

SIR,—A young lady who was suffering from a disorder of the chest, with her lungs so exceedingly delicate, that she had the greatest difficulty of breathing if she took a little cold, which was generally accompanied by nearly total loss of appetite, together with such general debility of body as to oblige her to rest herself when going up but one flight of stairs; she commenced taking your Pills about 6 months since, and I am happy to inform you they have restored her to perfect health.

(Signed) WILLIAM BROWNE.

DISORDER OF THE LIVER AND KIDNEYS.

Extract of a Letter from Mr. J. K. Heyden, dated 78,

King Street, Sydney, New South Wales, the 30th September, 1847.

To Professor HOLLOWAY.

SIR,—I have the pleasure to inform you that, Stuart A. Donaldson, Esq., an eminent Merchant and Agriculturist, and also a Magistrate of this Town, called on me on the 18th inst., and purchased your medicines to the amount of FOURTEEN POUNDS to be forwarded to his Sheep Stations in New England. He stated that one of his Overseers had come to Sydney some time previously for medical aid, his disorder being an affection of the Liver and Kidneys—that he had placed the man for three months under the care of one of the best Surgeons, without any good resulting from the treatment; the man then in despair used your Pills and Ointment, and much to his own and Mr. Donaldson's astonishment, was completely restored to his health by their means. Now this surprising cure was effected in about ten days.

(Signed) J. K. HEYDEN.

A CASE OF DROPSY.

Extract of a Letter from Mr. William Gardner, of

Hanging Houghton, Northamptonshire, dated September 14, 1846.

To Professor HOLLOWAY.

SIR,—I before informed you that my wife had been tapped three times for the Dropsy, but by the blessing of God upon your pills, and her perseverance in taking them, the water has now been kept off 18 months by their means, which is a great mercy.

(Signed) WILLIAM GARDNER.

### History of the Baptist Denomination in America and other parts of the World.

BY DAVID BENEDICT.

This Work, the result of twenty-five years' labor on the part of the author, is the only complete history of the Denomination ever published. It consists of three general divisions, viz.:

1. FOREIGN-BAPTIST.

2. BAPTIST AUTHORS.

3. AMERICAN BAPTISTS.

It contains about 1,000 royal octavo pages of closely printed matter, and is embellished with fine steel Engravings.

RECOMMENDATIONS.—From William R. Williams, D. D. The new edition of the history of the Baptists, by the Rev. Mr. Benedict, is, to a great extent, independent of his earlier volumes, and seems to the subscriber a work of much value. He has made large extracts from the history of the Mennonite Martyrs. From the great variety of the work which furnished these, the extracts will, to our churches, have, besides their own great intrinsic interest, the additional charm of novelty. As to the Baptists of the United States, he has with laborious fidelity compiled a mass of historical and statistic intelligence, no where else to be found; and which would, in the judgment of the subscriber, make his volume almost indispensable to every one of our Pastors, and abundantly deserving of the patronage and study of our churches.

WILLIAM R. WILLIAMS.

New York, Feb. 17th, 1848.

From Spencer H. Cone, D. D. From an examination of the work, I cordially unite in the above commendation of Benedict's History of the Baptists.

THE BAPTIST LIBRARY.

A RE-PUBLICATION OF STANDARD BAPTIST WORKS, edited by C. G. Somers, W. R. Williams, and L. L. Hill. One vol., royal octavo, bound in uniform style with the History, and consisting of over 1,300 pages.

"The Library is a deservedly popular work; for it is a choice selection from pious and talented productions. The writings of such men need no encomium. Most of them have long been favourably known. They have stood the test of time. It contains some rare and costly works; some of them are little known, yet highly prized by all who have enjoyed the privilege of perusing them. All will see that the Library renders many good works accessible to thousands, who were before debarred this luxury. Here the humblest Christian may, if he chooses, secure standard authors for a trifle; and bless himself with a fund of useful reading, unsurpassed by any similar compilation in christendom. We cordially appropriate this publication. It merits a liberal patronage."
