And the more we observe in nature, and the more we turn over the subject in our minds, the more does instance upon instance of relation present itself, that "the mind's the standard of the man."

#### Compound Fluid Extract of Sarsaparilla.

A NEW and the most valuable Extract introduced, which is put up in Quart Bottles, is cheaper, more pleasant, and warranted superior to any sold. It is prepared from the best

HONDURAS SARSAPARILLA ROOT combined with Yellow Dock and other valuable productions, which from their purifying effects on the Blood render it the best

Spring and Summer Medicine

in the World, purifying and cleansing, giving tone and strength to the whole system.

This Extract is the result of numerous experiments; and the Proprietors feel confident that they have arrived at that perfection in preparing it to which no other manufacturer has yet attained. Every person has heard of Sarsaparilla. All have heard of its uses. And many Physicians in this City are conscious of the fact that our Extract is far superior to those sold under the names of Townsend's, Sands, Bristol's, Brown's, or Bull's Sarsaparilla, inasmuch as it contains other prime remedies besides those used by the above named parties, is stronger, contains nothing but Vegetable productions, and is prepared without spicing, which causes it to retain all the volatile and active properties.

Encourage home manufacture.

We pledge our reputation on the truth of what we here state, that we believe it better in every sense than any other Extract of Sarsaparilla ever introduced.

Scrofulous diseases, Cutaneous Eruptions, Rheumatic Affections, Syphilitic disorders, Liver Complaints, Dyspepsia, Lung and Bronchial Affections, all diseases arising from the injudicious use of mercury, impure state of the Blood or habit of the system, are some of the many diseases which are cured by the use of this SARSAPARILLA.
