

well, with large parties, are on the route between Saint John and the American boundary, and Mr. Campbell and Mr. Munro between Suediac and Miramichi. We understand that the latter route is pronounced to be extremely favorable.—*Morning News.*

Mr. JACKSON has concluded a contract with the Canadian Government, as we learn from the Sherbrooke Gazette, for building the grand Railroad from Montreal to Kingston. The Government guarantee to take stock to the amount of £3,000 sterling per mile. There is great rejoicing all along the line in consequence.—*Id.*

**THE FALL BUSINESS.**—If we may judge by the appearance of the Treasury Department in this City, and by the bustle of our streets and wharves, we may safely say that there never was such a fall business done in St. John since it has been a city. We would not be surprised if the revenue this year amounts to £139,000—or £40,000 more than that of last year.—*Id.*

**INQUEST.**—On Thursday the 14th inst., an Inquest was held before Dr. W. Bayard, Coroner, on view of the body of Mr. Jonathan G. Harding, Cabinet-maker, of Fredericton, found drowned the preceding evening in Lovett's Slip. A verdict was returned accordingly.

**Receipt for a Happy Home.**—Six things, says Hamilton, are requisite to create a "happy home." Integrity must be the architect, and tidiness the upholsterer. It must be warmed by affection, and lighted up with cheerfulness; and industry must be the ventilator, renewing the atmosphere and bringing in fresh salubrity day by day; while over all as a canopy and glory, nothing will suffice except the blessing of God.

#### OBITUARY.

Died at Elgin, A. Co., Sept. 12th, after a lingering illness, Mr. Robert Stiles, sen., aged 62 years, leaving a large family besides a numerous circle of relatives and friends to mourn their loss. Mr. S. was a member of the Baptist Church for about forty years. He suffered much during his last illness [his complaint being consumption] but he left evidence of having exchanged the sorrows of this world for the joys of that which is to come. The occasion of his interment was improved on Monday the 13th, by Elder TITUS STONE, who addressed a large and attentive audience at the Baptist Meeting House in Elgin, from the following words, "And he said to me, these are they which came out of great tribulation, and have washed their robes and made them white in the blood of the Lamb." Rev. vii. 14. "The speaker gave a distinct description of the nature of the 'tribulation' through which the children of God have to pass in this life, and of the necessity of faith in the efficacy of the blood of the Lamb, in order to the enjoyment of life everlasting. He was listened to with solemn attention, and we trust the effects produced on the minds of those present will not soon be forgotten."  
Elgin, 15th Sept. 1852.

Mrs. Martha Barnes was born at Sackville in the year 1813. In childhood she was remarkable for accuracy of thought and the adaptation of means for the accomplishment of her designs, accompanied by an amiable disposition. At the age of nineteen years she became the wife of Mr. W. Barnes, was pleasantly situated, and enjoyed all the comforts of a peaceful home, vital piety the only thing needed to make them one of the happiest of families, and that they were, soon to enjoy. The Lord had designed her to occupy an honorable position in his Church, and to be an instrument in the advancement of his cause. Having been brought to bow to the sceptre of the Saviour, she was baptized by the Rev. Joseph Crandall, in August, 1842, and became a member of the second Baptist Church at Sackville, where she enjoyed

uninterrupted fellowship until her death. She was ready to every good word and work, and believed it a privilege to honour God with her substance. Her house was a home for all that loved the Saviour, and she thought no labour too hard to make them happy. She was made a signal blessing to her husband, as through her instrumentality in part at least he was brought to acknowledge the Lord Jesus as his Saviour. At the time of my first acquaintance with her, it was evident that an incurable disease had fastened its grasp upon her, under which she laboured for several months, and then without a struggle or a groan she yielded up her spirit to Him who said "If I go and prepare a place for you I will come again and receive you to myself." During her illness, she enjoyed much of the divine presence, and was enabled to give her husband and children into the hand of God, who had supported her thro' the vicissitudes of life. She died on Wednesday October 6th, aged thirty-nine years.—"Blessed are the dead that die in the Lord from henceforth; yea, saith the spirit, that they may rest from their labours, and their works do follow them."
