

HEAVY STORM TO THE WESTWARD.—A despatch to the News Room states that a severe storm was experienced in the United States on Monday and Tuesday last. At Boston, snow fell to the depth of over twelve inches. The walls of the Tremont Temple were blown down on Monday evening, with a tremendous crash.

The Youth's Temperance Convention was held on the 24th, at Metropolitan Hall. About a thousand boys were present, about a dozen of whom delivered temperance addresses in competition for prizes.—*N. Y. paper.*

CIVIC ELECTIONS.

We copy the following details of the election from the *Church Witness*:—

In *King's Ward*—John M. Walker, Esq., was elected Alderman, and Mr. James S. Ballentine, Councillor.—In *Queen's Ward*—William O. Smith, Esq., was elected Alderman without opposition, and Mr. George V. N. Win, Councillor.—In *Duke's Ward*—John Johnston, Esq., was elected Alderman, and Mr. Joseph Stephenson, Councillor.—In *Sydney Ward*—Gregory Vanhorne was elected Alderman, and Mr. Thomas McAvity, Councillor, without opposition.—In *Guy's Ward*—J. C. Littlehale was elected Alderman, in the room of J. O. Dunham, Esq., resigned; and Mr. James Olive, 3d, Councillor.—In *Brook's Ward*—Joseph Beateay, Esq., was elected Alderman without opposition, and Mr. Joseph Coram, Councillor.

The Common Council met in the evening for the purpose of receiving the returns of the Election Commissioners, when it appeared that the return for King's Ward was not made in strict compliance with the law, inasmuch as the affidavits of the qualifications of certain of the Candidates were not affixed to it. Mr. Needham, in a neat speech, waived any right he might have from this circumstance, and expressed his determination to abide by the result of the election, although, in his opinion, the whole proceeding was illegal. Mr. Needham then proposed Thomas Merritt, Esq., as Chamberlain of the City for the ensuing year, and in doing so passed a deservedly high eulogium on the business qualifications of that gentleman; it was seconded by Alderman Vanhorne, and unanimously carried. A number of additional Constables were appointed for the several Wards, and the Board adjourned.

The new Board will be sworn in on the third Tuesday in the present month, and the Mayor will be elected on the first Tuesday in May next.

Kossuth arrived at New Orleans on the 27th ult. There were no preparations made for his reception, and scarcely any excitement was manifested in the city.

MUNICIPAL ELECTIONS AT FREDERICTON.—These elections took place on the 29th ult., when the following returns were made:—

WELLINGTON WARD.—John L. Marsh and A. McCausland, Councillors. Thomas L. Simmons, Assessor.
ST. ANN'S WARD.—W. D. Hart and James S. Beek, Councillors. Thos. R. Robertson, Assessor.
CARLETON WARD.—Alexander Mitchell and Francis M'Manus, Councillors. William Moreau, Assessor.
QUEEN'S WARD.—Robert Gowan and John M'Intosh, Councillors. Hugh Moore, Assessor.
KING'S WARD.—Alexander Black and Andrew Ritchie, Councillors. John Flemming, Assessor.

We have so often expressed our opinion on the system of Vote by Ballot as now successfully working in this City, that it is needless for us to say more on the present occasion than that we view it as a great boon. The recent Elections were conducted in the most orderly manner. In St. Anne's Ward, where there was an active canvass and where the largest number of votes were polled the greatest regularity and decorum prevailed throughout the whole day. Messrs. Beek and Hart addressed the meeting at the close—the former gentlemen, referring to the quiet manner in which the Election had been conducted, and the good feeling that prevailed, expressed the hope that the members of the Legislature who had visited the polls during the day would be so favorably impressed with the new mode of Election as at once to introduce a measure applicable to the whole Province embracing Vote by Ballot. We hope so too.—*Fred. Reporter.*

CONVENTION MINUTES.

Individuals are writing to us again for Convention Minutes. They have not as yet reached St. John, and we do not know their whereabouts, except they be some-where near or at Moncton.

We see that several of the Domestic Missionary Boards have not withdrawn their monies from the hands of the Treasurer, S. Hersey, Esq., where it has been ready for them for six months past. What says Norton and Westmorland? Do they want it?

LETTERS RECEIVED.—Mr. H. E. Seelye, with remittance; Mr. G. White, do.; Rev. E. F. Foshay, do.; Rev. J. Walker, do.; Mr. James Ayer, do.; Curtis & Perkins, do.; Rev. J. Trimble, do.; Mr. John Cristy, do.; Mr. S. H. Green; Mr. George McCready; Asa Dow, Esq.

OBITUARY.

Departed this life, on the 28th ult., JAMES MARCHBANKS, of the Parish of Upham, second son of Mr. Adam Marchbanks, in the twenty-third year of his age. Br. James had been for some years a professor of religion, and his greatest delight at all times seemed to be to talk of the love of God to man, and to adorn his Christian profession by walking in all God's ordinances and commandments. Br. James was very patient during many months of sickness, and his end was emphatically peace. Being requested by the friends of the deceased to visit him, and to be with him at his death, I left St. Martins on the 27th ult., in company with a number of others, who wished to see him once more before he died and to bid him farewell. We found him very low, but happy in the Lord Jesus Christ. He talked to us all in regard to the crown which God had laid up in hea-

ven for him, and said he longed to depart to be with Christ. On the Sabbath morning, 28th ult., about 11 o'clock, he left the shores of mortality to enter into that region of light and glory which our blessed Lord has gone to prepare for all that love him and follow him in the regeneration.—I attended his funeral on the 30th ult., and preached his funeral sermon at the residence of his father, to a large and very attentive audience. The sermon was followed by an appropriate address from Bro. A. Smith, which address was also followed by a heartsearching appeal to the throne of the heavenly grace by a Methodist Brother, that God would search all our hearts, and prepare us by his grace to serve Him here, and to meet our departed brother ultimately in glory.

Compound Fluid Extract of Sarsaparilla.

A NEW and the most valuable Extract introduced, which is put up in Quart Bottles, is cheaper, more pleasant, and warranted superior to any sold. It is prepared from the best

HONDURAS SARSAPARILLA ROOT, combined with Yellow Dock and other valuable productions, which from their purifying effects on the Blood render it the best

Spring and Summer Medicine

in the World, purifying and cleansing, giving tone and strength to the whole system.

This Extract is the result of numerous experiments, and the Proprietors feel confident that they have arrived at that perfection in preparing it to which no other manufacturer has yet attained. Every person has heard of Sarsaparilla. All have heard of its uses.—And many Physicians in this City are conscious of the fact that our Extract is far superior to those sold under the names of "Townsend's, Saps, Bristol's, Brown's, or Bull's Sarsaparilla, inasmuch as it contains other prime remedies besides those used by the above named parties, is stronger, contains nothing but Vegetable productions, and is prepared without boiling, which causes it to retain all the volatile and active properties.

Encourage home manufacture.

We pledge our reputation on the truth of what we here state, that we believe it better in every sense than any other Extract of Sarsaparilla ever introduced.

Serofulous diseases, Cutaneous Eruptions, Rheumatic Affections, Syphilitic disorders, Liver Complaints, Dyspepsia, Long and Bronchial Affections, all diseases arising from the injudicious use of mercury, impure state of the Blood or habit of the system, are some of the many diseases which are cured by the use of this SARSAPARILLA.
