## A CARD.

MRS. WINSLOW TO THE LADIES.  
Mrs. Winslow an old and experienced nurse and Female Physician, would call the attention of the Ladies to her Soothing Syrup for Children teething. It will immediately relieve them from pain, allay all spasmodic action, soften the gums, reduce inflammation, and is sure to regulate the bowels. Depend upon it Mothers, it will give rest to yourselves and relief and health to your children.  
Price 25 cents per bottle.

We have sold very large quantities of Mrs. Winslow's Soothing Syrup during the past six years, several thousand, and the last year. We believe it the best medicine in the world for Children teething or for the cure of Dysentery and Diarrhea in Children whether it arises from teething or any other cause. It gives universal satisfaction; never heard a complaint from any one using it—never sold a medicine so universally successful in relieving pain and effecting cures—relief is ABSOLUTELY SURE.

## CRAMP AND PAIN KILLER.

THE World is astonished at the wonderful cures performed by the CRAMP AND PAIN KILLER prepared by CURTIS & PERKINS. Its equal has never been known for removing pain in all cases; for the cure of spinal complaints, cramp in the limbs and stomach, rheumatism in all its forms, bilious colic, burns, sore throat, and gravel, is decidedly the best remedy in the world. For particulars, see circulars in the hands of Agents, for gratuitous circulation.

For sale by Agents in New Brunswick & Nova Scotia.

## WORMS! WORMS!

Various theories have been started relative to the origin of intestinal worms, and yet the question is still a vexed one among medical authorities. Of one fact, however, all are informed, and in which all agree—the fatal nature of the influence they exert on children. At this season of the year, the attacks of worms are most frequent as well as most dangerous. We take great pleasure in directing the attention of parents to the Vermifuge of Dr. McLane. It is one of the most extraordinary medicines ever introduced to the public, and has never failed of success when tried.

Purchasers will please be careful to ask for Dr. McLane's Vermifuge, and take none else. All other Vermifuges, in comparison, are worthless. Dr. McLane's genuine Vermifuge, also his celebrated Liver Pills, can now be had at all respectable Drug Stores in the United States and British Provinces.

Sold in St. John by CHALONER & HUNT and T. WALKER & SON.

## Mexican Mustang Liniment.

The reputation of this preparation is increasing daily: the circle of its influence and unbounded popularity is deepening and widening; and the cases of pain, and suffering, and anguish, relieved by its use, are multiplying and increasing beyond all precedent. It goes like an angel, "with healing on its wings."

To persons who wish, we can furnish names and residences of persons all over the country, who have been cured of Rheumatism, Sprains, Bruises, and the most loathsome Sores; as well as Tumors, Cancers and Wens—and of

horses that have been cured of Spavins, Ringbones, Splint, Fistulas and Poll-evils, hard and bony Tumors on the feet, legs, shoulders and back. Almost every farmer throughout the country can testify to its wonderful healing powers—and none of them would be a day without it. Owners of lively stables and stage companies can save hundreds of dollars yearly by using this Liniment on their horses whenever they become galled, chafed or crippled from any of the thousand accidents to which their stock is subject.

## NOTICE.

MR. JOHN NELSON, DAGUERRETYPE ARTIST, would respectfully announce to the

inhabitants of the City of St. John, that he has leased the entire flat of the building situate on the corner of Prince William and Duke Streets, and adjoining the Custom House. The premises have been fitted up under the immediate direction of Mr. N., at great expense. The Operating Room is constructed upon the latest and most approved principle, with sky lights so arranged as to throw the rays at an angle of forty-five degrees, thus giving the true angles of light and shade, and without which it is impossible to procure a durable or perfect Likeness. Mr. Nelson has no hesitation in saying that he has procured a Camera, which for size and finish is not equalled by any in the Province, and with which he is satisfied he can produce the fac simile of the human face in a degree of perfection heretofore unattained. The public generally are invited to call and examine the specimens now exhibiting, and judge for themselves.—To afford an opportunity to all, Mr. N. has concluded to take Likenesses equal to those formerly taken by him at a charge of 7s. 6d., for the moderate sum of FIVE SHILLINGS; those of a superior description and finish will be taken at a price correspondingly low. Oct. 14.

## Leslie's Stove Varnish.

A Valuable discovery by which all Stoves, Pipes, Grates, Franklin, Iron Railings, and every description of Iron work, (where an intense heat is not required,) whether exposed to the weather or not, may be kept a splendid Jet Black with as beautiful a polish as a Coach Body and with one third the labour bestowed on other preparations.

This is a valuable preparation on account of its anti-corrosive properties; all Stoves and Pipes which are put away during the summer should have an application of the Stove Varnish which would effectually prevent the rusting or corroding of the Iron.

The Varnish is strongly recommended to Families and the Public in general, from three facts; First, its cheapness brings it within the reach of all; Second, from its high polish and durability, two applications during the year being at all necessary for a Franklin; and lastly, from no labour being required in its application, this last fact justly entitles it to the name of "SERVANT'S FRIEND."
