THE EASTERN CITY.—The fine steamer *Eastern City* arrived in our harbour on Saturday night, from Boston, having been again placed on the route between the two Ports. She has received new boilers, which have been constructed in the best possible manner, and of the very best material, and altogether she presents a very fine and substantial appearance. For speed and sea-going qualities, the *Eastern City* will bear comparison with any steamer which plies between St. John and Boston; while Capt. Winchester and the officers of the boat are well and favourably known to the travelling public, and will always be found at their post, regulating everything in the best manner, or the safety, comfort and convenience of the passengers.—*New Bruns.*

We learn that a large number of railway laborers and emigrants are shortly expected to arrive at this port from England. 250 are to come in the *Imperial* from Liverpool, 50 in the *Speed*; and a ship is to proceed to Shediac with passengers.

A VALUABLE SALMON.—On the 15th March, young Mason, fisherman, of Margaret's Bay, caught a Salmon, which he shipped to New York—received \$40 bounty for the first salmon in the market, and \$18 for the Salmon—making £14 10s. for one fish.—[Halifax Br. North Am.]

The steamer *Great Britain* arrived in the Mersey on the afternoon of the 2d inst. from Australia, with £553,000 in gold dust, besides large sums in the hands of the passengers.

The steamer *Vulcan* and ship *New Orleans*, from Australia, brought together £140,000 in gold dust.

Strong Testimony in favor of the Oxygenated Bitters.

From Gen. A. C. DODGE, Delegate in Congress from Iowa.

WASHINGTON, D. C., May 18, 1846.
Dr. George B. Green, Dear Sir.—The "Oxygenated Bitters" with which you were so kind as to furnish me, have had a most salutary effect in my case. I was troubled with Dyspepsia, for four years, during which time I tried many remedies, but never met with any so good as your Bitters. I am now in the enjoyment of good health, and I hope, and believe, that all who use the "Oxygenated Bitters" will find them as serviceable as I have found them.

With high respect and esteem,

Your obedient servant,
A. C. DODGE.

We commend the above certificate to the attention of all those who suffer from Dyspepsia in any of its forms. Try the Oxygenated Bitters, before you say there is no cure for this disease.

OBITUARY.

Drowned at Grand Lake, on the 4th inst., Miss Elizabeth Drilen, aged 16, and Miss Elizabeth Butler, aged 10 years. When Mrs. Butler, with her little daughter, was crossing the Salmon River, she fell through the ice, the daughter succeeded in saving the life of her mother, till Elizabeth Drilen ran to their assistance, when the ice gave way and the two young women found a watery grave. Mrs. Butler narrowly escaped, by the assistance of two young men who providentially happened to be near at hand. How mysterious are the ways of the Lord! two widows are bereaved of their daughters in a moment! The bodies of the deceased were buried on the 6th. The writer addressed a large concourse of people, from Deuteronomy xxxix 29. It was a solemn occasion. May the Lord sanctify it to all our good.
