PROVINCIAL LEGISLATURE.

KING'S COUNTY REPRESENTATION.

House went into Committee on a Bill to increase the Representation of King's County, (Dr. Royalties, &c. Gordon in the Chair.)

Mr McLeod in a very able and elaborate ex- ded in. position introduced the Bill to the consideration of the House.

population of King's County?

Mr. McLeod replied 18,842.

Mr. English would oppose the Bill without making a speech about it.

Mr. Johnson said he believed the people of the Province thought there were too many members in the House already; and as Mr. McLeod had re Mill with a shed roof, and one saw going up and each Ward. down three times in a minute! He would report Gray's am progress on the Bill.

Dr. Thomson hoped no increase of members would take place for 30 years to come, if ever; an increase of Representation increases debating, as every member must talk a little, and an increase of expense to the Province, and without any praccal utility—he would oppose the Bill.

Mr. Smith considered it but fair to give King's County the representation required.

Mr. Hannington said the County of Sunbury was a small County, and yet was represented by two members, no County has less—King's County is a rural population, but one of great importance, and although a rural one, has a great deal of Shipping tonnage, and is fairly entitled to four mem-

Hen. Mr. Wilmot compared the population of King's, and its agricultural capabilities, with other Counties, and from the comparison, argued for its increase of Representation.

Hon. Mr. Gray maintained the increase of King's County Representation.

Mr. Jordan was favourable to the Bill and retort-

Hon. Attorney General said that the merits of the Bill were predicated on the population of the County, and not on its territorial extent. In Northumberland, formerly, a very small share of the ly all day. Several minor ammendments were portion is obtained,—to draw a comparison be-tween the territorial extent of Northumberland County, and King's, and considering the fair share the latter County has always received, he did'nt think there has been any case made out to justify him in going for the Bill.

Mr. Gilbert would go for the Bill-their farmers were tip-top farmers, and Long Island is the gar-den of New Brunswick.

Mr. McPhelim objected to the Bill-King's

County is now as fairly represented as any other County in the Province.

Mr. Cutler could see no harm in giving King's Mr. Cutter could see no harm in giving King's County another member, to allow the increase of representation to be based on population in rural Counties, will not apply to the city of St. John which with a population of 30,000 souls, and being the Commercial Emporium of the Province, may be said to be represented by all the rest.

Mr. Barbarie was not yet prepared to vote for or against the Bill—the subject was entitled to consideration-whether of extent of territory or population, would wish the principle properly tested. Progress was reported on the Bill, and leave

asked to sit again.

Hon. Attorney General brought in a Bill for regulation of weights and Measures.
