An address was also presented on the occasion, by His Worship the Mayor of Fredericton, to which Mr. Barker made a suitable reply. The Silver belonging to the Service bears an appropriate inscription. The Service, we learn, cost one hundred guineas.

MRS. WINSLOW TO THE LADIES.

Mrs. Winslow an old and experienced nurse and Female Physician, would call the attention of the Ladies to her Soothing Syrup for Children teething. It will immediately relieve them from pain, allay all spasmodic action, soften the gums, reduce inflammation, and is sure to regulate the Bowels. Depend upon it Mothers, it will give rest to yourselves and relief and health to your children.

Price 25 cents per bottle.

We have sold very large quantities of Mrs. Winslow's Soothing Syrup during the past six years, several thousands and the last year. We believe it the best medicine in the world for Children teething or for the cure of Dysentery and Diarrhea in Children whether it arises from teething or any other causes. It gives universal satisfaction—never heard a complaint from any one using it—never sold a medicine so universally successful in relieving pain and effecting cures—relief is ABSOLUTELY SURE.

CRAMP AND PAIN KILLER.

THE World is astonished at the wonderful cures performed by the CRAMP AND PAIN KILLER prepared by CURTIS & PERKINS. Its equal has never been known for removing pain in all cases; for the cure of spinal complaints, cramp in the limbs and stomach, rheumatism in all its forms, bilious colic, burns, sore throat, and gravel, is decidedly the best remedy in the world. For particulars, see circulars in the hands of Agents, for gratuitous circulation.

For sale by Agents in New Brunswick & Nova Scotia.

LIVER COMPLAINT.

The only remedy ever offered to the public that has never failed to cure, when directions are followed, is Mc-

Lane's Liver Pill. It has been several years before the public, and has been introduced in all sections of the Union. Where it has been used, it has had the most triumphant success, and has actually driven out of use all other medicines. It has been tried under all the different phases of Hepatitis, and has been found equally efficacious in all.

Purchasers will please be careful to ask for Dr. McLane's Liver Pills, and take none else. All other Pills, in comparison, are worthless. Dr. McLane's genuine Pills, also his Celebrated Vermifuge, can now be had at all respectable Drug Stores in the United States and British Provinces.

AGENCY FOR AMERICAN CLAIMS

And Exchange Office,
No. 359, STRAND, LONDON.

Established in 1848.

THE undersigned beg to inform their Patrons and Friends in the United States and British Provinces, that on account of the great increase of their business they have found it necessary to procure more commodious and convenient offices, and have removed from Ebury St. to the STRAND—one of the most public and business thoroughfares in London, where more extensive arrangements have been made for the affairs of this Agency, and where all correspondents are invited to address their applications, with the full assurance that they will receive prompt and faithful attention.

As great mistakes have hitherto been made by persons in America in writing to the American Ambassador, Consul Solicitors, Merchants, and others residing in London and other parts of Great Britain, who suppose that these gentlemen are in a position to answer their enquiries, and attend to their applications, but which often proves a source of great disappointment and complaint on the part of applicants. It is necessary to inform all persons that the official duties and avocations of the above-named gentlemen, as well as their entire ignorance of such matters, prevent them from giving to such applications the slightest attention; that this is a branch of business distinct and separate from all others, a proper knowledge of which can only be acquired by long experience and extensive practical researches, to which we have devoted our exclusive attention for more than five years.

During the past three years, nearly one hundred applications for claims by persons in America have been addressed to the United States Ambassador at London, all of which His Excellency has transferred to us for investigation.

Copies of Advertisements for Next of Kin and Heirs-at-Law, Unclaimed Dividends in the Bank of England, Money and Estates in possession of the Government, Decrees and Decisions in the Courts of Chancery and Exchequer, Certificates of Marriages, Baptisms, and Burials, Chronological Histories and Pedigrees of Ancient Families down to the present generation, will be supplied (if to be found) on the most reasonable terms.

American Patents, Copyrights, and Stocks of all Sold on Commission.

American Money, Drafts, and Bills Bought, Sold, and Exchange at Current Prices.

Emigrants to all parts of the interior of the United States having unsettled or other claims in Great Britain, will find it to their advantage to apply to this Agency.

Mr. Nelson has no hesitation in saying that he has procured a Camera, which for size and finish is not equalled by any in the Province, and with which he is satisfied he can produce the *fac simile* of the human face in a degree of perfection heretofore unattained. The public generally are invited to call and examine the specimens now exhibiting, and judge for themselves.—To afford an opportunity to all, Mr. N. has concluded to take Likenesses equal to those formerly taken by him at a charge of 7s. 6d., for the moderate sum of FIVE SHILLINGS; those of a superior description and finish will be taken at a price correspondingly low.
