THE subscriber has on hand a few dozen of HAMPTON'S **VEGETABLE TINCTURE**, and invites all persons who are suffering from Rheumatism, Dyspepsia, Eruptions of the Skin, Liver Complaint, or General Debility, to give this celebrated Medicine a trial. Having sold a large quantity of this Tincture, and having made particular enquiry concerning its remedial effects, and ascertained that only one case out of the many proved unsuccessful, it is with confidence he presents it to the public.

BARKER HOUSE,

FREDERICTON.

THE Proprietors of the above Establishment beg leave most respectfully to tender their thanks to the travelling public and the community generally, for the kind and liberal patronage which they have received, since their commencement of business in this City, and they hereby solicit a continuance of public favor.

They hope the *Barker House* will be selected as a Home during the winter, by many Members of the Legislature, as well as their friends and constituents; and on their own part they pledge themselves to make all who may patronize them, as comfortable as their utmost means and best attentions will permit.

The extensive Livery Stable in connection with the above, has, at large expense, been much improved in the quantity and quality of its Stock; and they flatter themselves that the Riding Machinery is not equalled in the Province.

To those who do extend their peregrinations this far, we would say, step into GARRISON'S DRUG STORE, and examine his Stock; although you may be surprised at the very excellent quality, and low prices of his goods, you will not be urged to purchase. All we ask is a visit.

M'KIM & CLEAR,

MANUFACTURERS of Monuments, Tomb Tables, Gravestones, in Italian, American Marble, and Free Stone. Chimney Pieces and Centre Tables.

Every description of ORNAMENTAL WORK executed with neatness at their Establishment, Union Street, (third house East of Mr. Peters' garden.)—Monuments, Head Stones, &c., of the best material, executed in the most improved styles and fully as cheap and durable as any which can possibly be obtained on this continent.

After a long experience in business, both in ENGLAND and SCOTLAND, M'KIM & CLEAR feel satisfied they can execute work equal in every respect to any thing in their line manufactured in this City; and, while they are fully prepared to allow all honest competitors a clear stage and no favor, they feel convinced they can produce, at all times and on all occasions, workmanship in every respect superior to that of those Americans who advertise their wares at "twenty five per cent less than any shop in the City!" and who, uneducated and unacquainted in their art, can only attract attention by prosecuting the rather unenviable and unprofitable business of "denouncing" (as keepers of the petty shops that are springing up) those who have carefully given their undivided attention to the study of their business, and who fairly and honorably enter the arena of public competition, determined to stand or fall by the superior excellence of their workmanship as judged by a discerning public.

For sale—a large quantity of Soap Stone, suitable for Stoves.

A "Diploma" and Prize were awarded to R. A. M'KIM for Excellence in CARVING at the last New Brunswick Provincial Exhibition. St. John, Nov. 25.

We have in our employ at this time some superior Workmen from the States; and we can offer a long experience in the business, and with our facilities, recommend our work as superior to any thing that can be found in the Province.

Head Stones and Monuments sold at our Manufactory twenty-five per cent less than at any other Shop in the City.

P. S. Parties wanting any thing in our line will find it a great satisfaction in calling upon us instead of purchasing work from some of the petty shops that are springing up around us, whose proprietors know nothing about the business.
