

OLD ENGLAND.

There she sits in her Island-home,
Peerless among her peers!
And liberty oft to her arms doth come
To ease her poor heart of tears:
Old England still throbs with the muffled fire
Of a Past she can never forget;
And still shall she banner the world up higher,
For there's life in the Old Land yet.
Hurrah!

There's life in the Old Land yet.

The great Hero-Mother's not hoary yet,
There is sap in the Saxon tree,
And she lifteth a bosom of glory yet,
Through her mists to the sun and the sea,
Fair as the Queen of Love fresh from the foam,
Or a Star in a dark cloud set;
Ye may blazon her shame, ye may leap at her fame,
But there's life in the Old Land yet.
Hurrah!

There's Life in the Old Land yet.

They would scoff at her now, who of old look'd forth
In their fear, when they heard her afar;
Oh! but loud will your wail be, poor Kings of the
Earth,
When the Old Land goes down to the war!
The avalanche trembles, half launch'd, and half
riven,
Her voice shall in motion set:
Then ring out the tidings, ye winds of heaven,
There's life in the Old Land yet.
Hurrah!

There's life in the Old Land yet.

Let the storm burst, it will find the Old Land
Ready ripe, for a rough red fray!
She will fight as she fought when she took her stand
For the Right in the olden day.
Ay, rouse the old royal soul! Europe's best hope
Is her sword edge by Victory set!
She shall dash Freedom's foes adown Death's bloody
slope
For there's life in the Old Land yet.
Hurrah!

There's life in the Old Land yet.

MEDICATED INHALATION.

A New Method!

A MOST WONDERFUL DISCOVERY HAS RE-
cently been made by Dr. CURTIS for the cure of
Asthma, Consumption, Bronchitis, Coughs, Colds, and all
Lung Complaints, by Medicated Inhalation. Dr. CUR-
TIS'S HYGEAN VAPOR and CHERRY SYRUP, has
accomplished the most wonderful cures of Asthma, and
Consumption in the City of New York and vicinity for a
few months past, ever known to man. It is producing an
impression on Diseases of the Lungs never before witness-
ed by the medical profession. [See certificates in hands of
Agents.]

The Inhaler is worn on the breast under the linen, with-
out the least inconvenience, the heat of the body being suf-
ficient to evaporate the fluid—supplying the lungs con-
stantly with a healing and agreeable vapor, passing into all
the air-cells and passages of the lungs that cannot possibly
be reached by any other medicine. Here is a case of

ASTHMA CURED.

BROOKLYN, N. Y., Dec. 20th, 1853.

For about eight years I have been severely afflicted with
the Asthma; for the last two years I have suffered beyond
all my powers of description: months at a time I have not
been able to sleep in a bed, getting what rest I could sit-
ting in my chair. My difficulty of breathing and my suf-
ferings, were so great at times, that for hours together my
friends expected each hour would be my last. During
the past six years I have had the aid and attendance of
some of the most celebrated physicians, but have received
no permanent benefit, and but little relief. At length I had
the good fortune to procure Dr. Curtis's Hygean or In-
haling Hygean Vapor and Cherry Syrup. At the time
I first obtained it, I was suffering under one of my most vi-
olent attacks, and was in great distress, almost suffocating
for want of breath. In less than ten minutes from the time
I applied the Inhaler to my stomach, and took a teaspoon-
ful of the Cherry Syrup I was relieved in a great measure
from the difficulty of breathing, and had a comfortable
night. I have since continued it with the greatest possible
benefit, and am now comparatively well. God only knows
the amount of suffering this medicine has relieved me from.
My advice to the suffering is,—TRY IT.

MARGARET EASTON.

CONSUMPTION CURED.

NEW YORK, Dec. 27th, 1853.

I came to New York in the ship Telegraph, my native
place is St. John, New Brunswick, when I reached this
city, my health was very poor, I had a very bad cough,
raised a good deal of matter, which was frequently mixed
with blood, bad pain in my left side, and was very weak
and emaciated. My friends and physician pronounced
my case consumption, and beyond the reach of medicine.
I accidentally heard of Dr. Curtis's Hygean, or Inhal-
ing Hygean Vapor and Cherry Syrup, and obtained a pack-
age, which I verily believe was the means of saving my
life. Soon after wearing the Inhaler, I found it relieved
the pressure on my lungs, and after a while the disease
made its appearance upon the Inhaler. I took the Cherry
Syrup as directed, and continued to do so, my cough gra-
dually growing better, until it entirely left me, and I now
consider myself cured. I still wear the Inhaler, as the use
of it is rather pleasant, and believing it strengthening and
purifying to the lungs, I feel unwilling at present to dis-
pense with it.

Hear the Brooklyn Daily Advertiser, of June 13th 1853.
We cheerfully comply with the request of a friend, to in-
sert the following letter, which we are assured is from a
lady of the first respectability, residing in Lowell, Mass.

Dear Sir:—I am happy to be able to certify to the ef-
ficacy of Mrs. Winslow's Soothing Syrup, and to the
truth that it is represented as accomplishing. Having a lit-
tle boy suffering greatly from teething, who could not rest,
and at night by his cries would not permit any of the fam-
ily to do so, I purchased a bottle of the Soothing Syrup,
in order to test the remedy, and when given to the boy
according to the directions, its effect upon him was like
magic, he soon went to sleep, and all pain and nervousness
disappeared. We have had no trouble with him since;
and the little fellow will pass through with comfort the ex-
cruciating process of teething, by the sole aid of Mrs.
Winslow's Soothing Syrup. Every mother who regards
the health and life of her children, should possess it.
