

HOME.

HOME—thrilling sound—a joy imparts

Unspeaking unto the heart;

Of those who roam;

Emotions, O how, best they feel

When o'er their longing spirits steal

Sweet thoughts of home!

The warrior, on the open heath,

Hath spread his wearied limbs beneath

Heaven's azure dome—

And there forgets the coming strife,

Fame, honor, conquest, glory, life,

In thoughts of home.

The mariner's bosom swells with pride,

To see his stately ship divide

The sparkling foam;

And though he loves to range the deep,

His sweetest thoughts, awake, asleep,

Are those of home.

The exile, though in marbled halls

The echo of his footstep falls,

Or gilded dome;

Though fortune smile, and friendship bless,

And kings the banish'd one caress—

He sighs for home.

The traveller, too, in lands renown'd

For sacred spot of classic ground—

In ancient Rome—

In temple, mosque, cathedral pile—

By Ganges side, or by the Nile—

Still thinks of home.

Lord object of my fond desires,

Thine absence from thee that inspires

This simple poem;

The dearest word that tongue can name

Or lip can utter, is thy name.

Beloved Home.

MEDICATED INHALATION.

A New Method!

A MOST WONDERFUL DISCOVERY HAS RECENTLY been made by Dr. CURTIS for the cure of Asthma, Consumption, Bronchitis, Coughs, Colds, and all Lung Complaints, by Medicated Inhalation. Dr. CURTIS'S HYGEAN VAPOR and CHERRY SYRUP, has accomplished the most wonderful cures of Asthma, and Consumption in the City of New York and vicinity for a few months past, ever known to man. It is producing an impression on Diseases of the Lungs never before witnessed by the medical profession. [See certificates in hands of Agents.]

The Inhaler is worn on the breast under the linen, without the least inconvenience, the heat of the body being sufficient to evaporate the fluid, supplying the lungs constantly with a healing and agreeable vapor, passing into all the air-cells and passages of the lungs that cannot possibly be reached by any other medicine. Here is a case of

ASTHMA CURED.

BROOKLYN, N. Y., Dec. 20th, 1853.

For about eight years I have been severely afflicted with the Asthma; for the last two years I have suffered beyond all my powers of description, months at a time I have not been able to sleep in a bed, getting what rest I could sitting in my chair. My difficulty of breathing and my sufferings, were so great at times, that for hours together my friends expected each hour would be my last. During the past six years I have had the aid and attendance of some of the most celebrated physicians, but have received no permanent benefit, and but little relief. I at length had the good fortune to procure Dr. Curtis's Hygean or Inhaling Hygean Vapor and Cherry Syrup. At the time I first obtained it, I was suffering under one of my most violent attacks, and was in great distress, almost suffocating for want of breath. In less than ten minutes from the time I applied the Inhaler to my stomach, and took a teaspoonful of the Cherry Syrup I was relieved in a great measure from the difficulty of breathing, and had a comfortable night. I have since continued it with the greatest possible benefit, and am now comparatively well. God only knows the amount of suffering this medicine has relieved me from. My advice to the suffering is, —TRY IT.

MARGARET EASTON.

CONSUMPTION CURED.

NEW YORK, Dec. 27th, 1853.

I came to New York in the ship Telegraph, my native place is St. John, New Brunswick, when I reached this city, my health was very poor, had a very bad cough, a good deal of matter, which was frequently mixed with blood, bad pain in my left side, and was very weak and emaciated. My friends and physician pronounced my case consumption, and beyond the reach of medicine. I accidentally heard of Dr. Curtis's Hygean, or Inhaling Hygean Vapor and Cherry Syrup, and obtained a package, which I verily believe was the means of saving my life. Soon after wearing the Inhaler, I found it relieved the pressure on my lungs, and after a while the disease made its appearance upon the Inhaler. I took the Cherry Syrup as directed, and continued to do so, my cough gradually growing better, until it entirely left me, and I now consider myself cured. I still wear the Inhaler, as the use of it is rather pleasant, and believing it strengthening and purifying to the lungs, I feel unwilling at present to dispense with it.

Price—\$3 a package.

For the Nervous Affections, Convulsions, Fever, Inflammation of the Bowels, &c. that attend this period of children, she recommends it as sure to produce the desired effect, giving

REST TO THE MOTHER,

And Relief and Health to the Infant.

A child on Congress Street was cured by the Soothing Syrup, of infantile Dysentery or Diarrhoea, after being given over by the attending physician.

Mr. Blackman, of Eddington says it has NEVER FAILED TO CURE the Dysentery or Diarrhoea in children whenever used in the village. Lots of it is sold.

One parent informs me his child has suffered to an alarming extent with Flatulence & Wind Cholice. Lately they have used the Soothing Syrup, and it effects a speedy cure.

MOTHERS TRY IT.

Hear the Brooklyn Daily Advertiser, of June 13th 1853. We cheerfully comply with the request of a friend to insert the following letter, which we are assured is from a lady of the first respectability, residing in Lowell, Mass.

Dear Sir:—I am happy to be able to certify to the efficiency of Mrs. Winslow's Soothing Syrup, and to the truth what it is represented to accomplish—Having a little boy suffering greatly from teething, who could not rest, and at night by his cries would not permit any of the family to do so; I purchased a bottle of the Soothing Syrup, in order to test the remedy, and when given to the boy according to the directions, its effect upon him was like magic, he soon went to sleep, and all pain and nervousness disappeared. We have had no trouble with him since; and the little fellow will pass through with comfort the excruciating process of teething, by the sole aid of Mrs. Winslow's Soothing Syrup. Every mother who regards the health and life of her children, should possess it.
