

THE CHURCH PORCH.

BY WILLIAM MAKEPEACE THACKERAY.

The following lines, by Thackeray, are taken from his *Pendennis*. They were written by the hero of that novel to accompany and illustrate an engraving in an "Annual." A Spanish damsel is seen hastening to church with a large prayer-book, and a youth bidden in a niche watching her:

Although I enter not,
Yet round about the spot
Sometimes I hover,
And at the sacred gate,
With longing eyes I wait
Expectant of her.

The Minster bell tolls out
Above the City's rout
And noise and humming;
They've stopped the chiming bell,
I hear the organ's swell—
She's coming, she's coming.

My lady comes at last,
Timid and steeping fast,
And hastening hither,
With modest eyes downcast;
She comes—she's here—she's past—
May heaven go with her.

Kneel undisturbed, fair saint,
Pour out your praise or plaint
Meekly and duly.
I will not enter there,
To sully your pure prayer
With thoughts unruly.

But suffer me to pace
Round the forbidden place,
Lingering a minute,
Like outcast spirits, who wait,
And see through Heaven's gate
Angels within it.

MOTHERS TRY IT.

Hear the Brooklyn Daily Advertiser, of June 13th 1853. We cheerfully comply with the request of a friend to insert the following letter, which we are assured is from a lady of the first respectability residing in Lowell, Mass.

Dear Sir:—I am happy to be able to certify to the efficacy of Mrs Winslow's Soothing Syrup, and to the truth what it is represented to accomplish. Having a little boy suffering greatly from teething, who could not rest and at night by cries would not permit any of the family to do so, I purchased a bottle of the Soothing Syrup in order to test the remedy, and when given to the boy according to the directions its effect upon him was like magic, he soon went to sleep, and all pain & nervousness disappeared. We have had no trouble with him since, and the little fellow will pass through with comfort, the excruciating process of teething, by the sole aid of Mrs. Winslow's Soothing Syrup. Every mother who regards the health and life of her children, should possess it.

MEDICATED INHALATION.

A New Method!

A MOST WONDERFUL DISCOVERY HAS RE cently been made by Dr. CURTIS for the cure of Asthma, Consumption, Bronchitis, Coughs, Colds, and all Lung Complaints, by Medicated Inhalation. Dr. CURTIS'S HYGEAN VAPOR and CHERRY SYRUP, has accomplished the most wonderful cures of Asthma, and Consumption in the City of New York and vicinity for a few months past, ever known to man. It is producing an impression on Diseases of the Lungs never before witnessed by the medical profession. [See certificates in hands of Agents.]

The Inhaler is worn on the breast under the linen, without the least inconvenience, the heat of the body being sufficient to evaporate the fluid, supplying the lungs constantly with a healing and agreeable vapor, passing into all the air-cells and passages of the lungs that cannot possibly be reached by any other medicine. Here is a case of

ASTHMA CURED.

BROOKLYN, N. Y., Dec. 20th, 1853.

For about eight years I have been severely afflicted with the Asthma; for the last two years I have suffered beyond all my powers of description: months at a time I have not been able to sleep in a bed getting what rest I could sitting in my chair. My difficulty of breathing and my sufferings were so great at times, that for hours together my friends expected each hour would be my last. During the past six years I have had the aid and attendance of some of the most celebrated physicians, but have received no permanent benefit, and but little relief. At length I have been good for one to procure Dr. Curtis's Hygean or Inhaling Hygean Vapor and Cherry Syrup. At the time I first obtained it, I was suffering under one of my most violent attacks, and was in great distress, almost suffocating for want of breath. In less than ten minutes from the time I applied the Inhaler to my stomach, and took a teaspoonful of the Cherry Syrup I was relieved in a great measure from the difficulty of breathing, and had a comfortable night. I have since continued with the greatest possible benefit, and am now comparatively well. God only knows the amount of suffering this medicine has relieved me from. My advice to the suffering is—TRY IT.

MARGARET EASTON.

CONSUMPTION CURED.

New York, Dec. 27th, 1853.

I came to New York in the ship "Edgworth," my native place is St. John, N. W. Brunswick, when I reached this city, my health was very poor, had a very bad cough, and a good deal of matter, which was frequently mixed with blood had pain in my left side, and was very weak and emaciated. My friends and physician pronounced my case consumption, and beyond the reach of medicine. I accidentally heard of Dr. Curtis's Hygean, or Inhaling Hygean Vapor and Cherry Syrup, and obtained a package which I verily believe was the means of saving my life. Soon after wearing the Inhaler I found it relieved the pressure on my lungs, and after a while the disease made its appearance upon the Inhaler. I took the Cherry Syrup as directed, and continued to do so, my cough gradually grew better, and I entirely left my bed, and I now consider myself cured. I will wear the Inhaler, as the use of it is rather pleasant, and believing it strengthening and purifying to the lungs, I feel unwilling at present to dispense with it.
