CHERRY PECTORAL

For the rapid Cure of
COUGHS, COLDS, HOARSENESS,
BRONCHITIS, WHOOPING-COUGH,
CROUP, ASTHMA, AND
CONSUMPTION.

TO CURE A COLD WITH HEADACHE AND
SORENESS OF THE THROAT—take the Cherry
Pectoral on going to bed, and wrap up warm to sweat
during the night.

FOR A COLD AND COUGH, take it morning, noon
and evening, according to directions on the bottle, and the
difficulty will be soon removed. None will long suffer
from this trouble when they find it so readily cured. Per-
sons afflicted with a seated cough, which breaks them of
their rest at night, will find by taking the Cherry Pectoral
on going to bed, they may be sure of sound unbroken
sleep, and consequent refreshing rest. Great relief from
sufficing, and an ultimate cure, is offered to thousands
who are thus afflicted by this invaluable remedy.

From its agreeable effects in these cases, many find
themselves unwilling to forego its use when the necessity
for it has ceased.

TO SINGERS AND PUBLIC SPEAKERS this re-
medy is invaluable, as by its action on the throat and
lungs, when taken in small quantities, it removes all hoar-
sness in a few hours, and wonderfully increases the power
and flexibility of the voice.

ASTHMA is generally much relieved, and often wholly
cured by Cherry Pectoral. But there are some cases
so obstinate as to yield entirely to no medicine. Cherry
Pectoral will cure them if they can be cured.

BRONCHITIS, or irritation of the throat and upper
portion of the lungs, may be cured by taking Cherry Pec-
toral in small and frequent doses. The uncomfortable
oppression is soon relieved.

FOR CROUP—Give an emetic of antimony, to be
followed by large and frequent doses of the Cherry Pec-
toral, until it subdues the disease. If taken in season, it
will not fail to cure.

WHOOPING-COUGH may be broken up and soon
cured by the use of Cherry Pectoral.

THE INFLUENZA is speedily removed by this re-
medy. Numerous instances have been noticed where
whole families were protected from any serious conse-
quences, while their neighbors without the Cherry Pec-
toral were suffering from the disease.

Repeated instances are reported here of patients who
have been cured from

LIVER COMPLAINTS by this remedy, so many that
there can be no question of its healing power on these dis-
eases. It should be perseveringly taken until the pain in
the side and other unpleasant symptoms cease.

FOR CONSUMPTION in its earliest stages, it should
be taken under the advice of a good Physician if possi-
ble, and in every case with a careful regard to the printed di-
rections on the bottle. If judiciously used, and the patient
is carefully nursed meantime, it will seldom fail to subdue
the disease.

For seated CONSUMPTION in its worst form, the
Cherry Pectoral should be given in doses adapted to what
the patient requires and can bear. It affords some re-
lief, and not unfrequently cures those who are consider-
ed past all cure—There are many thousands scattered all
over the country who feel and say that they owe their lives
and present health to the Cherry Pectoral.

Many years of trial, instead of impairing the public
confidence in this medicine, has won for it an appreciation
and notoriety by far exceeding the most sanguine expec-
tations of its friends. Nothing but its intrinsic virtues and
the unmistakable benefit conferred on thousands of suffer-
ers, could originate and maintain the reputation it enjoys.
While many inferior remedies thrust upon the community
have failed and been discarded, this has gained friends by
every trial, conferred benefits on them they can never for-
get and produced cures too numerous and too remarkable
to be forgotten.

While it is a fraud on the public to pretend that any one
medicine will infallibly cure—such there is abundant proof
that the Cherry Pectoral does not only as a general thing,
but almost invariably cure the maladies for which it is
employed.

As time makes these facts wider and better known, this
medicine has gradually become the best reliance of the
afflicted, from the log-cabin of the American Peasant,
to the palaces of European Kings.

Analytical Chemist, Lowell, Mass.
