nell, Andrew C. Schenck, Mr. Wilson, and three men, names unknown. Young O'Donnell was in the ruins eight hours, with his flesh burned, his limbs fractured, and subjected to great heat. He died on Wednesday. A subscription was at once started for the benefit of the sufferers, and doubtless a handsome sum will be realised. Paul Julien has offered the proceeds of a concert.

The disaster is attributed in part to the fall of a heavy safe from the upper story, crushing through the floors and burying the firemen in the ruins. Considerable agitation exists in the fire department in regard to the accident, and it is understood the members generally will pledge themselves to enter no building on fire where a safe is known to be higher up than the first story.—The building destroyed was six stories high, No. 231 Broadway, and was occupied by Jennings & Co., who were insured to the amount of \$100,000.—*Boston Journal*, 28th.

Panor Concerning Steamer "City of Glasgow."—The New York Journal of Commerce has received a communication from Messrs. E. T. Richardson & Co., No. 7 Old Slip, that they are informed by a passenger on board the schooner Canton, from Jamaica, that on the 12th inst., near Castle Island, Bahamas, he saw a large three masted screw steamer, painted black outside, and bulwarks inside painted apparently yellow. Her yards were square, and she had no appearance of being in a disabled condition. The schooner passed within two or three miles of the steamer, but no person could be seen on board of her. She appeared to be at anchor or aground. No person on board the schooner was aware of the apprehended loss of the City of Glasgow; therefore she kept on her way. The steamer's sails were clewed up, and she was in a very unusual position. The above description corresponds with the City of Glasgow, and leads to a hope that it may prove to be her.—[*Boston Post*.]

The *Daily Advertiser* thinks there is not the slightest probability that the City of Glasgow would have deviated so widely from her course.

The number of letters conveyed between the United States and Europe during the last year by the British and American mail steamers was 4,690,000. The number of newspapers, 1,380,000.

HOUSE OF ASSEMBLY.

April 28.
Last night the Committee of Supply sat till 8 o'clock. A grant of £1060 passed to the Government for payment of the Law commission.—The House was in Supply to-day from 9 to 7 o'clock. Supply closed. A grant of £2,000 was passed to the Government to complete the Boundary Survey. It was objected to because £7,000 had been expended last summer. Messrs. Partelow, Street, Wilmut, Gray, Montgomery, Robinson, and Taylor voted for it, and 21 against it.

April 29.
Messages received containing declaration of war against Russia. Governor instructed to lay embargo on Russian vessels. Joint Address of two Houses to her Majesty passed; on the war great many loyal speeches made. Address to Governor passed, placing all revenues of the Province under his control in case of emergency. Bill passed raising Salaries of Teacher, Males £37 10s, £30, and £22 10s.; Females, £27 10s, £22 10s, £17 10s. Business nearly wound up.

PROROGATION OF THE ASSEMBLY—GOVERNOR'S SPEECH.

FREDERICTON, May 1.
At 2 o'clock his Excellency closed the Session with the following Speech.

Mr. President and Hon. Gentlemen of the Legislative Council;
Mr. Speaker and Gentlemen of the House of Assembly:

You have brought to a close the business of this Session and I thank you for your exertions. I trust that the consolidation and revival of the Provincial Statutes may prove advantageous to the country and that the changes in the administration of the Law sanctioned in the present session may afford satisfaction.

The subjects of King's College and the Audit Office will not fail to receive the consideration of myself and my Council during the recess.

Mr. Speaker and Gentlemen of the House of Assembly:

I acknowledge with thanks the supplies you have granted for the public service. Some portion of these supplies relative to bridges has been voted in a manner which implies much confidence in me and my advisers. I assure you that every precaution will be taken to insure a proper outlay of the public funds.

I feel confident that her Most Gracious Majesty will highly value the loyal feeling which dictated

your resolution placing at my disposal the resources of the Province for the defence of the country and the honour of the British flag.

As representatives of the people you will have the satisfaction of restoring to your constituents at a time of general prosperity the public trust reposed in you at a time of depression.

Mr. President and Hon. Gentlemen of the Legislative Council;
Mr. Speaker and Gentlemen of the House of Assembly:

You have heard with deep regret that Great Britain has been reluctantly forced into a war. In the name of the Queen I thank you very heartily for the expression of your loyalty and attachment to the throne, which I shall not fail to lay before our Gracious Sovereign.

Obituary.

Spirit!—thy labour is o'er,
Thy term of probation is run;
Thy steps are now bound for the untrodden shore,
And the race of immortals begun.

Of Croup, on Thursday, 13th April Ellen Augusta, infant daughter of John and Susan Major Pooley, aged 16 months.

On Tuesday morning, Mr. James Stewart McArthur, in the 43d year of his age.

On Friday, 28th inst., John Richard, son of Dr. R. N. Duggan, aged two years.

In Carleton, on Sunday last, William Henry, only son of Mr. J. Clarkson, aged 4 months and 10 days.

At Sudholm, on the 12th instant, Mr. Richard Roach, aged 69 years.

At his residence at Tatamagouche, N. S., on the 13th inst., the Hon Alexander Campbell, in the 61st year of his

age. The deceased had been in Halifax attending to his legislative duties, from whence he returned on the Tuesday evening previous to his death. About half an hour after his arrival home, and while still receiving the congratulations of members of his family on his apparently improved health, he was struck with paralysis, from the effects of which he never rallied, and which eventually terminated in his death. His loss will be deeply felt by his relatives and the people of that part of the country in which he resided.

At Elgin, A. C., on the 25th April, of Diarrhoea, after 7 days illness, Susannah Jane, second daughter of Mr. George Jonah, Jr., aged 2 years and 4 months.

At New York, on the 23d ult., after a short illness, Mr. John McAfee, in the 54th year of his age, leaving a wife and seven children to mourn their loss.

Died, at Elgin, at the residence of her son-in-law, (J. S. Colpitts, Esq.) on Monday the 27th March, Mrs. ANN KING, wife of Mr. James King, and third daughter of Mr. John Watson, late of Wickham, Queen's County, in the 55th year of her age. Mrs. K. came to Head of Peticodiac, in company with her first husband (late Mr. Uz Bleakney) nearly forty years ago, where she had resided nearly ever since. She made a public profession of religion about 30 years ago, and was Baptised by Father J. Crandall, and united to the Baptist Church, of which she was a consistent member to the time of her death. She leaves a sorrowing husband, seven children, and 9 grandchildren, to mourn the loss of a faithful and affectionate wife and tender and devoted parent, she was ever ready to sympathise with the afflicted, whose wants were cheerfully supplied as in her lay. Her disease was an affection of the chest, from which she suffered much for several months, until within 64 days of her death, when she appeared to be comparatively free from pain, and the most of the time seemed under the influence of a sort of lethargic sleep, from which, by times she would be partially awakened for a few moments; during one of these interviews, in reply to questions asked by some of her friends, she gave the most decided assurance of the firmness of her hopes in her Saviour, a few moments before her spirit took its flight, she opened her eyes appearing perfectly conscious of her condition and after glancing a farewell look upon each of her friends, who stood weeping around, she raised her eyes towards heaven and expired without a struggle or a groan, on the 30th her remains were conveyed to the Meeting House of the 2d Salisbury Church (Head of Peticodiac) where the solemn occasion was improved by Elder J. Herritt who spoke from Hebrews 4th c. 9 v. "There remaineth therefore, a rest to the people of God" he was listened to with much solemnity, by a large concourse of mourners and friends.—*Com*.
