Hillsboro and Dorchester, every

Monday and Friday evenings tide—returning on  
Tuesday and Saturday; and will leave for WINDSOR  
every Wednesday evening tide, returning on  
Thursday.

The boilers of the "Creole" have had a thor-  
ough repair, and are now in fine order; the Engine  
is sound and works well. The really splendid ac-  
commodations of this steamer and her excellent  
sea-going qualities are too well known to require  
further remarks—she can carry 250 passengers  
comfortably, and has abundance of room for  
freight, which goes under cover—is supplied with  
one of Francis' patent metallic Life Boats, with an  
abundance of Life Preservers, and every other  
article in accordance with the requirements of the  
"Steam Boat Act." She is efficiently officered,  
and the public can depend on her running regular-  
ly and leaving at the hour appointed. Her pro-  
prietors feel disposed and are determined to use  
every possible exertion to give satisfaction, and  
to render her worthy of the confidence and pa-
