

WHERE REST MAY BE FOUND.

Tell me, ye winged winds,
That round my pathway roar,
Do you not know some spot
Where mortals weep no more?
Some lone and pleasant dell,
Some valley in the West,
Where, free from toil and pain,
The weary souls may rest?
The low winds softened in a whisper low,
And sighed for pity, as they answered—"No!"

Tell me thou mighty deep,
Whose billows round me play,
Knowest thou some favoured spot,
Some Island far away,
Where wretched man may find
The bliss for which he sighs?
Where sorrow never lives,
And friendship never dies?
The loud waves rolling in perpetual flow,
Stopped for a while, and answered—"No!"

And thou, serenest moon,
That with such holy face
Dost look upon the earth,
As sleep in night's embrace—
Tell me in all thy rounds,
Hast thou not seen some spot
Where miserable man
Might find a happier lot?
Behind a cloud the moon withdrew in woe,
And a voice sweet, but sad, responded—"No!"

Tell me, my secret soul,
O! tell me, Hope and Faith,
Is there no resting-place
From sorrow, sin, and death?
Is there no happy spot
Where mortals may be blessed,
Where grief may find a balm,
And weariness a rest?
Faith, Hope and Love, best boons to mortal given,
Waved their bright wings and whispered—"Yes,
in Heaven!"

MEDICATED INHALATION.

A New Method!

A MOST WONDERFUL DISCOVERY HAS RE-
cently been made by Dr. CURTIS for the cure of
Asthma, Consumption, Bronchitis, Coughs, Colds, and all
Long Complaints, by Medicated Inhalation. Dr. CUR-
TIS'S HYGEAN VAPOR and CHERRY SYRUP, has
accomplished the most wonderful cures of Asthma, and
Consumption in the City of New York and vicinity for a
few months past, ever known to man. It is producing an
impression on Diseases of the Lungs never before witness-
ed by the medical profession. [See certificates in hands of
Agents.]

The Inhaler is worn on the breast under the linen, with
out the least inconvenience, the heat of the body being suf-
ficient to evaporate the fluid,—supplying the lungs con-
stantly with a healing and agreeable vapor, passing into all
the air-cells and passages of the lungs that cannot possibly
be reached by any other medicine. Here is a case of

ASTHMA CURED.

BROOKLYN, N. Y., Dec. 20th, 1853.

For about eight years I have been severely afflicted with
the Asthma; for the last two years I have suffered beyond
all my powers of description: months at a time I have not
been able to sleep in a bed, getting what rest I could sit-
ting in my chair. My difficulty of breathing and my suf-
ferings were so great at times, that for hours together a
friend expected each hour would be my last. During
the past six years I have had the aid and attendance of
some of the most celebrated physicians, but have received
no permanent benefit, and but little relief. I at length had
the good fortune to procure Dr. Curtis's Hygean or In-
haling Hygean Vapor and Cherry Syrup. At the time
I first obtained it, I was suffering under one of my most violent
attacks, and was in great distress, almost suffocating
for want of breath. In less than ten minutes from the time
I applied the Inhaler to my stomach, and took a teaspoon-
ful of the Cherry Syrup I was relieved in a great measure
from the difficulty of breathing, and had a comfortable
night. I have since continued it with the greatest possible
benefit, and am now comparatively well. God only knows
the amount of suffering this medicine has relieved me from.
My advice to the suffering is,—TRY IT.

MARGARET EASTON.

CONSUMPTION CURED.

NEW YORK, Dec. 27th, 1853.

I came to New York in the ship Telegraph, my native
place is St. John, New Brunswick, when I reached this
city, my health was very poor, had a very bad cough,
raised a good deal of matter, which was frequently mixed
with blood, had pain in my left side, and was very weak
and emaciated. My friends and physician pronounced
my case consumption, and beyond the reach of medicine.
I accidentally heard of Dr. Curtis's Hygean, or Inhaling
Hygean Vapor and Cherry Syrup, and obtained a pack-
age, which I verily believe was the means of saving my
life. Soon after wearing the Inhaler, I found it relieved
the pressure on my lungs, and after a while the disease
made its appearance upon the Inhaler. I took the Cherry
Syrup as directed, and continued to do so, my cough gra-
dually growing better, until it entirely left me, and I now
consider myself cured. I still wear the Inhaler, as the use
of it is rather pleasant, and believing it strengthening and
purifying to the lungs, I feel unwilling at present to dis-
pense with it.

Hear the Brooklyn Daily Advertiser, of June 13th 1855.
We cheerfully comply with the request of a friend to in-
sert the following letter, which we are assured is from a
lady of the first respectability, residing in Lowell, Mass.

Dear Sir:—I am happy to be able to certify to the ef-
ficacy of Mrs. Winslow's Soothing Syrup, and to the
truth what it is represented to accomplish.—Having a lit-
tle boy suffering greatly from teething, who could not rest,
and at night by his cries would not permit any of the fam-
ily to do so, I purchased a bottle of the Soothing Syrup,
in order to test the remedy,—and when given to the boy
according to the directions, its effect upon him was like
magic, he soon went to sleep, and all pain and nervousness
disappeared. We have had no trouble with him since;
and the little fellow will pass through with comfort the ex-
cruciating process of teething, by the sole aid of Mrs.
Winslow's Soothing Syrup. Every mother who regards
the health and life of her children, should possess it.

by the Cramp and Pain Killer. At another time a few ap-
