M'KIM & CLEAR,

MANUFACTURERS of Monuments, Tomb Tables, Gravestones, in Italian, American Marble, and Free Stone. Chimney Pieces and Centre Tables.

Every description of ORNAMENTAL WORK executed with neatness at their Establishment, Union Street, (third house East of Mr. Peters' garden.)—Monuments, Head Stones, &c., of the best material, executed in the most improved styles and fully as cheap and durable as any which can possibly be obtained on this continent.

After a long experience in business, both in ENGLAND and SCOTLAND, M'KIM & CLEAR feel satisfied they can execute work equal in every, and superior in many respects to any thing in their line manufactured in this City; and, while they are fully prepared to allow all honest competitors a clear stage and no favor, they feel convinced they can produce, at all times and on all occasions, workmanship in every respect superior to that of those Americans who advertise their wares at "twenty five per cent less than any shop in the City!" and who, uneducated and uneducated in their art, can only attract attention by prosecuting the rather unenviable and unprofitable business of denouncing (as keepers of "the petty shops that are springing up") those who have carefully given their undivided attention to the study of their business, and who fairly and honorably enter the arena of public competition, determined to stand or fall by the superior excellence of their workmanship as judged by a discerning public.

For sale—a large quantity of Soap-Stone, suitable for Stoves.

P. S. Parties wanting any thing in our line will find it a great satisfaction in calling upon us instead of purchasing work from some of the petty shops that are springing up around us, whose proprietors know nothing about the business.
