HOME FRIENDS.

BY MRS. ABBY.

Friends with prompt service may be ever nigh,
But who a parent's kindness can supply!
Wise men may teach us danger to foresee,
But like a father's counsel none can be;
Woman's sweet voice may greet us, but no other
Can soothe the heart's deep sorrow like a mother!

Yet, who can test not now these words of truth,
Who flourish in the spring of blooming youth,
Whose eyes by tears of sorrow are unwept,
Whose dear home circle is unbroken yet;
Prize well its holy shelter—give not vent
To feelings of repining discontent,
Marring its tranquil quiet with complaints,
Of its still sameness, and its wise restraints.
The distant world, that seems so gay and bright,
Trust me, but mocks your young and dazzled sight;
And when you wander through its thorny track,
Your thoughts shall ever fondly travel back,
Fleeing from scenes of vain and vexing strife
To trace the home and friends of early life.

MEDICATED INHALATION.

A New Method!

A MOST WONDERFUL DISCOVERY HAS RECENTLY been made by Dr. CURTIS for the cure of Asthma, Consumption, Bronchitis, Coughs, Colds, and all Lung Complaints, by Medicated Inhalation. Dr. CURTIS'S HYGEAN VAPOR and CHERRY SYRUP, has accomplished the most wonderful cures of Asthma, and Consumption in the City of New York and vicinity for a few months past, ever known to man. It is producing an impression on Diseases of the Lungs never before witnessed by the medical profession. [See certificates in hands of Agents.]

The Inhaler is worn on the breast under the linen, with out the least inconvenience, the heat of the body being sufficient to evaporate the fluid, supplying the lungs constantly with a healing and agreeable vapor, passing into all the air-cells and passages of the lungs that cannot possibly be reached by any other medicine. Here is a case of

ASTHMA CURED.

BROOKLYN, N. Y., Dec. 20th, 1853.

For about eight years I have been severely afflicted with the Asthma; for the last two years I have suffered beyond all my powers of description: months at a time I have not been able to sleep in a bed, getting what rest I could sitting in my chair. My difficulty of breathing and my sufferings, were so great at times, that for hours together my friends expected each hour would be my last. During the past six years I have had the aid and attendance of some of the most celebrated physicians, but have received no permanent benefit, and but little relief. I at length had the good fortune to procure Dr. Curtis's Hygean or Inhaling Hygean Vapor and Cherry Syrup. At the time I first obtained it, I was suffering under one of my most violent attacks, and was in great distress, almost suffocating for want of breath. In less than ten minutes from the time I applied the Inhaler to my stomach, and took a teaspoonful of the Cherry Syrup I was relieved in a great measure from the difficulty of breathing, and had a comfortable night. I have since continued it with the greatest possible benefit, and am now comparatively well. God only knows the amount of suffering this medicine has relieved me from. My advice to the suffering is,—TRY IT.

MARGARET EASTON.

CONSUMPTION CURED.

NEW YORK, Dec. 27th, 1853.

I came to New York in the ship Telegraph, my native place is St. John, New Brunswick, when I reached this city, my health was very poor, had a very bad cough, raised a good deal of matter, which was frequently mixed with blood, bad pain in my left side, and was very weak and emaciated. My friends and physician pronounced my case consumption, and beyond the reach of medicine. I accidentally heard of Dr. Curtis's Hygean, or Inhaling Hygean Vapor and Cherry Syrup, and obtained a package, which I verily believe was the means of saving my life. Soon after wearing the Inhaler, I found it relieved the pressure on my lungs, and after a while the disease made its appearance upon the Inhaler. I took the Cherry Syrup as directed, and continued to do so, my cough gradually growing better, until it entirely left me, and I now consider myself cured. I still wear the Inhaler, as the use of it is rather pleasant, and believing it strengthening and purifying to the lungs, I feel unwilling at present to dispense with it.

Price—\$3 a package.

Sold in St. John by Fellows & Co., S. L. Tilley, R. D. McArthur, T. M. Reed, Beatty & Steves, and J. F. Secord. June 30.
