

STEAMER "CREOLE."**Permanent Arrangement.**

WINDSOR, HILLSBORO, DORCHESTER, AND THE BEND.

Two Trips to BEND and One to WINDSOR Weekly.

The splendid Steamer CREOLE, Capt. STEEN, will leave St. John for the BEND, calling at Hillsboro and Dorchester, every Monday and Friday evenings tide—returning on Tuesday and Saturday; and will leave for Windsor every Wednesday evening tide, returning on Thursday.

The boilers of the "Creole" have had a thorough repair, and are now in fine order; the Engine is sound and works well. The really splendid accommodations of this steamer and her excellent sea-going qualities are too well known to require further remarks—she can carry 250 passengers comfortably, and has abundance of room for freight, which goes under cover—is supplied with one of Francis' patent metallic Life Boats, with an abundance of Life Preservers, and every other article in accordance with the requirements of the "Steam Boat Act." She is efficiently officered, and the public can depend on her running regularly and leaving at the hour appointed. Her proprietors feel disposed and are determined to use every possible exertion to give satisfaction, and to render her worthy of the confidence and patronage of the public.

All Freight to be accompanied by way bills. The patronage of the Public is respectfully solicited.

Agent at Bend, A. WRIGHT; at Dorchester, Mr. Wm. HICKMAN; at Windsor, Mr. D. E. GELBERT; and the undersigned at St. John.—All of whom will be prepared at all times to give every information relative to the Boat.
