

Poetry.

SATURDAY EVENING.

How sweet the evening shadows fall,
Advancing from the west
As ends the weary week of toil,
And comes the day of rest.

Bright o'er the earth the star of eve
Her radiant beauty sheds;
And myriad sisters calmly weave
Their light around our heads.

Rest, man from labor! rest from sin!
The world's hard contest close:
The holy hours with God begin—
Yield thee to sweet repose.

Bright o'er the earth the morning ray
Its sacred light will cast.
Fair emblem of the glorious day
That ever more shall rest.

MEDICATED INHALATION.

A New Method!

A MOST WONDERFUL DISCOVERY HAS RE-
cently been made by Dr. CURTIS for the cure of
Asthma, Consumption, Bronchitis, Coughs, Colds, and all
Lung Complaints, by Medicated Inhalation. Dr. CUR-
TIS'S HYGEAN VAPOR and CHERRY SYRUP, has
accomplished the most wonderful cures of Asthma, and
Consumption in the City of New York and vicinity for a
few months past, ever known to man. It is producing an
impression on Diseases of the Lungs never before witness-
ed by the medical profession. [See certificates in hands of
Agents.]

The Inhaler is worn on the breast under the linen, with-
out the least inconvenience, the heat of the body being suf-
ficient to evaporate the fluid, supplying the lungs con-
stantly with a healing and agreeable vapor, passing into all
the air-cells and passages of the lungs that cannot possibly
be reached by any other medicine. Here is a case of

ASTHMA CURED.

BROOKLYN, N. Y., Dec. 20th, 1853.

For about eight years I have been severely afflicted with
the Asthma; for the last two years I have suffered beyond
all my powers of description: months at a time I have not
been able to sleep in a bed, getting what rest I could sit-
ting in my chair. My difficulty of breathing and my suf-
ferings, were so great at times, that for hours together my
friends expected each hour would be my last. During
the past six years I have had the aid and attendance of
some of the most celebrated physicians, but have receiv-
ed no permanent benefit, and but little relief. I at length had
the good fortune to procure Dr. Curtis's Hygean or In-
haling Hygean Vapor and Cherry Syrup. At the time
I first obtained it, I was suffering under one of my most vi-
olent attacks, and was in great distress, almost suffocating
for want of breath. In less than ten minutes from the time
I applied the Inhaler to my stomach, and took a teaspoon-
ful of the Cherry Syrup I was relieved in a great measure
from the difficulty of breathing, and had a comfortable
night. I have since continued it with the greatest possible
benefit, and am now comparatively well. God only knows
the amount of suffering this medicine has relieved me from.
My advice to the suffering is,—TRY IT.

MARGARET EASTON.

CONSUMPTION CURED.

NEW YORK, Dec. 27th, 1853.

I came to New York in the ship Telegraph, my native
place is St. John, New Brunswick, when I reached this
city, my health was very poor, had a very bad cough,
raised a good deal of matter, which was frequently mixed
with blood, bad pain in my left side, and was very weak
and emaciated. My friends and physician pronounced
my case consumption, and beyond the reach of medicine.
I accidentally heard of Dr. Curtis's Hygean, or Inhal-
ing Hygean Vapor and Cherry Syrup, and obtained a pack-
age, which I verily believe was the means of saving my
life. Soon after wearing the Inhaler, I found it relieved
the pressure on my lungs, and after a while the disease
made its appearance upon the Inhaler. I took the Cherry
Syrup as directed, and continued to do so, my cough gra-
dually growing better, until it entirely left me, and I now
consider myself cured. I still wear the Inhaler, as the use
of it is rather pleasant, and believing it strengthening and
purifying to the lungs, I feel unwilling at present to dis-
pense with it.
