selves worthy of their position in the glorious Old Light Division. In the midst of the fight, Major Gordon, of the Royal Engineers, displayed that cool courage and presence of mind which never forsakes him. With a little switch in his hand, he encouraged the men be adopted for publicly displaying our joyful to defend the trenches, and, standing up on feelings at the approaching visit of the Emthe top of the parapet, all unarmed as he was, peror of the French and his illustrious conhe hurled down stones on the Russians. He sort to our most gracious Majesty the Queen, was struck by a ball, which passed through the at Windsor Castle." After some discussion, lower part of his arm, and from the same or and the adoption of a Resolution to give their from a different musket, at the same time he Majesties a cordial reception, Captain Bulkereceived a bullet through the shoulder. We all rejoice that he is not dangerously wounded, and that the army will not long be deprived of his services. After an hour's fight the enemy were driven back, but we have to deplore dress was presented to His Imperial Majesty. the loss of the following officers killed, wounded, or missing:—Colonel Kelly, 34th regiment, killed; Lieutenant Jardon, 97th regiment, killed; Lieutenant Lieutenant, killed; ment, killed : Captain Cavendish Brown, 7th regiment, killed; Lieutenant Vicars, 99th regiment, wounded; Captain Montague, Royal Engineers, missing; and Major Gordon, Royal Engineers, wounded.

"The enemy have either become desperate or have been inspired and encouraged by their recent encounters with the French on our right. Their guns are nearly silent day and night, but they have not been retired. each occasion. Last night, indeed, they re-French, it is believed, lost between 300 or 400 men and 15 officers killed, wounded, and missing. On the other hand, the enemy must have suffered a loss of 600 or 700 men, although they succeeded in concealing the severity of their loss by carrying off their dead and wounded, as usual. Still, the number of dead bodies lying along the front of our trenches, proves that they received a heavy loss. The podies of twelve men and of one officer remain in the trenches of our left attack. The hill-sides below the Round Fower and and the Mamelon are covered with their dead, mingled with the French. The corpse of a Zouave ofthe abbattis of the Round Tower, where the and dull. gallant soldier fell as he led on his men in pursuit of the Russians. No flag of truce has been sent in from either side to demand per- hence ; Victor, the Clyde ; Eclipse, Gravesmission to bury the dead. They are tying about among the gabions which have been knocked down in front of the French sap towards the rifle pits in great numbers." Up to the 8th of April both armies at Se-

bastopol remained in the same position. The weather fine and dry.

IF Sold by Fellows & Co., St. John, and by all Druggists throughout the Province.

VERY IMPORTANT INPORMATION. Dr. Johns, one of the most celebrated physicians in New York, writes as follows:

Dr. Curtis—Dear Sir—Having witnessed the excellent effects of your Hygeans, or Inhalling Hygean Vapor, and Cherry Syrup, in a case of chronic Bronchitis, and being much in favor of counter irrtation in affections of the throat, bronchil tubes and lungs. I can therefore cheerfully recommend your Medicated Analysis. tions of the throat, bronchil tubes and lungs. I can therefore cheerfully recommend your Medicated Apparatus as being the most convenient and effectual mode of applying any thing of the kind I have ever seen. No doubt thousands of persons may be relieved, and many cured, by using your remedies.

You are at liberty to use this in any way your may think present.

You are at liberty to use this in any way your may think proper.

C. Johns, M. D. No. 609 Houston St., New York.

Prof. S. Center writes as follows:

Gentleman—I have recently had occasion to test your Cherry Syrup and Hygean Vapor in a case of chronic sore throat, that had refused to yield to other forms of treatment, and the result has satisfied me, that whatever may be the composition of your preparation, it is no imposition, but an excellent remedy. I wish, for the sake of the afflicted, that it might be brought within the reach of all.

Rev. Dr. Cheever writes:—

W. CLEAR'S Marble Works Establish-Golden Ball, St. John, N. B.
REFERENCES: Rev. Wm. Armstrong, James Pater-

son, LL. D.

The Subscriber respectfully informs his friends in Saint John, and the Public generally through the Provinces, that he has opened a new Marble Cutting Establishment, in the second house East of the Golden Ball, in Union Street, where he is prepared to execute Monuments, Tomb Tables, Head Stones; Centre Tables, &c., in a workmanlike style. A superior Mechanic has been employed to assist in the Ornamental Work. The work produced in this Establishment will not be inferior to that of any other shop in this city. The Subscriber would therefore solicit a continuance of that patronage which was so liberally bestowed on his account, previous to the dissolution of the Firm of M'Kim & Clear. Work and Stock warranted. Ten per cent discount for Cash.

FRESH GARDEN SEEDS. - CHALONER & Hunr have just reserved per Themis, their usual supply of Garden and Flower Seeds, to which they would respectfully call the attention of the Public, as they are from a London house, and may be depended upon. CHALONER & HUNT, DRUGGISTS,
April 25. 1m Opposite the St. John Hotel.

SHARP'S BALSAM of HOREHOUND.-GEO. C. GARRISON & CO., Head of King street, or

March 14. SELLING OFF.—The subscribers intend removing on the 1st of May next, into the Store at present occupied by Mr C. M'Cart, and as their stock cannot be removed without considerable risk and in-convenience they have concluded to sell the whole of it, at greatly reduced prices.

We, therefore, commence from this date, and will continue until the time of our removal to dispose of our goods at such prices as must be an inducement for all to purchase of us.

GEO. C. GARRISON & CO. o purchase of us. GEO. C. GARRISON & CO. Head of King Street, or Reed's Point.
