The Russians could not hold Eupatoria if taken, as it is completely under the guns of the English fleet.

announces a steady fire without change in the however going on. The Russians continue to strengthen the works they recently threw up in advance of the Malakoff tower. These are not isolated works but part of an advanced line of defence, and it is consequently indispensable for the Allies to destroy them, - the British are therefore, pushing forward a par-allel from an advanced point of right attack, with view to form a junction with corresponding parallel made on their side by the French ghtly encounters take place between French and Russian riflemen; the latter have been under cover of batteries.

THE PRINCIPALITIES.—Reports are revived of a French division for Bessarabia, and Muslaits named as their place of rendezvous. Sulina is occupied by a strong Russian garrison, and the export of corn from Bessarabia

ASIATIC COAST.—The British steam frigate Viper destroyed on the 8th of March the Martello tower and barracks of Djimiterea, which the Russians recently constructed for the detence of their communication between Anapa ies at the same time. The British steam frisians having failed to attack by land, as promised, the ship continued the bombardment. The Circassians, however, took and burned a small fort at the head of Soujak Bay.

Constantinople.—The treaty of alliance between Sardinia and Turkey is signed.

The death of Prince Menschikoff is re-

It was stated by the Paris Presse, but denied by other papers, that Allies had assented to a truce.

A manifesto of the holy Synod of the Russian Church has appeared, inciting the war in

defence of the faith. No loss of life occurred in the recent burn-

ing of the French hospital at Constantinople. GREAT BRITAIN.-In Parliament details of the Sardinian Convention Bill were discussed in Committee, showing that England will borrow money at three per cent. and lend it to Sardinia at four. Roebuck's committee continues in Session-medical officers being examined. An enquiry for papers connected with Admiral Dundas's conduct before Odessa was refused to the House of Commons, Lord Palmerston remarking, that there was no part of Admiral Dundas's conduct but did him honour. The Earl of Lucan's conduct was discussed in the Commons, and a motion to grant him a Court Martial. Lucan's gallantry was admitted, but the Court was refused. A motion is on the books for the appointment of a Commission on the amalgamation of the British and Indian armies, or at least to render the Indian army available in the European war. Another notice of motion asks if it is intended to nominate any more Bishops for Canada, since the Clergy Reserve Bill says it s desirable to remove all connection with

Truss:a is increasing. The Prussian cabinet has retorted on Austria's circular of war of the 8th, by sending a circular to the Prussian representatives at the German courts respecting. Austrian intrigues with the Germanic Diet. The language of the circular is quite hostile to Austria. It says—"It is evident beyond contradiction, that the Cabinet of Vienna is desirous to substitute its own note or those of the Diet, and to this end. judgment can find any, and adduces the views which prevailed at the conclusion of the treaty of April, and its additional article, as the sole guide of action, in place of the general principles of the confederation."—
The circular further taxes Austria with dis-

overland mail, state that the French had attacked the city, and had been repulsed with loss by the insurgents. The country around Canton is in the hands of the insurgents, who officially notify their intention to maintain a strict blockade. There are rumours of a second repulse of the French.

VIENNA CONFRENCE.—The Washington Sydney on 17th January. No further discarried out intelligence that the first of the turbances at Ballarat. Trade in Australia four bases of peace was unconditionally ac. somewhat improved, but politically matters unsatisfactory. Prices of Wool flat. Gold

Western Powers, foreseeing trouble, did not Ivan-Veik, in the Kremlin, fell to the ground propose the demolition of Sebastopol, but at the moment when the ceremony of swearmodified their demand into a reduction of the ing allegiance and fidelity to the new Empe-Russian power in the Black Sea, in recompense ror was going on, and by its fall crushed for which they offer to evacuate Russian terri-nearly 100 persons. For a people so supertory. The Russian plenipotentiaries reply stitious as the Russians, this disaster has apthat they are not authorized to accede to any peared a most sinister omen, and the letter such terms, and must remit the matter to St. which gives an account of the event states Petersburg. Prince Gortscha- the weather remain fine, and the roads prackoff, on the 26th, moved for the admission of ticable, provisions can be brought up from Odessa, which we were foolish not to destroy, SEBASTOPOL.—The special correspondence since after all it is not only a commercial town of the London Times describes the condition but also a Russian depot. The malaria in of the army as much improved. The weather Sebastopol is dreadful and both the inhabitants was fine, and the health and spirits of the and the troops suffer from disease in its most troops better. Provisions were abundant, malignant form. Part of the town is deserted; but actual works of seige make no pro-gress to justify favourable prophecies. An actual increase of lines and batteries there is

But the most important piece of news is that (but it exists on both sides), and there has been the stores of amunition are nearly exhausted, no comparative advantage gained by the and that gun powder especially is running Alties. Short. Making all due allowance for the A formidable Russian force is assembled proneness of the deserters to tell news which around Eupatoria, and virtually besieges the is agreeable to those to whom they desert, place. On the 14th, the Russian cavalry there are many circumstances which support

NEWS OF THE CZAR'S DEATH .- The news was received by officers and men with joy in many instances cheers were given. The fact is, the army looks upon it as a stroke of Lord Ragian's latest despatches, dated blank, Providence to put an end to a deadly struggle brought on solely by one individual. They aspect of affairs; important operations are look upon Nicholas as the cause of this war, and, consequently, of the misery and death of so many thousands. This morning, March 7, a "flag of truce," was sent to the lines under charge of Lieutenant Colonel Burghersh. aide-de-camp to Lord Raglan, with letters, etc., for prisoners of war in the garrison.-After the usual formalities had been gone through, his lordship assumed, to the best of his power (which is not very perfect, for he is naturally a very pleasant looking man), a grave face, and asked, " Have you heard the news?" "No, what news?" was the reply. repeatedly dislodged but again return to pits "Why the Emperor," replied his lordship. " No," was the reply; "What of him?"-His death," replied his lordship. " Not true—false; good day" was the reply in one breath, and the officer returned into the garrison, and his lordship to head quarters. The Russian prisoners state that facts are kept for weeks from the army-but one like this, they think, will soon spread .- M. Post.

An Arrist at the Camp. I saw to day the sketching correspondent of the Illustrated London News, who had been permitted to sketch amusing groups about the camp. He and Kirtsch. The Viper fired from 100 yards has made a very clever and graphic sketch of burned granaries and took two guns. The Circassians menaced by land the Stiles batter-been lying in a putrid state, bordering the river Inkermann, ever since the 5th of Nogate Leopard, acting in concert with the Circas-cassians shelled Soujak Kale, but the Circas-sians having failed to attack by land, as prothe opposite side, but he succeeded in completing his work before he left the place.

THE RUSSIAN MEDAL. -On the bodies of numbers of the Russian soldiers who recently fell before Eupatoria were found the silver medal of the decoration of St. George. On one side is engraven the Russian eagle with two heads, holding in its talons the terrestrial globe and the sceptre of the sovereign; over the eagle is the imperial crown of Russia, surmounted by the illuminated dove, and round these figures is the following motto in the Russian language:—"Fall on your knees, idolaters, for God is with us." On the other side of the medal is the following motto, also in Russian :- " For the submission of Hungary and Transylvania;" which sufficiently cates its origin. It is a most assessed as

UNITED STATES.

HORRIBGE ACCIDENT-TWENTY-FIVE MEN BURIED ALIVE.—Philadelphia, April 2.—The new and extensive Glass Factory, at the town of Progress, on the mouth of Rancocas Creek, N. J., was blown down yesterday, during the gale, and twenty-five men, engaged in the manufacture of glass, were buried in the ruins. At the latest dates from the scene of disaster, eight dead bodies had been recovered, and several men taken out, seriously injured. Among the killed was a son of Alderman Palmer of this city. The property belonged to Julius Ketter, and is damaged to the amount of \$15,000. "The "New York Herald" observes, that since the return of Mr. Soule, two very significant declarations have emanated from

HOUSE OF ASSEMBLY.

By telegraph to the News Room

TUESDAY, April 10. The House passed a large number of bills of a local nature, and to continue expiring acts, &c. A bill to Incorporate a Telegraph Company, who intend to lay down a cable from Ireland to Newfoundland, thence to Prince Edward's Island, and through this Province to the United States, was committed and elicited a warm debate; but from the fact that there was a bill on the fyles to incorporate another company having the same object in view, the House feared they would be doing injustice to pass one bill without the

The House then went in Committee and have a salary of £600 a year, and must have tions in the above attended to seat in the Executive, and in the House.-An attempt was then made to reduce the salary of the Postmaster of St. John from £400 Bennet will deliver his lecture on Medo-Persian Emto £300, but was negatived by a vote of 14 pire. Doors open at 7½ o'clock. Lecture at 8

Hon. Provincial Secretary by command of His Excellency, laid before the House a despatch from the Secretary of State for the by Dr. Curtis, of this city, in the treatment of Consumption, Asthma, and all the diseases of the lungs. We iesty's thanks for the £5,000 appropriated early in the Session to the Patriotic Fund, and C. has restored many afflicted ones to perfect health. the addres which accompanied it .- Head as an evidence of which, he has innumerable certifi Quarters.

April 11 .- The odds and ends contingent upon the close of the Session have been in progress all day, and a great number of resoutions have been passed, re-considered, requantity of local Bills agreed to in some haste has also been great, and of these and some others remaining not less than a dozen have been passed in the Legislative Council. The most important of the latter is the Post Office

Rill which account in the Council of the latter is the Post Office.

under the Hon. Mr. Steves.

upon the close of the session. At ten minutes past five, p. m., His Excellency came down and read the Speech in his best manner. The Bills assented to are fifty-nine, the whole of which are ordered to be enrolled,

except a Bill on Mining, which is simply assented to. THE GOVERNOR'S SPEECH :

Mr. President and Hon. Gentlemen of the Legislative Council.

Mr. Speaker and Gentlemen of the House of Assembly :

You have been engaged during the present Session in the consideration of many subjects of great importance. I acknowledge, with another column. thanks, the assiduity with which you have applied yourselves to the discharge of your public duties. The laws which regulate the election of Members to serve in the General Assembly; the disputed questions by which the prosecution of Mining operations has hitherto been impeded; and the system of management of the Roads and Bridges of the Province, have successively occupied your at-

I trust that the measures you have passed may give satisfaction and promote the public

Mr. Speaker and Gentlemen of the House of

I thank you for the supplies which you have voted for the public service. You may be assured that I shall exercise care and economy in the outlay of the sums which you have placed at my disposal. of the area

The establisement of a responsible department, for the management of the Rouds and Bridges of the Province, will, I confidently expect, afford a new security for the judicious expenditure of the money appropriated for the maintainance of these works.

The Act for raising a Revenue will, I trust, be found sufficient to provide the necessary funds; and I hope that the recent revision of the import duties may prove advantageous to

I congratulate you on the termination of the labours of the Session. In releasing you from further attendance, I desire to express to you the satisfaction which I have derived Bark Acadian, Power, Yarmouth, 2—C. from your attention to the public business of the Session. I assure you of my cordial good vishes for the success of the private pursuits to the prosecution of which you will now re-

FIRE.-A fire occurred in Wiggins' brick lding, corner of Prince William and Princess streets, at 2 o'clock, P. M., Friday, in the store occupied by John Kinnear, Esq. It originated in the cellar where a Tinman was ed in soldering a leak in a tank usually The circular further taxes Austria with dissimulation in threatening Prussia with military dangers, while to the rest of Europe it talks confidently of peace.

Sweden.—Notwithstanding the declaration of neutrality, Sweden is fitting out a fleet provisioned for three months.

Shocking Accident Last week as a simulation in soldering a leak in a tank usually simulation in threatening Prussia with military dangers, while to the rest of Europe it talks confidently of peace.

Sweden.—Notwithstanding the declaration of neutrality, Sweden is fitting out a fleet provisioned for three months.

Sweden is fitting out a fleet with turpentine. A spark falling from filled with turpentine. A spark falli

lature. Speaking of this Grant of £5,000, well for the growing prosperity of the country. It shows not only the New Brunswickers are satisfied with the rule of Britain, but also that they have attained to a degree of material welfare which hitherto has not been generally associated with popular ideas of the country. Something more than bare rocks and gloomy pine forests must have been concerned in producing the state of contentment and prosperity of which this patriotic ardour is no equivocal manifestation. It is a thing to cause the physical aspect and the natural resources of New Brunswick to be examined and considered by intending emigrants; and when these are understood and appreciated the result will doubtless be an extensive immigration into that colony toda out as soits

HYGEANA.

A WONDERFUL DISCOVERY has recently been mad refer to "Dr. Curtis' Hygeana, or Inhaling Hygean Vapor and Cherry Syrup." With this new method Dr. cates. Speaking of the treatment, a physician remarks:

—It is evident that inhaling—coustantly breathing an agreeable, healing vapor, the medicinal properties must come in direct contact with the whole of the ærial cavities of the lungs, and thus escape the many and varied changes produced upon them when introduced into the stomach and subjected to the process of dijected and re-passed during the day. The gestion. The Hygeans is for sale at the Druggists' throughout the country. New York Journal Jan. 14. See advertisement of Medical Ithalation in another column of this paper.

Dr. Johns, one of the most celebrated physicians in

a majority of one in its favor.

Connell and Harding are named as the candidates for the Post Office; and End, it is said, will be clerk of the Board of Works, writes as follows.

Dr. Curris—Dear Sir—Having witnessed the excellent effects of your Hygeana, or Inhalling Hygean Vapor, and Cherry Syrup, in a case of chronic Bronchitis, and being much in favor of counter irration in affections of the throat, bronchil tubes and lungs. I can therefore cheerfully recommend. April 12.—Both Houses were engaged during the day in the preliminaries consequent upon the close of the session. At ten minutes ing the day in the preliminaries consequent think proper. Respectfully, yours, &c. C. Johns, M. D. No. 609 Houston St., New York.

Prof. S. CENTER writes as follows: your Cherry Syrup and Hygean Vapor in a case of chronic sore throat, that had refused to yield to other forms of treatment, and the result has satisfied me, that whatever may be the composition of your preparation, it is no imposition, but an excellent remedy. I wish, for the sake of the afflicted, that it might be brought

within the reach of all. Rev. Dr. Cheever writes:-New York, Nov. 15, 1854. Dear Sir-I think highly of Dr. Curtis's Hygeana as a remedy to diseases of the hroat and lungs. Hav ing had some opportunity to test its efficacy, I am convinced that it is a most excellent medicine, both the Syrup and the inhaling application to the chest
The Hygeana is for sale at St. John by FELLOWS
& Co., wholesale & retail. See Advertisement in

W. H. ADAMS. TIO the Electors of the City of Saint John. GENTLEMEN,—On Tuesday, the first day of May next, I shall, if spared, be a Candidate for the office of Mayor; and, should I be elected to that hon-ourable position, will use my best exertions to conduct the affairs of the office in a manner that will be creditable to myself; and conducive to the general interests of my fellow citizens.

I have the honour to be, Gentlemen,

Your obedient servant, S. K. FOSTER April 11,

no the Electors of the City of Saint John -GENTLEMEN, -On the 1st day of May next, ing a majority of your votes, you may be assured that laws will be carefully carried out, and the interests of the City will receive my undivided attention. I have the honor to remain, Your most obedient servant.

VALUABLE STOCK AND STAND FOR SALE BY TENDER.—The subscriber being

on account of his health, oners to dispose of, by Fender, the valuable Stock of CLOTHS, CASSIMERES, DOESKINS, VESTINGS, REAEY-MADE CLOTHING, and Gentlemen's Furnishing Goods—all of recent importation—of the well knewn Establishment, called the "Woollen Hall," at the corner of Prince William and Princess Streets, in this with the lease of the Store. The situation of the premises as a business stand is most desirable, being directly epposite the stand is most desirable, being directly opposite the News Room and in the vicinity of the Ban'ts, Post Office, and Professional and Merchants' Offices. An inventors of the Goods on hand can be seen

the premises.

Terms will be made to accommodate the purchaser.

Every particular made known on application to the proprietor.

St. John, N. B., March 21, 1855.

F. W. CLEAR'S Marble Works Establish-ment-Union street-2nd House East of the Golden Ball, St. John, N. B. REFERENCES: Rev. Wm. Armstrong, James Pater

son, L.L. D.

The Subscriber respectfully informs his friends in Saint John, and the Public generally through the Provinces, that he has opened a new Marble Cutting Establishment, in the second house East of the Golden Ball, in Union Street, where he is prepared to execute Monuments, Tomb Tables, Head Stones; Centre Tables, &c., in a workmanlike style. A superior Mechanic has been employed to assist in the Ornamental Work. The work produced in this Establishment will not be inferior to that of any other shop in this city.

The Subscriber would therefore solicit a continuance of that patronage which was so liberally bestowed on his account, previous to the dissolution of the Firm of M'Kim & Clear. Work and Stock warranted. Ten per cent discount for Cash. F. W. CLEAR. April 2.

TWO SHOPS TO LET.—On or before the 16th day of May next,—One Double and one Single Shop, in Prince Wm. street, between the Commercial Bank and Bank of British North America.

These shops will be modernised gith glass fronts, extending back from 40 to 50 feet. This situa ion has become the best in the city for transient and city cus-tom. The Wharf at Reed's Point for the Boston and Bay sea-going steamers, the new Hotel, opposite the Day sea-going steamers, the new Hotel, opposite the Custom House, to accommodate between two and three hundred strangers; Mr. Ritchie's new Building, containing between 40 and 50 offices, Mr. Wiggins' Buildings, Telegraph office, Banks, Insurance offices, Printing Offices, Reading Room, Railroad Offices, Carleton Ferry Boats, Mayor and Common Clerk's Offices, &c., &c., draw all the heaviest part of the business that is transacted in the city to this locality. Prince Wm. street has always been the street for custom trade, and no doubt will be more so now.

Two comfortable dwellings in the same building,

will be ready to let on 1st May, and if required will will be ready to be the shops. It is connection with the shops.

March 30.

Si

EEP YOUR HOUSES CLEAN.—We have just received a supply of very superior WHITING, ed and Yellow Ochre, Rose Pink, Glue, Rotton one, Polishine Paste, Black Lead, &c.
