The Supply Book was ordered to remain open until to-morrow.

The Bill relating to the debt and property of the City of St. John was adopted with certain amendments.

Mr. Tibbits' motion for an address to his Excellency respecting expenses incurred in the survey of the disputed territory by E. A. Botsford and others, was carried without a discussion.

College question not taken up to-day in consequence of the absence of Mr. Gray.

House in Supply nearly all day. Several large grants was placed on the Supply Book, most of which had been recommended by the Trade Committee.

The Trade Committee recommended a sum of money to be placed at the disposal of his Excellency the Lieutenant Governor to settle claims of brewers and others, arising out of losses sustained by the operation of the Prohibitory Law. The report was accepted without considerable opposition being offered to the recommended appropriation.

(The sum is said to be £10,000.)

Mr. McNaughton's Bill to amend the Election Law stands as the order of the day for Friday.

House adjourned at quarter to six o'clock.

FREDERICTON, April 17th.

Business rapidly proceeded with in the House to-day.

College question taken up at three o'clock. Mr. Street spoke in opposition to Mr. Connell's bill. Hon. Solicitor General spoke for nearly one hour—did not say which Bill he would vote for. Progress reported.

Mr. Waters introduced a bill to authorize the manufacture of Ale, Porter, Beer and Cider in this Province.

Supply Book closed this evening. House for a time resembled a bear garden in the discussion evinced by members to participate in the general scramble. The Speaker had much difficulty in preserving order.

House adjourned a few minutes after six o'clock.

FREDERICTON, April 18th.

The Bill relating to the trade and navigation of the River St. John was postponed for three months.

The Bill to establish additional polling places in the County of York passed in Committee. The Bill to authorize the establishment of a Bank at Shediac passed without much opposition.

The College question was again resumed. A motion to adopt the Bill introduced by Mr. Fisher was rejected by a vote of 20 to 10.

A short discussion upon the report of the Trade Committee respecting the claims of the Brewers elicited the fact that the report had been signed by a minority, and could not be recognized by the House.

On motion of Mr. Allen, it was ordered that the house do to-morrow, at 11 o'clock, go into consideration of the message from His Excellency respecting the appointment of the Sheriff of Carleton County.

FREDERICTON, April 19.

House doing business for a short time this morning with closed doors. Much anxiety evinced by members to proceed with business. Progress was reported on the Bill to incorporate the Indian Town Railway Company.

At eleven o'clock the House proceeded to the order of the day in consideration of the message from His Excellency respecting the appointment of the Sheriff of Carleton County. Mr. Allen spoke for an hour and a half. He endeavored to prove that the Government had pursued an unjustifiable course in dismissing Mr. Winslow, and at the close of his speech moved a resolution that act of the Government was not the approbation of the House.

Mr. Connell replied to Mr. Allen, and spoke for nearly two hours. He justified the course pursued by the Government in appointing the gentleman who had been annually elected Sheriff of Carleton since 1851, and explained the reasons why he and his colleague had recommended the appointment. Mr. Tibbits accused the ex-Sheriff of Carleton of exercising an avowed propensity on several occasions, and justified the removal. Mr. Cutler also defended the course pursued by the Government. Several other

members spoke, nearly all of whom regarded the resolution as expressive of want of confidence.

A motion was made by Mr. Gray that progress be reported. Mr. Steadman moved an amendment that the further consideration of the resolution be postponed for three months.

A long discussion followed, when the amendment was sustained by the following division:—

YEAS—Connell, Tibbits, L. B. Harding, Ryan, Tilley, Fisher, Boyd, Brown, Gillmor, Sutton, Johnson, Landry, Steadman, Cutler, Ferris, J. A. Harding, McAdam, McPhelim, McLeod, Montgomery—20.

NAYS—Allen, Gray, Botsford, Armstrong, Godard, Kerr, End—9.

FREDERICTON, April 21st.

A Bill introduced by Mr. Gray relative to Promissory Notes caused a long discussion, and was finally postponed for three months.

The House was engaged for some time in consideration of granting Supplies. Several School grants were rejected. The motion to give the usual amount to the New-Brunswick & Nova-Scotia Land Company was followed by a sharp and protracted discussion.

The speeches of Messrs. Ryan and Macpherson were characterized with much warmth, and at one period a duel was apprehended! The motion was finally rejected.

The Bill to abolish the grant to King's College was again taken up. Mr. Cutler supported the Bill, and urged the reasons why the cause of Education was in such a backward state throughout the Province. Mr. Street opposed the Bill, and contended that its passing would be an eternal disgrace to the Province. The Bill was further opposed by Messrs. Macpherson and Gray, and supported by the Speaker. Progress was reported.

The Bill is to be taken up again after the reading of the Journals to-morrow.

Hon. Mr. Fisher introduced a Bill relating to the collection of the Revenue.

The Session is not expected to terminate until the 1st of May.

We learn that the ice made its first start at Fredericton on Friday last, and that it since began to move at Woodstock. We have no doubt therefore that there will be speedy communication between St. John, and the above named places.

An old pensioner named Boyce was found dead, on Wednesday evening, in an alley between Brussels and Erin Streets, not far from his own house. His body bore no marks of violence.—Freeman.

CHARLOTTE COUNTY.—At a meeting of the Court of General Sessions of the Peace last week, the following persons were appointed agents to sell liquors for medicinal, mechanical and other purposes in the several Parishes of this county:—John Bradford, St. Andrews, Joseph Andrews, St. Stephens; Nicholas Mealing, St. George; Joshua Prescott, Penfield; Thomas Murphy, St. Patrick; Joan Sivers, West Isles.

We understand that Frederick C. Frith, Esq., who for the last thirty-five years has filled the office of Deputy Ordinance Store-keeper in this Garrison, is about to return to England, having been allowed to retire from the service on full pay. Mr. Frith we believe entered the service in the year 1803, and has therefore for more than half a century been actively engaged in the Ordinance Department. The approbation of his character and conduct during that long period is sufficiently evinced by the liberality of the Imperial Government, and must be gratifying alike to himself and his friends.

We notice that by the last Army List W. H. Tapp, Esq., has been appointed as Mr. Frith's successor in New Brunswick.—Cou.

Alex. John A. Morrison, John Armstrong, Messrs. Tapp, John Fotherby, William Magee, Alex. Adams, and James Lupton, of this City, were among the passengers in the Steamer Cambria from Liverpool to Halifax.

SCARLET FEVER.—The Gloucester correspondent of the Miramichi Gleaner, under date of Bathurst, April 3d, says—"The prevailing epidemic, scarlet fever, is still raging with great violence in some of the eastern parishes, upwards of thirty deaths are reported at Carleton, and over twenty at the lower part of New-Bandon in one week; the disease is alarmingly fatal in these districts."

Another correspondent of the same paper states that in the Parish of New-Bandon about one hundred children have been carried off by this terrible disease.—Cou.

The extraordinary number of one hundred and twenty passengers arrived at Halifax on Friday last, in the packet-boat America from Boston, also thirty in the packet-boat Boston.

"Quite a number of these," says the Halifax Chronicle, "have come hither to work on the railroad, and others to work at the Barracks at Fort Needham." About thirty Highlanders, from Cape Breton, to be employed on the Nova Scotia Railway, arrived at Halifax in the schooner Eliza Hooper on Friday.—Cou.

FIRE AT MONCTON.—A despatch to the News Room states that the house of Oliver Jones, Esq., was destroyed by fire on Thursday.

Information has been received by the Cambria, at Halifax, from Liverpool, of the death of Sir Rupert D. George, Bart., formerly Provincial Secretary of Nova Scotia.—Cou.

OBITUARY NOTICES.

DEACON AMOS A. CORY.

Died at Cambridge on the 10th of March, Deacon Amos A. Cory, aged 60 years, leaving an afflicted wife to mourn her loss, though she is sustained under the bereavement by the spirit of that dear Redeemer, in whom she delights.

The men of this world are careful to preserve reminiscences of earthly greatness and glory, nor would we suffer any opportunity to pass unimproved by which the greatness and glory pertaining to another state of being, shall be deeply engraven on our memories. If the recollections of striking developments of human character be adapted to instruct and improve mankind, surely Zion's friends should press into their service all those happy examples of christian devotedness which adorned the past generation, and which are fast fading from human view. Attention is now directed to one who during several years exemplified in no ordinary degree the power, beauty, and glory of the christian religion. "Though dead he yet speaketh." The meek department, the heavenly joy so expressed in his countenance, and the pious language of his heart which flowed as from a living fountain, will long live in the hearts of all who knew him. Our departed brother was enabled through grace to entertain a hope in Jesus his Redeemer, many years ago. Some six years since, he was brought more fully into the liberty of the gospel, and was baptized by Elder Smith, while he was assisting the writer at that place, in an extensive revival of religion. He read and studied his Bible prayerfully, and longed for perfect conformity to his blessed Redeemer. His house was a house for the Lord's children, and for the Lord's ministers. There they could find sympathy and encouragement from him and his beloved companion. Zion's interests lay near his heart. To promote these he labored and wept, and prayed, and his prayers of faith, as shown by results which followed. He esteemed highly our Institutions of learning, was a steady friend to Missionary, Bible, and Tract Societies, and contributed liberally for their support. He willingly bore a large share of the burden, or rather in his estimation, the privilege of supporting the gospel in his own neighbourhood, and manifested his love to his Redeemer, by bequeathing the church, of which he was a member, a valuable property. He took delight also in doing good in the Sabbath-school. The secret is, our departed brother loved God, it was this that consecrated his heart, his influence, his life, and his labors, and of the christian's duty, and lived in the fear of God. Hence he often enjoyed much of the Divine presence. During a protracted illness which he bore with christian fortitude and resignation, he enjoyed peace, and for several days before his death, he had great joy in believing. All was light, without a cloud. He remarked, "The Lord's ways are beautiful, praise the Lord." He died in the triumph of faith. May the Lord continue to comfort our afflicted sister with the blessed manifestations of his love.

The bereavement is one which will be very widely lamented, as the deceased was extensively known and highly esteemed, by all who had the pleasure of his acquaintance. The large attendance at his funeral, indicated the respect in which he was justly held. According to his last request, the writer preached his funeral sermon from the 1st Cor. xv: 57. "But thanks be to God which giveth us the victory through our Lord Jesus Christ." JAMES TRIMBLE.

MRS. THEODORE H. WORTMAN.

Died at Moncton, on the eleventh day of February, 1856, Mrs. Theodore H. Wortman. Mrs. W. was a daughter of Mr. Nathaniel Smith. She was born at Polet's River, in the county of Westmorland, on the 11th day of July, 1830. During the greater part of her life she sat under the faithful ministry of our venerable and much loved Father Crandal. She was early the subject of religious impressions, but like too many others kept them hid within her own bosom. In the autumn of 1854, she publicly professed religion. She was baptized by the Rev. Mr. Pennington, who at that time made a visit to Salisbury and Moncton. Her warfare was short, but she was an honor to the Christian Church, as her profession was well adorned. She had given all for Christ, and found him to be her support in life and in death. Her last moments were very happy. By faith she beheld the reward of the righteous, and longed to enjoy it fully.

She was called away at the very early age of 26 years and seven months, leaving a disconsolate husband, three children, aged parents, and many friends to mourn their loss. Her mortal remains were committed to the silent tomb on the 13th inst., when the living present were addressed by the Rev. James Newcomb in his usual solemn and pathetic manner. May all take the timely warning, and prepare for their last great change.—Communicated.

Salisbury, April 9, 1856.

ELIZABETH SCOTT.

Died, at Eastport, Me., on February 26th, Mrs. Elizabeth Scott, wife of the late Daniel Scott, aged 68 years, formerly of Penfield, N. B. Mrs. Scott experienced religion during a revival under the labours of the Rev. Samuel Robinson, by whom she was baptized and united with the Baptist Church in Penfield, of which she continued a worthy and consistent member till the close of her earthly pilgrimage. She was the mother of ten children, all of whom have professed faith in Christ. Two of them entered the spirit world before her, to the marriage supper of the Lamb. Her vacant place is seen and felt. She manifested a true christian character. With what confidence she spoke of her Saviour, and encouraged others to persevere in the divine life. She spent much time in secret devotion, and was often engaged in that duty after the family retired to rest. It was her disposition to do good and communicate spiritual comfort to others. She often regretted that she had not the privilege of doing more good in the world. The last year of her life was an uninterrupted season of pain and sickness. For a few weeks previous to her death she was subject to a dropsical complaint. Calm and resigned she cheerfully submitted to this severe discipline, feeling it to be a pleasure both to do and suffer the will of her Heavenly Father. Amiable and affectionate in her disposition, she was much endeared to all who came within the influence of her gentle spirit; through her long season of suffering she became more and more resigned to the will of her Heavenly Father, and she met her end feeling that to die is gain. She informed those who visited her during her illness, that the prospect was bright before her, yet she felt that there were ties which seemed hard to sever, but these were removed as she approached nearer the eternal world, and at last she breathed her spirit into the hands of Him in whom she had believed, in full hope of a happy entrance into the kingdom of God. She has left eight children and a numerous circle of friends and relations to mourn their loss.

MRS. JANE SHARP.

Died at Jemseg on the 13th of March, aged 74 years, leaving a husband, five children, sixteen grand children, and four great grand children, to mourn their loss. Mrs. Sharp was a person of a meek patient disposition. She was a member of the Baptist Church at Jemseg, and adorned her religious profession by a consistent christian conduct, and was admirably sustained by divine grace, and her profound piety, until she departed this life in the hope of a blissful immortality. May the Lord sanctify the bereavement and continue to sustain her disconsolate husband and continue to sustain her disconsolate husband and continue to sustain her disconsolate husband.

The funeral sermon was preached by Eld. J. Trimble, from John's gospel 14: 19 v. "Because I live ye shall live also.—Com.

Another Case of Fever and Ague Cured.

A few days ago we recorded an astonishing cure of Fever and Ague by the use of Dr. M'Lane's Liver Pills. We have now another to mention, viz: that of Mr. James S. Harper, of Madisonburg, who states that he had labored under a very severe attack of Ague and Fever, and was soon cured by the use of Dr. M'Lane's Liver Pills. He also expresses an opinion, founded on observation, that the Liver Pills are the best for bilious complaints ever offered in his section of country.

Although long known as a sovereign remedy for chronic cases of Hepatic derangement, or diseases of the Liver, the proprietors of Dr. M'Lane's Pills were not prepared for the frequent, but gratifying evidences of its general utility and curative efficacy. In this respect, this invaluable medicine has exceeded their most sanguine expectations, and induced them to hope that it will be introduced into every family in the United States.

Dr. M'Lane's Pills will be careful to ask for Dr. M'Lane's Celebrated Liver Pills, manufactured by Fleming Bros., of Pittsburgh, Pa. There are other Pills purporting to be Liver Pills, now before the public. Dr. M'Lane's genuine Liver Pills, also the celebrated Vermifuge, can now be had at all respectable drug stores. None genuine without the signature of FLEMING BROS.
