Land of my father's home of early days,
Where our good Queen her potent sceptre sways
O'er a free people, who are proud to own
The Sovereign virtues that adorn her throne.

VEGETABLE PAIN KILLER. The Most Popular Medicine in the World.

We take pleasure in referring to the virtue of Perry Davis' Pain Killer. We have used the article, and found it valuable in all the cases of this nature which have occurred in our practice, as the books of the office will show.

Another Letter from India. Messrs. Perry, Davis & Son—I am happy to be able to add that your medicine is doing good in India.

We are glad to learn that Perry Davis' Pain Killer is having so large a sale in our city. We have every reason to believe it to be an almost never failing cure for pain, and as such a most valuable medicine.

This unparalleled preparation is receiving more testimonials of its wonderful efficacy in removing pain than any other medicine ever known. It is a most valuable medicine, and one that should be in the hands of every person of intelligence, and every rank of life.

Dr. Kennedy, of Roxbury, Mass., has discovered in one of our common pasture weeds, a remedy that cures EVERY KIND OF HUMOUR, from the worst scrofulous disease to the most trifling eruption of the skin.
