The opening Lecture of the Young Men's Christian Association will commence on Friday the 12th inst., the Rev. Mr. Daniels of Zion's Church, Portland, being the Lecturer.

TEMFERANCE. The Grand Division of the Sons held their

annual meeting in St. John, last week. The atendance was good, and the business conducted with much spirit and harmony of fee ing .-The opinion prevailed that the time for renewed agitation on the subject of prohibition had arrived. Rev. Dr. Knight is appointed Grand Worthy Patriarch.

From the Clergy. Rev. J. G. Stearns writes :- I sonsider it the

best remedy I ever knew for Dyspepsia.

The late Rev. Dr. Granger repeatedly expressed his belief that he owed his life to the timely use of Perry Davis' Pain Killer. During his recent visit to the Missions in Burmah, he had a severe attack of the CHOLERA, and was immediately relieved by its use.

Rev. A. Webster, Editor of the 'Christian Era,'

writes: "I have used your Pain Killer for many years in my family, with much satisfaction."

Rev. J. Philips, formerly of the Orissa Mission,
India, writes: "My wife is using your celebrated Pain Killer for a rheumatic affection from which she has suffered for years, and with better effect than any other of the various remedies she has tried; I am using it for dyspepsia and kidmey complaints, with good success." Sold by medicine dealers.

Sold wholesale by S. L. Tilley, and by

Look here! good news for you!! Devote a few moments to the consideration c the TONIC EXTRACT.

A Medicine which possesses extraordinary virtae and has made many cures. THE proprietor has been for years experime ing and endeavouring to discover a medicine which could be relied upon in the above complaint, and is happy to inform the afflicted that he has at least appeared to have a state of the proposed the expectations to have the state of the proposed the expectations to have the proposed the expectations to the expectation of the expec

last succeeded beyond his expectations; having never known an instance where the timely administration of the Tonic Extract failed to do good. It is necessary, however, to use this medicine according to the printed directions which accompany each bottle. This may, in some cases, involve self denial on the part of the patient, but is the only course, which will bring about restoration to health. This Medicine is not introduced for the sole pur-

pose of making money, it is a useful article and ought to be generally known. The Proprietor pur poses to supply the afflicted poor without charge, upon the recommendation of a respectable party, on condition that the patients, will from time to time make a statement of the effects of the medicinte The Tonic Extract will make the flesh firm, give a good appetite, and bring about a regular state of the system. when this happens, of course the spirits will be enlivened, and there will be a pros-pect of health and I ong life.

The Proprietor takes the liberty of using the name

of the Rev. J. Blakey, Baptist Missionary, for a reference in support of the good qualities of this The Tonic Extract is put up in four ounce phials
