New York, Sept. 8, 1858. CYRUS W. FIELD. There is nothing surprising in these difficulties. The dismissal of the Postmaster and other officials in Prince Edward's Island, has created intense excitement there. Indignation meetings have been held at which strong Resolutions condemning the Govenment were passed. Counter meetings were called by leading members of Administration, and it was not without difficulty that a serious riot was prevented.

Fellows' Worm Lozenges is the only Worm re-medy in existence combining harmless qualities with delicious taste and amazing power.

Price 25 cents per box; five boxes for a dollar. Sold by all Apothecaries and County Traders everywhere,

What may be the cause of the cessation I do First-Because they are effectual. They never fail in expelling Worms whenever the exist in the stomach and bowels. Second-Because the are harmless. A whole box may by given a child a year old

without harm, yet one Lozenge often produces wonderful effects on grown persons. They contain no calomel, or any other mine ral o isonous substance.

Third-Because they are pleasant. No child will reject them but will beg for more

and they will not nauseate, purgate, or debi litate. Fourth-Because nothing can be said against

them.
