NEW BRUNSWICK BAPTIST AND CHRISTIAN VISITOR,--WEDNESDAY, MARCH 6, 1861.

Secular Department.

LAND JOBBING. We copied from the Colonial Empire; last week, an expose of Land Johbing in New Brunswick. We this week enclose to our subscribers an Extra from the Empire Office, containing the evidence before the Investigating Committee, appointed by the House, up to Monday night.

Our readers may rest assured that the report of the evidence to the Empire is a fair and impartial statement, having no political bias whatever, and that the evidence for the defence will be treated in the same manner. It is taken down by an impartial reporter, for whose general accuracy we can vouch, and is not cooked up to serve political ends, as we are sorry to see is the case with other News-papers.

The wholesale monopolizing of the most valuable lands in our Province by speculators is too serious a matter to be treated in a partizan light, and we do not care who the parties are, or by what name they are called, who are guilty of this state of things, they should be held to a strict account before the Country.

For some time past, a constant warfare has been waged against us in the columns of certain papers published in this City. Hitherto these virulent attacks have been treated with the contempt which their unscrupulous nature merits and we had determined to let time and the straight forward policy which we steadily pursue, prove their utter falsity.

We understand, however, that copies of one o these Organs have been sent, in a spirit of kindly disinterestedness, to our esteemed ministering brethren, few of whom could otherwise have an opportunity of seeing a paper of its limited circulation.

Lest some disquietude should arise in the minds of persons unacquainted with the low standing of the print in question, we beg leave, in as few words as possible, to give the statements made against us,-our present position, and relations an unqualified denial.

THERE IS NOT ONE WORD OF TRUTH IN THEM. The N. B. Bapist is TOTALLY INDEPENDENT OF ANY POLITICAL PARTY. Neither to the Government nor to the Opposition does it look for support; but to the intelligent Baptist body of New Brunswick. From them we are happy to say, the new series is receiving as large a patronage as its most sanguine friends could expect. From the substantial expressions of approbation constantly received by us, we have reason to believe that the New Brunswick Baptist & Christian Visitor will LIVE DOWN all opposition, and shine forth radiant in the Truth, when its vile traducers are trampled in the dust.
