THE BETTER PART. LUKE X. 38. "The Son of Man came not to be ministered unto, but to minister."--- MATT. XX. 28. What time I first, with eager heart, The Saviour's love discerned, Willing with all the world to part, To win that love-I turned, And, leaving all I loved before, Chose Christ my Master evermore.

> For His dear sake I counted loss What once had been my gain, And bravely sought to bear my cross, Nor shunned its sharpest pain. No shame, no sorrow, no distress, Should make me serve my Lord the less.

Did He endure a lifetime's strife, And death's keen pangs, for me? I would to Him yield up my life; Myself should forfeit be. Thus thought I, as years rolled away, That mighty debt of love to pay.

Ah! blinded eyes, deluded heart, And labour never o'er; How could I from love's burden part, Still growing evermore ? Each day the debt must greater be, Swelling throughout eternity.

Thus, as I strove, my Master's voice Scemed thrilling through my heart; Ah! weary one, why Martha's choice, . And not the better part? Long hast thou laboured ; rest is sweet ; Come, sit, like Mary, at My feet

" Among My saints, behold Me stand As one that serveth still; No ministration at their hand My purpose may fulfil: Nor can they aught to Me impart, But that I seek-a broken heart."

Lord! since that hour I strive no more To minister to Thee; Content, all troubled service o'er, The debtor still to be. One thing alone I crave, -a seat, Now and for ever, at Thy feet!

The Mighty Healer. WORLD KNOWN AND WORLD TRIED !

HOLLOWAY'S OINTMENT

The free admissions of all nations, as well as the verdict of the leading hospitals of the old world, stamp this pow-erful remedial agent as the greatest healing preparation ever made known to suffering man. Its PENETRATIVE QUA-LITIES are more than MARVELLOUS; through the external orifices of the skin, invisible to the naked eye, it reaches the seat of the internal disease; and in all external affec-tions its anti-inflammatory and healing virtues surpass anything else ou record, and is Nature's great ally.

ERYSIPELAS AND SALT RHEUM Are two of the most common and virulent disorders pre-valent on this continent; to these the Ointment is especi-ally antagonistic--its modus operandi is first to eradicate the vermin and then complete the cure.

BAD LEGS, OLD SORES, AND ULCERS. Cases of many years standing, that have pertinaciously refused to yield to any other remedy or treatment, have invariably succumbed to a tew applications of this powerful unguent.

ERUPTIONS ON THE SKIN, Arising from a bad state of the blood or chronic diseases, are eradicated, and a clear and transparent surface re-gained by the restorative action of this Ointment. It surpasses many of the cosmetics and other toilet appliances in its power to dispel rashes and other disfigurements of the face.

PILES AND FISTULA. Every form and feature of these prevalent and stubborn disorders is eradicated locally and entirely by the use of this emolient; warm fomentations should precede its application. Its healing qualities will be found to be thorough and invariable

OPINIONS OF THE PRESS.

From the Hierophant, Edited by the late Professor Bush. THE PICTORIAL BIBLE .- "The title defines its object so THE PICTORIAL DIBLE.— The the denses its object so fully as to render any particular detail unnecessary. The engravings are executed in a fine style of the art, and the paper and type are all that the most fastidious eye could require. We are not ourselves any great admirers of fancy sketches in the Bible, whether by great or little masters and we could dispense with a portion of those in the work but we would rather they should be retained, than omitted at the expense of being deprived of a great many others of authentic character and real worth, going to throw important light upon the topography, costumes, antiquities, and various eastern monuments, alluded to in the Scriptures. These are many of them drawn from the English Pictorial Bible, by Kitto, and of which, it should be understood, that this is not a reprint, being destitute of note or comment, though provided with a large apparatus of marginal refer-ences. It has merely adopted a considerable portion of its

From the New York Baptist Advocate.

"This is the common version, with references, printed on handsome paper, with good type. It receives its name from the embellishments and illustrations. They are nu-merous, appropriate, and striking. It makes a beautiful book that can be read and examined with repeated pleasure."

From the New York Evangelist.

"We have seldem seen a more attractive work, and have no doubt that the cost of the enterprise will be sustained by a large sale."

From the New York Brother Jonathan.

" The engravings are of the valuable and authentic character, elucidating the obscure portions of the text, throw-ing light upon those parts which are understood with diffi-culty, by those not well acquainted with the habits, manners, and customs of the people, described in the holiest of books."

From the Boston Daily Mail.

From the Boston Daily Mail. "This is by far the most attractive copy of the Bible ever published, while the engravings are from the authen-tic sources, and couvey an extremely accurate idea of the subjects they are intended to represent. We were particu-larly pleased with the drawings of natural history, repre-sentations of which are indispensable to a correct know-ledge of the Scriptures. When we consider the great demand now existing for books of a pictorial character, it is a matter of surprise that no illustrated Bible has hereto-fore appeared, and we hope sincerely that the enterprising publisher will be repaid for his great expense."

From the Boston Evening Gazette.

"A new illustrated work-the Pictorial Family Bible-"A new illustrated work—the Pictorial Family Bible— just issued from the press, comes to us in a highly orna-mental and attractive dress—full of choice engravings from the great masters, depicting with faithful accuracy almost every topic in the Bible where illustrations are desirable. The pictures, too, are not mere instructed are desirable. The pictures, too, are not mere sketches, but are in the highest degree authentic, and thus add to the attraction with which the Bible is regarded by every religious mind, and may induce it to be read by those who are not alive to its eternal value. We should think this edition of the Bible well adapted for Sabbath school teachers, as enabling to another their problem and difficult mereases and the to explain to their pupils many difficult passages con-nected with the manners and costumes of the ancient Israelites. The book is beautifully printed, and, consider-ing the great number of fine embellishments, is one of the cheapest ever published."

From the Boston Atlas.

It is full of engravings, representing the landscape sce-nery refered to in the Bible—the different objects of natural history—the costumes of the priests—and the historical events, copied from the most celebrated pictures of RAF FÆELLE, POUSSIN, SALVATOR ROSA and WEST."

From Brainerd's Express (Boston.)

"This is an invaluable work for parents presenting a highly attractive Gift to their children, and inducing them to study the sacred contents of a volume whose precepts guide to temporal and eternal happiness. It is printed in a very handsome style, on fine white paper, and embellish-ed by about one thousand engravings. Many introduced into it have a positive value as elucidating the text."

Queen Insurance Company CAPITAL-ONE MILLION STERLING. RETURN OF FIRE INSURANCE DUTY FOR 180 Ordered by the House of Commons to be printed, July 8, 186 THE usual Annual Return, just published by the vernment, shows that the Increase of Duty paid the "Queen Insurance Company," 1861 over 1860, ceeded that of thirty-eight other Fire Offices, some which have been in operation for upwards of half a c tury. While the return shows a falling off in the amo paid by six offices, it also shows that the increase of the Queen exceeded that of all the London offices but two, and all the Scotch offices but one (which, during the year, had absorbed the business of another office.) The increase of the Queen also exceeded all the Provincial offices but two, and was nearly five times that of both the Irish offices put together. Taking the gross amount of duty for the last two years, the return shows that the Queen was the only office which, in that period, had doubled the amount paid. These facts, based upon the highest authority, prove that the eminent position thus occupied by the Queen Insurance Company, is doubless owing to the high character of its proprietary, and the distinguished liberality of the Direc-Company, is doubtess owing to the high character of its proprietary, and the distinguished liberality of the Direc-tors in the settlement of losses. Gratified by the remark-able confidence heretofore reposed in the Queen, it will be the constant endeavour of the Management to sustain the high reputation the Company has already obtained.

No. 40, Coruhill, Boston. **EXPLOSIVE**, HAZARDOUS, AND EXTRA HAZARD-OUS.-The leading Eire Insurance Companies of the United States have declared Petroleum Oil, Well Oils, Earth Oils, and sundry other Oils, as highly dangerous, liable to explode, hazardous, and extra hazardous. Of all Illuminating Oils, Albertime Oil is pre-eminently the best it burns longer, gives a steadier light, and more light for less money than any other Oil. Albertine Oil is perfectly safe in use, and in this respect unlike many other Oils with numerous names, which are highly dangerous, ex-plode in the lamp, and set fire to persons and property--several instances of which have occurred in this vicinity within the past few weeks. The Albertine Oil Company are now prepared to fill-all orders, at wholesale and retail, for their genuine Albertime Oil, pure and unadulterated, manufactured from the cele-brated Albert Coal.
