

The Rev. Wm. Hall having resigned the pastorate of Long Island Church, where he has been laboring for the last four years, and where the Lord has signally blessed his labors, and intends residing in New Brunswick this winter, and purposes to assist his ministering brethren in Protracted meetings or in any other manner to promote the cause of God. He would wish to assist churches without pastors who may apply for his labors for a short time. Application can be sent to him, addressed to St. John.

unsettled in Mexico; that general distrust prevails; that business is paralyzed; and that Maximilian's power is daily lessening. Puebla has been selected as the general furnishing quarters for the Imperial army, and is strongly garrisoned with Austrians. The roads are unsafe, robberies being hourly committed, and altogether the country is in a deplorable state.

IT WORKS TO PERFECTION.—MRS. WING-LOW'S SOOTHING SYRUP for children teething is perfectly harmless. It produces natural, quiet sleep, by relieving the child from pain, and the little cherub awakes as "bright as a button." It cures wind colic, and regulates the bowels—gives rest to the mother and health to the child. Offices 483 Deay Street, New York, and 205 High Holborn, London, England.

RECEIPTS FOR THE "CHRISTIAN VISITOR," UP TO NOV. 20.—If any mistakes or omissions occur, please inform the office:—

It is stated, that the medical advisers of Lord Palmerston attribute his fatal illness to his imprudence in driving out without a great coat, and with not even an under-waistcoat, after the sudden change in weather. The fact is, that during the warm weather, his health and vigor had wonderfully improved, and his most intimate friends had begun to hope that, when Parliament met, he might still go through another session, or at least, for two or three months, give the tone to the new House of Commons.

Lord Palmerston is the fifth occasion in a century on which a Prime Minister has died in office. Mr. Rockingham died as Premier in 1782, Pitt in 1806, Perceval was cut down by the hand of an assassin in 1811, and Canning died in possession of the same office in 1827.

The Earl of Derby, owing to his late severe illness, from which he has not yet regained his lost strength, was unable to attend the funeral of Lord Palmerston. Lady Palmerston has (through the Right Hon. W. Cowper) expressed her heartfelt thanks to the City Court of Common Council for their resolution of sympathy and condolence. "In the midst of her grief she finds some comfort in perceiving how gratefully her husband has been appreciated, and how greatly the nation has remembered the devotion of his long life to the good of his country."
