THE KETCHUM FORGERIES. The Waterbury (Con.) Bank has had an attachment granted against the estate of Morris Ketchum & Son, to secure a balance of \$72,157 in the hands of defendants belonging to that bank.

The Importers' and Traders' Bank of New York has offered a reward of \$5000 for the arrest and committal to prison of Edward B. Ketchum. The forger is described to be "twenty-five years of age, about five feet six inches high, thick set, with full, round face, short neck, bazel eyes, pug-nose, full at the end. dark brown hair and moustache, weighs about one hundred and sixty-five pounds, and has a nervous and restless deportment." It is said that no effort is being made toward young Ketchum's apprehension, and it is rumoured that he has sailed for Cuba in a vacht which left New York on the night his defalcations were discovered. As five or six other vessels departed for other parts, by any one of which he may have sailed, it is doubtful if this rumour be true. It is believed that he is still in concealment in

It is said that Ketchum, junior, attempted to borrow \$1,000,000 on his own check about a fortnight ago. The cashier of the bank to which he applied told him be could have the money; but when the James Berry, to Miss Elizabeth Best, all of Pennfield. check was shown it was uncertified, and the officer refused to receive it on that account. Our Government has received official information from Port Mahon to the effect that the cholera had

appeared on the coast of Spain. The Herald's Washington despatch says, that the opinion is confidently expressed that the Government will not undertake the trial of Wertz, but cause him to give States' evidence in the approaching trial of Jeff. Davis, whereby it will be proved that Davis was the direct and prime instigator of the cruelties to Union prisoners.

Major Castleman and Lieut. Munford, rebel spies arrested last night, have been paroled to leave the country and never return.

The property of Hager & Ludring, of Richmond, has been libelled for confiscation. They are immensely rich, and did the entire bank note engravings for the rebels.

There are no new developments in the Ketchum forgery. The forger has not been traced. There is a strong belief that he is yet in the city. The Importers' and Traders' National Bank offer a reward of \$5,000 for his arrest.

Boston, Aug. 22. Henry Wirtz, the keeper of the Andersonville prison, was yesterday arraigned in Washington, on charges of having combined and confederated with Robert E. Lee, James A. DOHERTY & McTAVISH. A WONDERFUL CURE

## ROGERS & CO'S. Cancer and Scrofula Remedy!

Amherst, N. S., August 1865. MESSRS. ROGERS & Co.-Gentlemen: Permit me to add my testimony to the great value of your preparations, and any person reading the following brief history of a cure effected by it upon my son, will not

dispute my right to do so.

He first fell upon a fork handle in the barn and hurt his leg a little below the knee; he subsequently took cold, when it began to swell and pain him very much; it soon ulcerated near where it was first hurt, and continued to discharge freely until the calf of his leg seemed to be one mass of corruption; his foot and knee swelled very much, and when we commenced with your medicine, was very much inflamed, and was evidently on the eve of mortification. The pain and suffering he endured no pen can describe : he grew weaker daily, nothing that medical skill and faithful attendance could accomplish was omitted; still be gradually sank, until their seemed but little hope of saving either his life or limb. As a last hope, the Doctors decided to amputate the leg; this was to have been done the next day, but just at this critical point a kind friend advised me to try your medicine; I concluded to do so, and it at once began to improve, and is now about well. He goes to

school daily. This is certainly the most extraordinary cure ever effected in this country; no person could fully appreciate the sad and suffering condition he was in without seeing for themselves; to all human appearance he could not have lived a week; there did not

seem to be a ray of hope left. Doubtless there are thousands dying whose lives might be saved if they had this extraordinary medi-Hoping that God will prosper you in your work

of humanity, I am, Gents, yours very affectionately, ALLISON COPELAND. And here allow the mother of the young man whose life has thus been saved, and who for many weary months dressed and handled that leg, and

who shed many many tears, and spent many sleepless nights over it; say to mothers or those similarly afflicted, get the medicine by all means. KEREN COPELAND. We the undersigned inhabitants of Amherst, and vicinity-some of us having been eye-witnesses to the above distressing case, and all being quite familiar with the facts from common report in this community-have no hesitation in endorsing the above

statements of Mr. Copeland. R. McLean, High Sheriff, Thos. Logan, J. P. late M. P. P. R. B. Heustis, Clerk of Peace, J. T. Smith, Barrister at Law, W. F. Cutten, J. P., J. Dunlop & Co., Merchants, Fred. W. Bent, Barrister at Law, Alex. Robb, Jr., Stove Dealer &c., McLeod & Co., Merchants,

Robert Keillor, Farmer, James Corbett, Do. We here take the liberty of adding their official and business positions to the above names. Some of our Agents write us that members of the Medical Society are among the largest purchasers of our Medicines. We are glad they appreciate their healing qualities, and have used them so successfully in reating their patients.

"Prove all things and hold fast that which is good," should be the motto of all in this advancing age. ROGERS & CO., Amberst, N. S. JOHN CHALONER, General Agent for N. B. aug 17-1y
