New YORK, June 12. Judge Underwood yesterday refused to admit Jeff. Davis to bail, on ground he had no authority to do so as Davis was prisoner of war.

The examination of Colonel Roberts, before the United States Commissioner commenced to-day.

The Grand Secret.

The grand secret in medication is to help nature. SUSTAIN and REGULATE—these are the Alpha and Omega of the only theory of cure that has common sense for its basis. If the nervous system is shattered, the muscles weak, and the mind, like the body, in a state of partial collapse-what is it best to do? Reason teaches us the answer; BUILD UP YOUR MAN.

Brace him as you would brace a tottering edifice. The pabulum he needs is a Tonic Alterative. Bring him up out of the depths of Debility and Despond-

WITH HOSTETTER'S BITTERS. They cannot injure. A child may take them in doses suited to its years, without the possibility of barm. The enfeebled vital powers are as sure to respond enegetically to their action as the wilted grass to erect its blades under the vivilying and refreshing rain, In all cases of debility the Bitters are absolutely required. There is no substitute or succeedaneum that will fill their place. Resort to this most wonderful of Modern Tonics,

AND ALL WILL BE WELL.

Bear in mind that in Dyspepsia, Intermittent Fever, Bilious Disorders, and Affections of the Nerves, no other medicine will produce one tithe of the good effect that invariably follows the use of this excellent Invigorater and Corrective. Sold everywhere. - N. Y. Tribune Oct. 27th, 1865.

THE PEOPLE'S FRIEND.

Henry A. Hitchcock, Sec. School Committee, Studbridge, Mass., writes :-

We regard Mrs. Winslow's Soothing Syrup as invaluable for the purposes for which it is designed, and would have it, if its price were double what it now is. We shall do all in our power to introduce it among onr friends and acquaintances.

PUBLIC SPEAKERS, MILITARY MEN AND SINGERS and all suffering from Irritation of the Throat and Hoarseness will be agreeably surprised at the almost immediate relief afforded by the use of "Brown's Bronchial Troches." The demulcent ingredients al-Bronchial Troches." The demulcent ingredients allay Pulmonary irritation, and, after public speaking or singing, when the throat is wearied and weakened by too much exercise, their use will give renewed strength to the vocal organs.

At Grand Lake, near Douglas Harbour, on the 1st inst., Mr. David Palmer, aged 77 years. This old soldier of the Cross enlisted under the blood stained banner of King Jesus when but a lad; he stood in the ranks over 65 years, and during that long ravied he was not become known. and during that long period he was never known to hoist a flag of truce to the enemy, or give quarter to a single Diabolonian. His motto was, "So fight I," and his watchword, "Fear not." The Bible was his chief study, and few divines have more of its sacred contents committed to memory than he had, and none sounder in the faith and practice of the Gospel than he was. He was of the Independent faith. Father Palmer was Secretary of the Grand Lake Branch Bible Society from its formation, and was always found at his post. He has left an aged widow, five sons, and twenty grand children to mourn their loss. He died of paralysis, in six hours, and never spoke. His funeral sermon was preached by Rev. James Tweedy, from Phill is with "War me to live with the child the state of th Phil. i. xxi.: "For me to live is Christ, and to die is gain."
The preacher held forth Christ, who is the believer's life, model, object, and his all. I might give many excellent traits in the character of this good man, but we add no more. His disembodied spirit has now, we doubt not, joined with the ransomed throng, singing, "Unto Him who hath loved us, and washed us from our sins in His own blood." blood."

At First Range, Q. C., May 1st, Mr. Nathaniel Branscomb aged 61 years. Bro. B. has been for a long time a faithful member of the Baptist Church in this place, and was much esteemed in the community as a christian and a neighbor.

After a few days' illness, caused by bleeding at the lungs, our brother fell asleep in Christ. He has left a large family to mourn their irreparable loss. We all feel that in him we have lost a good friend; his house was ever open for the weary, and it always gave him pleasure to attend to the

the weary, and it always gave him pleasure to attend to the wants of the ministers of the Gospel. The funeral occasion was improved by the writer—a large audience present. At Cumberland Bay, G. L., 26th ult., William, eldest son of Deacon Robert Eikin, aged 21 years.

At Chipman, Q. C., on the 24th ult., of consumption, S. Marion Briggs, beloved wife of Mr. John Briggs. Mrs. B. united with the Baptist Church in Chipman in 1862, and from that time until she passed away she adorned her profession by a well ordered life. Never have we seen on the sick hed one more resigned. She waited patiently for the sick bed one more resigned. She waited patiently for the hour of her departure, and passed away in the triumphs of faith. She rests from her labors. Our sister leaves a husband and four small girls, with a large circle of friends, to mourn her departure. We sympathize with the afflicted ones. A discourse was delivered by the writer to a large congregation. May the great Head of the Church sustain our brother!

Prize Catechism! THE Board of the American Baptist Publication Society

some two years since offered a Premium of \$200 for the best small Catechism, adapted to the comprehension of children. Thirty manuscripts were sent in and examined by the Committee of award. The best was selected, and the Board being anxious to have it made as perfect as possible, so that it might become a Standard Catechism, worthy of universal adoption by the denomination, printed a few hundred copies, and sent them out for criticism. Many of these were returned with valuable suggestions. The Catechism and the criticism was then provided the criticism. The Catechism and the criticisms were then placed in the hands of an able Committee, for a careful revision. The revised Catechism is now published, and ready for circulation. It is a work of great merit, and will greatly aid the

Denomination in properly training the young.

MANHATTAN, Kansas, April 17, 1866. Gentlemen- * * I want to say a little more about th Pain Killer. I consider it a very valuable Medicine, and always keep it on hand. I have travelled a good deal since I have been in Kansas, and never without taking it with me. In my practice I used it freely for the Asiatic Choler, in 1849, and with better success than any other medicine. I also used it here for cholera in 1855, with the same good results.

Yours truly,

A. Hunting, M. D.

* * * "1 regret to say that the Cholera has prevailed here of late to a fearful extent. For the last three weeks, from ten to fifty or cixty fatal cases each day have been reported. I should add that the Pain Killer sent recently from the Mission House has been used with considerable success during this epidemic. If taken in season, it is generally effectual in checking the disease.

"Rev. Charles Harding,

This certifies that I have used Perry Davis' Vegetable

Pain Killer, with great success, in cases of cholera infantum, common bowel complaint, bronchitis, coughs, colds, &c., and would cheerfully recommend it as a valuable fa-REV. JAMES C. BOOMER. Mesers. Perry Davis & Son:—Dear Sirs—Having witnessed the beneficial effects of your rain Killer in several cases of Dysentery and Cholera Morbus within a few months past, and deeming it an act of benevolence to the suffering. I would most cheerfully recommend its use to such as may be suffering from the aforementioned or similar diseases,

as a safe and effectual remedy.

REV. EDWARD K. FULLER. The following letter is from Mr. Woodward, of St. Louis, to J. N. Harris, Esq., New London, Conn. Mr. W. is a gentleman of high respectability, and during the prevalence of the cholera in St. Louis watched the result of the application of the Pain Killer for this disease, and his testimony can be relied upon with the utmost confidence :-Dear Sir-You recollect when I saw you in New London in January last, my expressing to you my most sanguine expectations that Davis' Pain Killer would have a tremendous sale in the West this season, and my anticipations have been more than realized, and the testimony of thous-

ands who have usd it has been that they would not be willing to go to bed at night without it in the house.

On the appearance of the cholera in this city, such was the confidence in the Pain Killer as a remedy, that many who purchased it remarked to me that they had no fears or dread of the cholera as long as they had the Pain Killer by them, and hundreds took it daily as a preventative, for no persons can have a derangement of the bowels or diarrhea if they use this medicine. This was the security and confidence of hundreds acquainted with it, and when their friends were attacked with the cholera they would administer the remedy in large quantities with it, and in every case when it has been taken in any of the first stages of this disease, it has proved successful.

I consider it an infallible remedy. I have not heard of any individual in any family who used the Pain Killer when any individual in any family who used the Pain Killer when attacked, but what speedily recovered.

The clerk informed me that he administered it to persons when cold and in the cramps, and it gave immediate relief, but still it should be given quickly, for when the discharge of "rice water" has begun, the hope of life has fied. Should this disease make its appearance among you, as in all probability it will, be not alarmed; you and all others there have the remedy, and I am confident if the Pain Killer is used, not a death by cholera will occur in vour city.

Respectfully yours. Respectfully yours,
A. P. Woodward.

Those using the Pain Killer should strictly observe the following directions:

At the commencement of the disease take a teaspoonful of Pain Killer in sugar and water, and then bathe freely across the stomach and bowels, with the Pain Killer Should the diarrhosa and cramps continue, repeat the dose every fifteen minutes. In this way the dreadful

scourge may be checked, and the patient relieved in the N. B.—Be sure and get the genuine article; and it is re-commended by those who have used the Pain Killer for the cholera, that in extreme cases the patient take two (or more) teaspoonfuls, instead of one.
