can make of it-nothing more. An investigation into the matter there must belet truth come out-Britain demands and must have it. The Pulpit in London is speaking out its mind very plainly on the subject. The Manchester men. the friends of peace and freedom, are moving. A meeting was held in the Town Hall, on Monday, Nov. 27th the Mayor presiding; and, after some plain speaking, a memorial to the Government was unanimously adopted praying for "a commission to inquire into the origin, causes, and true nature of the alleged insurrection ; and into the legality, justice, and necessity of the measures adopted for its suppression." The deputation appointed at this meeting waited on Earl Russell, on fuesday, at his official residence, and was received with courtesy. Earl Russell was not surprised at the deep and widespread concern which the news from Jamaica had awakened, or insensible to the urgent necessity of enquiry into the circumstances under which so many of our fellow subjects have been slaughtered. The result of the interview was to impress the deputation with Earl Russell's anxious desire that justice shall be vindicated. This is as it ought to be. Liverpool Leeds, Birmingham, Bradford and other leading towns are expected to follow. We will have more about

Yours very truly. this matter. JOHN. I. DUNLOP. A IS INST.

We have in previous issues directed attention to the fact that a series of Temperance Sermons were being preached, though we have not been able to announce the names of many of the preachers, as their ere not advised, before hand.

In November the G, W. P. and G. S., accompanied by D. C. Perkins, Esq., Rev. M. Huestis, C. A. Everitt, and others, assisted by members of Granite Rock Division, opened " Fairville" Division No. 182. at Fairville in the parish of Lancaster: the principal officers are Rev Mr. Shenton, Mr. Robert Fair, Mr. Linus Seely and Mr. Chapel. Already a large number of the residents have joined, and a good deal of interest is manifested in the cause. A public Temperancemeeting is in contemplation, to be held at an early of henor. date.

In December, "Moncton" Division, No. 188, was opened by the Grand Officers : although the day was stormy, the large number of eighteen members were initiated ; seven being prevented from attending by the storm. The opening was a: 4 o'clock P. M. and in the evening there was a public Temperance Meeting, at which Mr. Steadman took the chair, and addresses were delivered by Messrs. D. C. Perkins, and O. D. Wetmore, and by Rev. Mr. Huestis, Prayer was offered by Rev. Mr. Corey, the chaplain of the new Division; a more promising branch of the Order never was instituted. Some of the best men in the Town are connected with it, and they are thoroughly in earnest in the matter.

A good deal of work has been mapped out for the present month. In addition to meetings with the Division's, viz., Public Installation of officers with "Gurney" on Thursday, 4th inst., Fraternal Meeting with "Victoria" on Friday, 12th inst., and the publication By R -Ho of the first No. of the Messenger and Sons of Tem-By T perance Journal, which is to appear about the 20th, and is to be published, say 2000 copies, by our publishers (Messrs, Barnes & Co.), under the auspices of By the Grand Division Committee, for gratuitous distribation. We are informed that there are to be special By T public gatherings as follows :--

On Thursday, the 18th inst. in the new City Hall, Carleton, a Mass Temperance Meeting-speakers, Hon. Mr. Tilley, Mr. O. D. Wetmore, and Mr. C. N. Skinner.

On Friday the 19th inst., at the Institute, the Boys By Meeting, when Mr. Tilley will by special request A. address the children on the subject of Temperance. We hope all the boys and girls in the City, and adjoining Parish will be present. The Teachers should Capt make special efforts to get the children to this Meet-D. H. ing. Mr. Tilley's powers are never so great as when addresing the young, and it will be almost impossible Mass wholly to forget the impressions of an address, on  $\begin{bmatrix} B & A \\ E & S \end{bmatrix}$ such an occasion, from him.

The Grand Division will open their Quarterly Session in St. John on Wednesday 81st inst., at 7 o'clock ; and at 8 o'clock a Convention of Sons of Temperance John will be held-which it is expected will be attended by the members of the Order in St John, Charlotte, Benj nd King's Counties.

We regret to state that the notice of the uarterly Meetings for December in York and Carleon Counties, got mislaid in the office, and did not e to light until too late for publication. We shall e glad to receive an account of the proceedings of se meetings in time for our next issue.
