Perry Davis' Pain Killer.

This medicine has relieved more pain, and caused more real joy than any other one thing that can be named, It is a "Balm for every wound," Our first physicians use it, and recommend its use; the Apothecary finds it first among the medicines called for, and the wholesale Druggist considers it the leading article of his trade. All the dealers in medicine speak alike in its favor, and its reputation as a medicine of great merit and virtue is fully and permanently established, and it is THE GREAT FAMILY MEDICINE OF THE AGE. Price 25cts., 50cts., and \$1 per bottle. Sold by all medicine dealers.

Let us be Merciful to Ourselves.

The physical structure of the strongest human being is vulnerable everywhere. Our bodies are endowed by nature with a certain negative power, which protects them to some extent from unwholesome influences; but this protection is imperfect, and cannot safely be relied on in unhealthy regions, or under circumstances of more than ordinary danger. Therefore, it is wisdom, it is prudence, it is common sense, to provide against such contingencies, by taking an antidote in advance: in other words, by fortifying the system with a course of Hostetten's Ston-ACH BITTERS, the most complete protective against all the epidemic and endemic maladies that has ever been administered in any country. As a remedy for Dyspepsia, there is no medicine that will compare with it. Whoever suffers the pangs of indigestion, any where on the face of the earth where Hostetter's Bitters can be procured, does so voluntarily, for as surely as truth exists, this invaluable Tonic and Alterative would restore his disordered stomach to a healthy condition. To the Bilious it is also especially recommended, and in cases of confirmed Constination it affords speedy and permanent relief. In Canada, the West Indies and Australia, the Bitters rank above all other medicines of the class, and the demand for them in all foreign countries increases every season.

THE MASON & HAMLIN CABINET ORGANS .- With your eyes shut, you cannot distinguish its sound from that of the pipe organ itself; and the advantages that commend it are: its price-for it can be had for one, two, three, or four hundred dollars, according to the size you wish; it takes up very little room, and may stand in any part of the Church; it is not affected by heat or cold, or any change of temperature; it remains for a long time in good tune; and, lastly, it can be sent by express or otherwise any distance with safety. It is admirably adapted to the performance of sacred music, psalm tunes, anthems, chants, &c., and any one who can play on the piano can readily master the Cabinet Organ. It is a grand accompaniment when the congregation sing, and is just the instrument that ought to be used in all Churches where the people all wish to have the Albert Co., was drowned while in the act of driving deal privilege of bearing a part in the praise. - New York

Having occasion a few days since to visit one of the principal drug stores of this city, I noticed with surprise several cases of Dr. Larookah's Sarsaparilla Compound, a remedy well known in New England, and highly appreciated by many who have tested its virtues. I learn that here where so large a proportion of the people are hereditarily scrofulas, it is considered a sovereign remedy for all impurities of the blood, and has an immense sale. - Para Correspondent of the Boston Atlas.

CHILDREN OFTEN LOOK PALE AND SICK from no other cause than having worms in the stomach. Brown's "Vermifuge Comfits" will destroy worms without injury to the child.

Children having worms require immediate attention, as neglect of the trouble often causes prolonged

IN THOUSANDS OF CASES .- Mrs. Winslow's Soothing Syrup, for all diseases with which children are afflicted, such as teething, griping in the bowels, wind colic, &c., has been used with perfect and never-failing success in thousands of cases. It softens the gums, reduces inflammation and allays all pain. Mothers, do not fail to procure it.

A Universal Remedy .- "Brown's Bronchial Tro ehes" for Coughs, Colds, and Bronchial Affections, now stands the first in public favor and confidence this result has been acquired by a test of many years. Its merits and extensive use have caused the Troches to be counterfeited, and we would caution purchasers to be on their guard against worthless imitations.

There are many who from negligence or criminal delay, put off the use of appropriate remedies till too late. This is wrong. On the first appearance of pain, use Blood's Rheumatic Compound, and you will

Edgett, aged 49 years. At Cambridge, on the 19th ult., of consumption, Diadama, beloved wife of Daniel Purdy and fourth daughter of John Ferris, Esq., M. P. P., in the 22d year of her age. Two years ago she became a member of the Baptist Church. Of her it can be said, that she held the beginning of her confidence steadfast unto the end. Having lived faith on the Son of God, in death she fell asleep in Jesus, to awake with his likeness. Her memory is blessed. The funeral sermon was preached by Rev. A. B. McDonald, from 1st Thess. iv. 14.

DIPTHERIA, that fearful scourge of the infant race, has visited us again. Mr. Robert Swim has lost two of his children by it, viz.: Robert, aged 5 years; and Jacob S., aged 2 years and 6 months; both cottins were lowered into one grave. It was the most mournful sight I ever witness ed. Here are the foud expectations of the parents cut off. They had looked forward with the hope that those child ren would be the comfort of their declining days; but all their prospects are cut off. Surely, childhood and youth

are vanity.
"The dear delights we here enjoy, And fondly call our own, Are but short favours borrowed, To be repaid again."

Also, Mr. Boland Crocker has been called to mourn the death of a very beautiful little girl, named Eliswitha, aged 5 years. Our beloved sister Crocker is like Rachel, weeping for her child and almost refuses to be comforted. The poet has expressed her feelings in these beautiful lines,
"But, oh! my spirits fail,

I feel a pang untold, Those ruby lips so pale! That blushing cheek so cold, And dim those eyes of dewy light, That smiled and glanced so sweetly bright. " To lay that darling form. So lowly e'en in death; Food for corruptions worm, The mouldering earth beneath!

Oh! worse to me than twice to part, Than second death stroke to my heart."

At Doak Town, M. I., on the 25th ult., of diptheria, Lenord Corbet, aged 12 years. Dear parents, weep not, though death has blighted your hopes, he was commissioned to it by Him who does all things well.

" Death gazed at the flowers with tearful eyes, He kissed their drooping leaves; It was for the Lord of Paradise, He bound them in his sheaves. And the mother gave, in tears and pain, The flowers she most did love;

She knew she should find them all again In the fields of light above." Blissfield, Nov. 28, 1886. W. M. EDWARDS. At Cornwallis, N. S., on the 15th October, Mr. James dasters, aged 75 years, formerly a resident of this city. W. M. EDWARDS. At Coverdale, on the 15th of October, after a short but very severe illness, which she bore with christian fortitude, Sarah J., beloved wife of Amos Obrian, and daughter of Absalom and Elizabeth Steeves, of Hillsborough, leaving a beloved husband and five children, and a large circle of re latives and friends to mourn their sad bereavement. At Elgin, Albert Co., on the 16th ult, Elizabeth Ann, only daughter John and Elizabeth Prosser, aged 7 years

and 2 months. At Hillsborough, on the 27th ult., after a long and severe llness, which she bore with resignation to the Divine will, Lewis H. Steeves, in the 45th year of his age, leaving one little son, a mother, six brothers, two sisters and a large circle of relatives and friends to mourn their loss.

A SAD CATASTROPHE —Alfred S. Gross, in the 22d year

of his age, son of Richard and Mary Gross, of Cover on the Turtle Creek. There being some four or five rafts passing down through Fillmore's Mill Pond, his raft took a course to pass through the waste way. Finding bimself going, he sprang from the raft on to the end of the boom which passed over the dam at the mouth of the race and stipped off into the water below. Some ten or twelve men were present, all desirous to save him; but he never rose to the top of the water, so that they could reach him. They laboured hard to get him, but all in vain. On the nex day, after much grappling, they found the body; but we have every reason to hope that, from his watery grave he will have a glorious resurrection. Our dear brother professed faith in the Lord Jesus, Christ in March, 1864, in a revival which took place at that time with the First Coverdale Church, was baptized by Elder J. C. Steadman, and with some eighteen or twenty others, was united to the church. As a brother in Christ, he was much beloved; and as a member of the church, highly esteemed. He has left a weeping father and mother, one brother, three sisters, also, a large circle of relatives and friends to mourn their sad loss. Surely this says to all, "Be ye also ready,

Their success has been entirely beyond precedent, and proves how greatly such an instrument was needed. Again and again the manufacturers have been compelled to don-ble their manufacturing facilities, until they have increased six-fold. From the most eminent of the musical profes-sion, the most distinguished pianists, organists, composers and musical directors, the Mason & Hamlin Cabinet Organs have received an amount and degree of commendation nev er before bestowed upon any similar musical instrument.

More than two hundred and fifty of the most eminent musicians in the country have given written testimonials to the value of the improvements contained in them, and that they excel all other instruments of this class.

Fifty five Gold or Siver Medals, or other highest Premi-
