Ester Jane, wife of Mr. Joseph A. Wetmore, of this city. who died on the 4th inst, of consumption, was the fifth daughter of Mr. Andrew Malery, of Upham. When quite young she became convinced by the Holy Spirit of her sad condition as a sinner, and earnestly sought and obtained hope in Christ; although, from an humble view of her unitness to put on Christ publicly, she did not unite with the people of God until about eight years ago, when she was baptized by Rev. Budd Demill, and became a member of the Mursh Bridge Baptist Church. When health and

other circumstances permitted, she loved to fill her place in the sanctuary, and commune with Christ and the mem-bers of his mystical body. Although complaining of ill health for some years, it was not until about three months ago that she became confined to her bed. Her soul became gracionsly drawn towards her Saviour and her eternal in heritance, and loved to talk of her heavenly home, and her six dear children who had passed on before to await her coming. On one occasion, when the writer was reading to her the 73d Psalm, and was speaking of that portion, "My flesh and my heart faileth, but God is the strength of my heart and my portion for ever," she said that she could realize that God was her strength and eternal portion. That Divine strength never failed her, and we doubt not when her spirit was absent from the body, it was present with the Lord. She has left a kind husband and two children to mourn the loss of an affectionate wife and mother.

At Dundas, Westmorland Co., on the 24th March, Catherine, wife of Mr. Robert McConnell, in the 66th year of her age, leaving a disconsolate husband and four children to nourn the loss of an affectionate wife and tender mother. The deceased was a native of Ireland, and emigrated this country about 30 years ago. Soon after landing in St. John, she went to hear the Gospel, and by the Spirit's application was converted to God; and, in company with a number more willing converts, was baptized in the likeness with, and joined the Germain Street Baptist Church. Soon after she removed to King's County, remained there until about ten years ago, and then removed to the Parish of Dundas, Westmorland County. Our sister suffered severely for the past eight years, but submitted patiently to the divine will. When her strength failed, her faith and love increased, and with her last remaining strength she sung, "There is rest for the weary on the other side of Jordan," and fell asleep in Jesus, with a song of praise upon her lips. #### DR. KNIGHTS' HAIR DRESSING!

A dressing for Children's Hair, which can be used without fear of injury to its growth or texture, has hitherto been unattainable. Most, if not all, of the Hair Dressing heretofore sold at the Drug Stores are composed chiefly oil and alcohol—ingredients which are antagonistic to the life of the hair.

#### Knights' Hair Dressing

Contains neither oil nor alcohol, is purely vegetable in its composition, and is the most perfect HAIR RENEWER AND INVIGORATOR that has ever been made available Persons whose hair has been thinned by sickness or age, should give this preparation a trial, with the assurance that a luxuriant growth of hair will result, unless the roots are KNIGHTS' HAIR DRESSING

Is an elegant preparation, exquisitely perfumed, inclines the hair to curl, will not soil the skin or any article of ap-parel, and is fast superseding the pernicious articles which have so long deceived a credulous public. Large Bottles-Price \$1. Prepared by Dr. E. R. Knights, Chemist,

STORMONT, N. S., 21st Feb., 1866. MESSES. ROGERS & Co.

Gents: -I must certainly confess that yours is the best Ointment ever found out for Cuts (old or new), or Inflammation of any kind. I know of one case -- a lady in Guysboro', whose leg was fearfully swollen, from her ancle having been broken some time before, and the leg used to swell and cause her great pain. They sent to me for some of the Ointment, and her husband wrote me it acted like a charm in subduing the inflammation, and giving instant relief. I think you had better put some of it up in smaller

and cheaper boxes. I think when it becomes known, it will be universally used. I put it in my Eyes. They were weak, and it done them much good.

It took a wart off one of my Cows' eyes that nearly blinded her. In three times rubbing it took it off as if it was cut off with a razor.

You will hear from me again soon. Your obedient servant, T. S. MILWARD. We are constantly receiving such letters as the above. JOHN CHALONER, Corner King and Germain Streets,
