New York, April 5. An explosion in the Clover Hill coal pits, Virginia, Wednesday killed and buried 25 white and 50 loured miners. The shafts have been closed to exnguish the fires and efforts are being made to re-

ver the bodies. Passengers on board the steamer Barcelona state hat the revolution which has taken place in Havti as of the most bloody kind. The loss on the part the revolutionists was very heavy and the streets Port au Prince were literally covered with the ead. This is the fifth attempt to put down Jeffrard's overnment and at the last has succeeded so far as

Perry Davis' Pain Killer.

We clip the following from the Providence General Idvertiser :TAVEOR WARTS CHA WATLIOTARE

"At this season of the year, when cholera, cholera norbus, dysentery, and other kindred complaints are ure to prevail, everybody should be liberally supplied with Perry Davis' Vegetable Pain Killer. Perons leaving home, whether it be for a day's excurion or a trip to Europe, should be in a condition to place their hands on it at a moment's warning. Many liseases incident to the summer months, which will prove fatal if not immediately checked, can be promptly cured by one or two doses of the Pain Kiler. On more than one occasion have we been relieved of intense suffering by the timely use of the above named preparation. A X A S I

Hostetter's Stomach Bitters. Common sense tells us that unless the stomach is kept in good working order, the system to which it supplies the elements of blood, cannot be vigorous and healthy. Nothing has yet been discovered or invented that so effectually and invariably cures and prevents imperfect digestion as Hostetter's Stonach BITTERS. Dyspepsia, flatulence, oppression after eating, and the feeling so often described by the sick as an "all-gone" sensation, are removed in a few days by the use of this most healthful of all stimulants. No one, however feeble, need fear it, for it contains no flery ingredient. It excites neither the circulation nor the brain. On the contrary, its effect is genial and soothing. It promotes sleep as well as restores the energy of the digestive powers, and may be taken not only without danger, but with a certainty of the tnost desirable results by the feeblest lady invalid. For sale by all Druggists

WE REGARD MRS. WINSLOW'S SOOTHING SYRUP AS invaluable for the purposes for which it is designed, and would have it if its price were double what it now is. We shall do all in our power to introduce it among our friends and acquaintances. - [Henry A. Hitchcock, Sturbridge, Mass.] It relieves the child from pain, softens the gums, reduces inflammation, cures wind colic and sure to regulate the bowels; gives rest and health to the child and comforts the

A NOTED CLERGYMAN and Public Lecturer says of "Brown's Bronchial Troches " "In all my lecturing tours, I put Troches in my carpet-bag as regular ly as I do lectures or linen." Public speakers, vocalists, and all others who exercise the voice, should never fail of using the Troches. They surpass all other preparations in clearing and strengthening the voice, removing hoarseness, allaying irritation of the Throat, and as a cough remedy are pre-eminently the

Cholers, cramp in the stomach and bowels, and Neuralgia, which so speedily prostrate the system, may be prevented and cured by a timely use of Blood's Rheumatic Compound.

"The life of all flesh is the blood thereof," and no life or flesh can be health while its blood is diseased. Parsons' Purgative Pills will not only cleanse and purify the blood, but stimulate the functions of the system to healthy action. A

FELLOWS' COMPOUND SYRUP OF HYPO-PHOSPHITES.

For Nervous and General Debility, whether arising from a sedentary life, unhealthy occupation, a tropical climate, or any other cause. Pulmonary Consumption, Bronchitis, Inward Wast

For Pulmonary Consumption, Bronchitis, Inward Wastings.

For Dyspepsia or Indigestion.

For Rickets, Weakness of the Joints and Muscles, Loss of Appetite, howness of Spirits, Impurity of the Blood.

The effects produced are return of appetite, improved digestion, increase of flesh, good spirits, rosy cheeks and red lips, returning strength to the nervous and muscular system, and gradually all the functions of the body are restored to regularity, health and vigor. Its actions on the secretions of the respiratory organs are manifest in a very ahort time, the mucous and morbid matters are easily voided; it assists expectoration without depressing the patient, (this alone is a very valuable discovery, as we have not in the history of medicine an expectorant which is not also a depressant,) hence the patient is relieved from those racking paroxysms of cough without being subjected to debilitating influences.

THE GENUINE FELLOWS' COMPOUND SYRUP OF HYPOPHOS-PHITES IS put to pint bottles with our name blown on them, and sold at \$1.50 per bottle, or six bottles for \$7.50. THE HYPOPHOSPHITES AND COD LIVER OH, \$1.25 per bot Tun Hypopuospuites and Con Liven Oh., \$1.25 per bot-tle, or six for \$6.

JOHN CHALONER,

Cor. King and Germain streets TO THE ELECTORS OF THE CITY OF

TO THE ELECTORS OF THE CITY OF ST. JOHN.

CENTLEMEN—Since the last election for the Mayoralty of this City, when I was a Candidate, so many of my friends have expressed their surprise and regret at my failure on that occasion, and their desire that I should again offer, I am now induced to present myself as a Candidate at the ensuing Election on the 7th May next.

White I had the honor of holding the effice in years 1863, '64 and '65, I devoted my best attention and ability to the discharge of its responsible and manifold duties.

Should I again be elected, I shall be influenced by the same earnest desire, initifully and impartially to execute the trust reposed in me.

I, therefore, respectfully solicit your support and influence at the approaching election.

DESIGNED to Educate Young Men for Business Life.

Desarches taught in a practical manner by efficient Teachers and Lecturers. Book-keeping by single and Double Entry, and adapted to General Mercantile Business, Manufacturing, Mining, Milling, Forwarding and Commission Business, Foreign Exchange, Steamboating, Railroading and Banking, Business Penmanship, Commercial Arthmetic, Commercial Law, Business Letter Writing and Spelling, &c.

In the Upper Provinces a systematical Business Education is deemed as essential as any other professional education, giving, as it does, the young men an honorable business standing, with a remuneration which he could not otherwise command.

The system is conducted on actual business principles, each student being supplied with cash and merchandise to the amount of one thousand dollars, with which he trades with the Merchants Emporium College Bank, and also his fellow students. It is surprising how much is mastered in a few months.

The room will be well furnished with desks, book-cases,

four years since, and are a great improvement upon the Melodeon, Harmonium, and other reed organs, greatly ex-celling them, especially in the excellent quality and variety

proves how greatly such an instrument was needed. Again and again the manufacturers have been compelled to double their manufacturing facilities, until they have increased six-fold. From the most eminent of the musical profession, the most distinguished planists, organists, composers and musical directors, the Mason & Hamilu Cabinet Organs have received an amount and degree of commendation never before heatoned was a mount and degree of commendation never heat of the second was a second er before bestowed upon any similar musical instrument. More than two bundred and fifty of the most eminent mu sicians in the country have given written testimonials to

portant improvements effected by them, and for the superiority of their instruments to all others.

Constantly exhibiting their instruments in competition with others, they have been awarded the highest premium in every instance, but three or four.

For churches, sunday schools, &c., the MASON & HAM-LIN CABINET ORGANS are the instruments long wanted, —of the very best quality, abundant power, not too expen-sive, nor liable to get out of order. For private use, in drawing rooms, &c., they are not less desirable, and are finding a place in the musical families of the principal cities. the principal cities.

They are adapted to a wider range of music than the Piano, being better fitted for all sacred music and for much secular music, while their quickness of action is such that the most lively, rapid music can be played on them. Then their cost is greatly less, as well as their liability to get

BRIEF EXTRACTS FROM OPINIONS OF DISTIN-

GUISHED MUSICIANS I should think they would become very much sought after as parlor instruments as well as for public performance.—Sigismond Thalberg, the world-renowned Planist. Sure to find its way into every household of taste and refinement which can possibly afford its moderate expense.

* * * Far superior to everything of its class I have seen.—L. M. Gottschalk, the eminent Planist. Such pure musical tones, promptness and smoothness of action and fine variety of effect, I have not found in any other instrument of the class.—S. B. Mills, the eminent Planist. Really so excellent that there can bardly be much difference of opinion respecting them.—William Mason, the eminent Planist. The best instrument of its class with which I am aequainted, and worthy a place in every drawing-room.—Harry Sanderson, the eminent Planist. In every respect far superior to everything I have ever seen of the kind, whether in Europe or America.—George Washbourne Morgan, the eminent Organist, N. Y. I can only reiterate what so many in the musical profession have said, that for equality, promptness and exquisite tone, they are unequalled.—John H. Wilcox, the eminent Organist, Boston. Supasses everything in this line I have ever seen, whether French or American.—John Zundel, the eminent Organist, N. Y. The best reed instruments in the world are made in the United States, and your Cabinet Organis are greatly I should think they would become very much sought passes everything in this line I have ever seen, whether French of American.—John Zundel, the eminent Organist, N. Y. The best reed instruments in the world are made in the United States, and your Osbinet Organs are greatly superior, and by far the best made here.—Max Maretzek, Musical Conductor, N. Y. Far surpasses all other similar instruments which have come under my observation.—Carl Zerrahn, Musical Conductor, Boston. Exceeds in my estimation every other instrument of this general class.—Thos. Hastings. I can recommend them with confidence.—Lowell Mason. As soon as the public become acquainted with the superior merits of your instruments, your only trouble will be to supply the demand.—Wa. B. Bradbury. I have never seen anything of the kind which interested me so much.—Geo. F. Root. Exciting much interest in musical circles, and already becoming the fashion.—N. Y. Home Journal. The highest accomplishment of industry in this department. This is not our opinion, but the unanimous verdict of the organists.—Boston Advertiser. A glorious instrument for the temple service, so readily secured as to be available for any congregation, and effective and beautiful as to meet the desires of the most refined and fastidious.—N. Y. Observer.

The MASON & HAMLIN CABINET ORGANS must not be confounded with other reed instruments, from which they vary essentially, their superiority being largely deri-ved from PATENTED IMPROVEMENTS, which cannot be The AUTOMATIC BELLOWS SWELL (patented), a most important invention, and greatly the best swell ever devised; being much more effective and easily used than any other. The variety and beauty of effect of which it is capable, cannot be appreciated except from actual use. The many attempts to imitate or find a substitute for this swell, prove its value. None of them, however, approach it in excellence and simplicity.

IMPROVED SELF-ADJUSTING VALVES (patented), secure much more perfect action, durability and freedom from liability to get out of order.
