GALLERY OF PHOTOGRAPHIC ART,
No. 10 Greenwich Street, Opposite Trinity Church.
This subscriber respectfully begs to direct the attention of all who are desirous of procuring the most perfect and opened, and feels justified in assuring the citizens of St. John that he can produce thoroughly satisfactory LIFE PICTURES. He is prepared to execute either ordinary Cabinet, Card, or Albumen, Daguerrean, or the new sized Photographs in Oil, which latter being in finish equal to Oil Painting, are much more faithful as likenesses, and more permanent. He is also prepared to execute for friends and relations, and wishing to have the same engraved into life-sized Photographs in Oil, would find it to their interest to patronize his gallery.
