FELLOWS' COMPOUND SYRUP OF HYPO-PHOSPHITES.

For Nervous and General Debility, whether arising from sedentary life, unhealthy occupation, a tropical climate, r any other cause. For Pulmonary Consumption, Bronchitis, Inward Wast-

for Dyspepsia or Indigestion.

For Rickets, Weakness of the Joints and Muscles, Loss of Appetite, Lowness of Spirits, Impurity of the Blood.

The effects produced are return of appetite, improved digestion, increase of flesh, good spirits, rosy cheeks and red lips, returning strength to the nervous and muscular system, and gradually all the functions of the body are restored to regularity, health and vigor. Its actions on the secretions of the respiratory organs are manifest in a very short time, the mucous and morbid matters are easily voided; it assists expectoration without depressing the patient, (this alone is a very valuable discovery, as we have not in the history of medicine an expectorant which is not also a depressant,) hence the patient is relieved from those racking paroxysms of cough without being subjected to debilitating influences.

THE best families in St. John are full of praise in regard to SELEE'S HAIR LIFE. They say it restores grey hair so beautifully to its original color, removes all scurf and dandruff, and so effectually stops the falling of the hair; also that it is a most splendid HAIR DRESSING, rendering dry and brashy bair soft, glossy, and youthful. The Druggists also speak very highly of it, and do not hesitate to say it is the very-best Preparation sold. It is very popular too, in Nova Scotia; in fact, SELEE'S HAIK LIFE is the choice of all ladies of nice taste. Its superior neatness makes it a favorite. Sold by all Medicine Dealers. Prepared by N. OBSERVE THE NAME. OBSERVE THE NAME.

It is well at all times to call things each by their own proper names, otherwise you may not get what you want. When you desire to have the best Coal Oil, that which is made from Albert Coal, and manufactured in this Province, ask for "ALBERTINE OIL." Should you call for it by some other name, where the genuine article is not sold, you may expect to be served with an inferior article. Always call for and be sure you get Albertine Oil.

Albertine Oil has no bad odor, will burn to the last drop in the lamp without depreciation of light, and gives universal satisfaction. Whenever you meet with a bad smelling Oil or a bad burning Oil, you may be sure it is not Albertine.

J. B. TAYLOR'S NEW IMPROVED SPINNER

J. B. TAYLOR'S NEW IMPROVED SPINNER.

THE Proprietors of the above named SPINNER would respectfully call the attention of Farmers and others to the old and true adage, that "Time is Mocey." This being an acknowledged fact, why waste your time using the old-fashioned Spinning Wheel, when you may buy the above named Machine (which will do the work with one half the labor) for the comparatively small sum of \$19. Any persons doubting the statements here made, are requested to call at our Manufactory any day between 8 A. M. and 6 P. M., and see the Machine work, in order to be convinced of its superiority over all other Machines now in use.

we do not ask you to buy without a trial; but if after a thorough trial you are convinced that it is as represented, we trust you will send in your orders, and give to home industry and native genius a share of the patronage so long (and net always satisfactorily) bestowed upon Foreigners.

Yours truly,

TAYLOR, SPRAUGE & HOLDER

As certain parties have endeavored to misrepresent
us by stating that we have no Patent for our Machine, we
trust that no persons will be led astray by such reports, as
any infringement on our rights will be treated with the
utmost rigor of the law.
