are encouraged in their efforts to lead souls to the Sa viour. Some of the social meetings during the past week were full of religious fervour and power.

Last Lord's Day one candidate was baptized by Rev. G. M. W. Carey, of Germain Street; four by Rev. I. E. Bill, Brussels Street, and four by Rev. E. C. Cady, Portland. Other cases are hopeful. O Lord revive thy work," is the prayer of many hearts.

Our Methodist brethren, we rejoice to hear, are experiencing the refreshing influence of the Spirit. Several recent conversions have taken place in their meetings for prayer.

of the Mount Allison Wesleyan College and Acade my has been placed upon our table. It is a pamphlet of 40 pages, issued from the press of J. & A. McMillan, of this city, and in its mechanical style and finish is about as near perfection as any thing of the kind we have ever seen. It contains an accuirate account of the respective Boards of the affiliated Institutions at Sackville; course of study in the several departments; requirements of admission; table of fees; general regulations; list of students, and miscellaneous remarks, &c. TEMPERANCE CHIMES is the title of a new Temperance work, issued by the National Temperance Society and Publication House, New-York. It comprises a rich variety of glees, songs, and hymns designed for the use of temperance meetings of all sorts. This although effectual in destroying worms, can do no work will be found very useful in the Division room, Good Templars, Bands of Hope, and, in a word, all temperance organizations may use it to great advantage. If generally introduced, it cannot fail to render valuable service to the temperance movement.

Rev. George McNutt will preach a sermon, (p. v.,) on Sabbath evening next, in the Leinster St. Church, on the subject of Christian Baptism.

Rev. Wm. Burton writes thus to the Christian Messenger of last week :-

For the information of my many friends over the very useful journal, to save me much correspond nce. which I am unable to perform. I have been contined to my house nearly three weeks, I am under very great obligations to my worthy friend, Dr. B. Black, of this place, for his special care and diligence. I am especially indebted to my friend, Dr. McN. Parker, of Halifax, who kindly came to consolt with Dr. B. B., touching my disease. They jointly put me under constraint, not to attempt any public duties whatever, nor to leave my house without the Dr.'s leave. I am somewhat relieved of the difficulty of breathing, and rest easier at night. Whether I shall ever recover, so as to attend to my public duties in any degree cannot tell, but I am in good hands. I wish to be resigned to the will of my precious Saviour, for my great future. I calmly rest on Christ Jesus alone— His blood and intercession are all my plea. I am calm and unfaltering in my confidence, that gospel I have, though in great weakness, preached to others for forty years, supports my spirit now. I have had trial of the holding ground, and find the anchorage good. Let my friends give me interest in their pray ers. Ever yours and theirs in Christ, W. Burron.

### COLONIAL. The Confederation Bill.

We intended giving this Bill as it has appeared in the City papers from the Toronto Globe, but the last mail brought one of more recent date agreeing in the principal provisions, but differing in phraseology, in amplitude and in some other features; we therefore prefer waiting another week, hoping that we shall be able then to give the Bill in the form in which it will pass into an act of the British Parliament. From the recent copy we learn that Her Majesty prefers that the Confederated empire shall be designated " Dominion of Canada," instead of the "Kingdom of Canada." This perhaps will not be so objectionable to our American cousins. The idea of a Kingdom on this continent is to their minds peculiarly offensive.

I TAKE great pleasure in recommending to my friends in Nova Scotia and New Brunswick the Boys Boarding School of Mr. Cherbuliez. I know him as a highly cultivated gentleman and an accomplished and skilful teacher.— He is a Swiss Protestant, but long resident in this country, and for 17 years he has been connected with Pelham Priory, which is no small recommendation. His school offers superior advantages for acquiring a skilful knowledge of the French language. C. FRED. HARTT. he French language. Pelham Priory, Nov. 23, 1866.
