THE WAGES OF WORKINGMEN. - Whatever may be the justice or injustice of wages paid the workingmen of our country, there can be no denial of the fact that 25 cents paid for a box of Grace's Celebrated Salve is one of the best investments a family can make. This remedy, for all cutaneous diseases, and eruptions generally, has no equal.

WHAT IS VITALITY ?- Some philosophers call it Animal magnetism, some nervous force, others Caloric, but by whatever name it may be called, the thing meant is the Main Spring of Existence, it is the principle we inherit, and which may be nourished by proper attention to the requirements of the body and the avoidance of excesses; it is wasted or destroyed by overtaxing the mind with study or anxiety and intemperate indulgences; indeed, it requires an expenditure of vitality for every thought or action equal to the magnitude of the thought or action. When the body and the brain are well balanced, the stomach is capable of restoring the waste; but when the brain is large in proportion, the stomach is incapable of supplying it; in other words, the expenditure is too large for the income. Here lies the cause of so much suffering from disease of the Heart, Liver. Stomach and Lungs, and FELLOWS' COMPOUND SYRUP is the only preparation known which imparts this vitality directly, and consequently the power to overcome disease.

Sold by Apethecaries. Price \$1.50 per bottle, or 6 for \$7.50. On the receipt of \$7.50 the proprietor will forward 6 to any part of Nova Scotia or New Brunswick, Free. JAMES I. FELLOWS, Chemist, St. John, N. B.

### PERRY DAVIS' PAIN KILLER Has become an article of commerce-which no medi-

cine ever became before. It is as much an item in every bill of goods sent to country merchants as tea, coffee, or sugar. This speaks volumes in its favour, -Glenn' Falls Messenger.

Rev. H. L. Van Meter, Burmah, writes, "The Pain Killer has become an almost indispensable article in my family."

Hundreds of missionaries give similar testimony of its virtues. Rev. J. G. Stearns writes, "I consider it the best

remedy for dyspepsia I ever knew." Rev. Jabez S. Swan says, "I have used it for

years in my family, and consider it an invaluable remedy."

Rev. M. H. Bixby writes, "I bave had occasion to use the Pain Killer very frequently during my residence in Burmah, and have found it a very useful medicine. I did not think I could visit the jungles without it. In case of Colic, Diarrhoea, and Cholera, the Pain Killer gives speedy relief, and for many other ailments I have found it beneficial. It is popular in Burmab, among the natives as well as Europeans. I always carry it with me for my own benefit, and the good of the people where I go.
